And The Gathered And Scattered Church Exponential Series:

Balanced Discipleship Justin Campbell, 2023-03-09 The data is in more and more people are leaving the church We've worked hard at creating better programs better music and better sermons but it's not enough This is in stark contrast to the global church that is growing exponentially What are they doing differently What can we learn In Matthew 28 Jesus does not ask us to go into the world and make great church services he tells us to go into the world and make disciples Campbell takes a deep dive into the Great Commission exploring Jesus balanced model of discipleship and giving us practical tools to apply to our local church Planting Missional Churches Ed Stetzer, Daniel Im, 2016-05-01 In this second edition of Planting

Missional Churches not only will you find a completely redesigned book with new content in every single chapter but you will also find several new chapters on topics such as church multiplication residencies multi ethnic ministry multisite denominations and networks and spiritual leadership

Doing Diaspora Missiology Toward "Diaspora Mission Church" Luther Jeom Ok Kim, 2016-01-05 In U S Population Projections 2005 2050 Pew Research Center reported that The nation's population will rise to 438 million in 2050 from 296 million in 2005 and fully 82% of the growth during this period will be due to immigrants arriving from 2005 to 2050 and their descendants This shows that it is essential to study and understand how our mission especially in the context of the USA called the nation of immigrants will respond to this huge mobility of immigrant diaspora So far there has been emphasis on doing diaspora missiology however there is no practical implications and application in local church setting Now mission is next door which implies that the ministry of the local church should be emphasized for 21st contemporary mission This book provides detailed frameworks and methods of diaspora missiology within local churches called diaspora mission church According to the Bible all human beings are theologically and spiritually diaspora irrespective of ethnicity because they were banished from the Garden of Eden and scattered around the world in God's judgment Now they walk toward the encounter with Jesus Christ preach the gospel as the seed of Kingdom and finally move toward heaven

Exponential Dave Ferguson, Jon Ferguson, 2010-05-11 A tried and true classic in dynamic ministry growth church building and discipleship momentum From professional church planters Dave and Jon Ferguson comes the anchor book in the Exponential Series envisioning new and practical methods of building churches communities and organizations on the cornerstone of Christ Many of today's Christians consider the missional challenge of Jesus feed the hungry comfort the lonely bring people to God's Word as inspirational but not something achievable Or they've heard the challenge of Jesus and are frustrated with how little they've done Jesus gave his followers this mission because he wants them to hear it be inspired and then actually do it And it is possible Exponential lays out a concise and effective reproducing strategy giving practical steps and case studies as you follow the growth of a church movement through four main stages The initial navigation of ministry image set up and gradual growth The gathering of a community around a cause and the conversations that take place at this point The reproduction of communities into multisite

growth and wider impact The infrastructure and networking of large missional movements and how to stay focused on the bedrock of the Gospel Weaved throughout this book is the amazing story of Community Christian Church which was started by five friends who used these reproducing strategies to grow one of the most influential churches in the U S and develop a network of reproducing churches Exponential is designed to help Christian leaders groups teams churches and networks experience rapid and spiritually healthy growth

Ethnic Blends Mark DeYmaz,Harry Li,2010 In this Leadership Network Innovation series book Ethnic Blends Mark DeYmaz will help you navigate seven common challenges in building a healthy multi ethnic church The rise of multi ethnic churches could become the new Reformation in this century Yet the movement is in a pioneer stage and there have been few road maps until now

AND Hugh Halter,Matt Smay,2010-04-27 It s time to stop asking the old questions about how to do church better and instead ask how churches can more effectively participate in and grow God s kingdom AND helps Christian leaders recognize the best in different church models and see how to incorporate these values into a cohesive church movement By the numbers the American church enjoys the resources to profoundly impact the Kingdom But despite the rapid growth of these evangelical movements the church in the West is in decline A growing schism has emerged between the movement with a strong emphasis on attracting people and the more missional communities that focus on releasing people into ministry Church resource specialists Hugh Halter and Matt Smay have been observing these different church models and they challenge the idea that churches have to choose between them between the attractional and missional approaches to ministry With professional insight and practical advice Halter and Smay dial in on how to bring together the very best of the attractional AND missional models for church ministry by exploring The balance between gathering a community together AND scattering them into the world The harmony between centralization AND decentralization in church structure The mindset necessary to invest in both the traditional AND the innovative The drive to maintain both a vision for the future AND a depth of community for the present As churches begin to develop these ANDs they will be better positioned to influence the world according to the design of God instead of the whims of the people or the pride associated with production

