Angels Unaware A Fitzroy Maclean Angel Mystery:

Angels Unaware Mike Ripley, 2008 Private detective Fitzroy Maclean Angel is not your ordinary private detective The world he inhabits is strange and it is about to get stranger Domesticity or the lack of it has replaced his high paced crime solving lifestyle That is of course apart from the AWOL screenwriter whose mother s funeral he must attend Buried Above Ground Mike Ripley, 2025-09-02 An original spin on the crime novel in which the race to gain the rights to an author s backlist proves to be more head scratching and deadly than the plots in his books The Librarian It s been two decades since mystery writer Duncan Torrens was last published I should know I was his editor So why a blogger would turn up asking questions about the rights to his books is beyond me The Reader That librarian Roly is a bit odd You d think he d be happy with my blog s research into a largely forgotten author but he s resistant If I can get into Duncan s home and his mysterious garden shed I know I ll find what I m looking for The Publisher Torrens books are crying out for a revival I just need that blogger Jacon to work out who holds the rights to his backlist Then I can acquire them before Duncan s old publishing house realises they ve missed a trick The Editor I never worked directly with Duncan before he died but if someone is sniffing round there must be money involved I just need to find out what s happened to the rights before they do The Writer After twenty years will the sudden interest in this author s forgotten mysteries reveal a dark and deadly twist Told from the point of view of five unreliable narrators none of whom can be trusted The Librarian The Reader The Publisher The Editor and The Writer this amusing and darkly intriguing novel is a refreshingly fun subversive take on the crime fiction genre Angel Confidential Mike Ripley, 2012-10 Angel is on his latest case which involves a dubious religious cult an impoverished minor aristocrat with a love of classic cars a very shady solicitor and his extremely odd wife On top of this Angel has to cope with his new partner in detection Veronica Blugden *ANGEL CONFIDENTIAL.