DiscipleShift Jim Putman,Bobby Harrington,2013-04-23 Question What is the God given purpose of the local church Answer Relational discipleship DiscipleShift walks you through five key shifts that churches must make to refocus on the fundamental biblical mission of discipleship These intentional changes will attract the world and empower your church members to be salt and light in their communities Over the last thirty years many influential church leaders and church planters in America have adopted various models for reaching unchurched people While many of these approaches have merit something is still missing something even more fundamental to the mission of the church discipleship Making disciples helping people to trust and follow Jesus is the church s God given mandate Devoted disciples attract people outside the church because of the change others see in their Christ like lives And discipleship empowers Christians to be more like Christ as they intentionally develop relationships with non believers Through biblical

and professional insights Jim Putman and Bobby Harrington discuss the transformational effectiveness of making disciples and just how to do so in practical terms You ll learn The specific roles of a disciple making pastor The components of person to person discipleship How each ministry in your church leads to discipleship How to implement discipleship in your church Disciple making leaders will not produce perfect churches but they will create effective churches **On the Verge** Alan Hirsch,Dave Ferguson,2011-05-03 How the Church can recover her original apostolic ways and become a high impact Jesus movement again in the West The church is on the verge of massive category shifting change Contemporary church growth despite its many blessings has failed to stem the decline of Christianity in the West and we are now facing the fact that more of the same will not produce different results We are already seeing this new form of the church emerge in our day an apostolic reproducing Movement that s driven by a desire to see Biblical Christianity reestablished Alan Hirsch and Dave Ferguson call this the apostolic movement because it s more resonant with the form of church that we witness in the New Testament and in the great missional movements of history And we are on the verge of a new apostolic movement In this book Christian thought leaders Hirsch and Ferguson share a rich array of theology theory and best practices along with inspiring stories about leaders who have rightly diagnosed their churches failure to embrace a biblical model of mission and have moved toward a fuller expression of the gospel On the Verge will help church leaders Imagine the contemporary Church from the apostolic perspective how we got from there to here Shift our mindset from technique how to do church to embodiment how to live as Christ s Church Learn how to value approach and understand innovation Move whole heartedly toward the apostolic missional movement Many of the best and brightest leaders in the contemporary church are now making shifts in the way they think lead and organize On the Verge will help church leaders discover how these forerunners and their insights are launching a new apostolic movement and how any church can get involved Hero Maker Dave Ferguson,Warren Bird,2018-03-13 In Hero Maker you will learn how to bring real change to your church and community by developing the practical skills to help others reach their leadership potential Drawing on five powerful practices found in the ministry of Jesus Hero Maker presents the key steps of apprenticeship that will build up other leaders and provide strategies for how you can activate the gifts of those around you help others take ownership of their mission develop a simple scorecard for measuring your kingdom building progress With rich insights from the Gospels Hero Maker is packed with real life ministry stories ranging from paid staff to volunteer leaders from established churches to new church plants Whether you lead ten people or ten thousand Hero Maker will not only help you maximize your leadership impact but in doing so you will also help shift today s church culture to a model of reproduction and multiplication Chicago pastor and church planter Dave Ferguson and award winning writer Warren Bird make a compelling case that God s power and purpose are best revealed when we train and release others to further advance the Kingdom of God By becoming a hero maker and investing in others you can join a movement of influencers that are impacting thousands of people around the world Everybody wants to be a

hero but few understand the power of being a hero maker *Scattered and Gathered* Sadiri Joy Tira,Tetsunao Yamamori,2020-07-31 The twenty first century is marked by mass migration Massive population movements of the last century have radically challenged our study and practice of mission Where the church once rallied to go out into the regions beyond Christian mission is currently required to respond and adapt to missions around As a result leaders in this field have been developing diaspora missiology to provide a missiological framework for understanding and participating in God's redemptive mission among peoples living outside their places of origin In this volume experts in diaspora missiology from across the globe analyze the development of missions to migrants and add to our understanding of the contemporary church's opportunities and responsibilities for mission amongst diaspora groups *Sifted* Wayne Cordeiro,2012-04-23 Planting and leading churches is a difficult calling It can put strain on your mental and physical health on your relationships with others and even your relationship with God Sifted offers practical guidance and hope for anyone going through a tough time in ministry or pastoral work Founding pastor of New Hope Christian Fellowship in Honolulu Hawaii Wayne Cordeiro speaks the truth in love offering wisdom and insight to walk alongside leaders as they face the challenges and hardships of planting and leading churches while providing encouragement and inspiration for the journey A seasoned church leader Wayne shares the things he wishes he'd known when he was starting a new church With additional stories from Francis Chan and Larry Osborne each chapter includes a thought provoking challenge question to develop a heart that is surrendered to God focused on being and becoming versus doing and accomplishing Wayne will walk you through how to develop a healthy balance of personal care and spiritual leadership But instead of a how to book on models and methods from men who have it all figured out Sifted will help you process your journey in a way that Challenges leaders common scorecards of success Encourages leaders to realize that they are not alone in what they are experiencing Provides wisdom for the long haul to position younger leaders for a life of ministry You may find yourself in a season of sifting If you respond correctly this season can be every bit as important as the time of harvest Sifting builds the muscle of faith giving us what we need for what lies just around the corner **The Intentional Church** Randy Pope,2006-02-01 Randy Pope has created a blueprint for pastors and church planters with The Intentional Church Such an organization must model a dynamic spirit of worship and servanthood that will cause it to become a magnet for people needing help Part of the blueprint involves having a God honoring purpose a faith oriented commitment a well defined mission biblically based job descriptions and more A relevant resource for pastors and lay persons *Small Matters* Greg Nettle,Santiago Heriberto Mellado,2016-04-12 Children have always been close to Jesus heart As his followers it's our responsibility to protect nurture and pass our faith to children In Small Matters Why Children Are Such a Big Deal authors Greg Nettle and Jimmy Mellado offer a model of discipleship that encourages parents to raise up the next generation to be deeply committed to and in love with Jesus Ministry pioneer D L Moody once said that if he could relive his life he would devote his entire ministry to reaching children for God What Moody understood was that by investing

in them the potential for effective change in a child's life is huge. When we awaken to the fact that children between the ages of four and fourteen are the most likely to make a decision to follow Jesus and that the discipleship that children receive forms their future, it may give you an idea of the importance of ministering the young. Greg and Jimmy challenge the typical church models of youth discipleship and offer ways to shift into a more effective and more biblical method that begins by empowering parents in their homes and works outward. Discipling children in the home. Discipling children in the church. Discipling children in the community. Now more than ever, churches have to invest in the cause of children through advocacy, sponsorship, and children's ministries, all of which need to be committed to holistic child development. Small Matters will transform the way we view children; invest in them; reach out to them; teach them; and ultimately empower them to be disciples of Jesus. This is a book about small matters which are really large matters. God has used the small things of this world to do his work, and he continues to do this today. In Jesus' kingdom, the first are last and the least are the greatest; the servants are the heroes, and the small are the biggest winners of all. John Ortberg, author and pastor. **Small Is Big, Slow Is Fast**. Caesar Kalinowski, 2014-10-28. You don't need to have the talents of a rock star or the wisdom of Yoda to effectively and naturally live a life on mission with God. And you do not have to add a big list of new activities to your life. Instead, it is the everyday ordinary things done with greater gospel intentionality slowly over time that make all the difference. Biblical and super practical. **Small Is Big, Slow Is Fast** helps readers respond to Jesus' call to each of us to be a missionary right where we live in our own families and neighborhoods. It shows you step by step the essential elements that create environments for organic kingdom growth and multiplication. Whether you're looking to lead your own family or are taking first steps toward starting a church that has discipleship and mission at its core, you will discover the secret to starting out small and going seemingly slower and not feeling guilty about it. And you'll be encouraged to trust that when you lay the right foundations, multiplication will occur and will always be faster and more successful in the long run. AND Hugh Halter, Matt Smay, 2010. **AND** brings you fresh encouragement to your ministry. By teaching you how to move beyond the attractional, missional divide and utilize insights from both perspectives, you'll learn how to bring together the very best of the attractional and missional models for church ministry. **AND** is part of the Exponential Series. **Motus Dei**. Warrick Farah, 2021-10-26. Discover Your Place in the Movement of God. An incredible breakthrough in missions history is taking place as disciples of Jesus make more disciples of Jesus around the globe, particularly among the least reached. But what exactly are these church planting or disciple-making movements? Where are they occurring, and what are their unifying features? How are they manifesting in diverse populations? And can you or your organization be instrumental in catalyzing more movements? **Motus Dei**, Latin for movement of God, seeks to answer these questions, and more. Warrick Farah has expertly synthesized an extensive conversation between mission practitioners, scholars, and seasoned movement leaders from around the world. The resulting in-depth analysis of movements provides a multi-disciplinary academic investigation of an emerging movement.
