Hayes, 2008 Collected interviews with the combustible director of *The Wild Bunch* *Ride the High Country* *Straw Dogs* *The Getaway* and other films Ousmane Sembène Annett Busch, Max Annas, 2008 Collected interviews with the African filmmaker who directed *Black Girl* *Mandabi* *Xala* *Ceddo* *Faat Kine* and *Moolaade* *Revolt of the Filmmakers* George Faraday, 2010-11-01 One of the many unforeseen consequences of the fall of the Soviet Union has been the sudden collapse of the domestic film industry probably the most privileged mass cultural medium of the Soviet Union By the mid 1980s some 150 feature films were produced annually for audiences numbering nearly four billion per year Since 1991 however cinema attendance has plummeted by a factor of at least one hundred and the remnants of the once huge audiences now watch an overwhelming number of imported mostly American films *Revolt of the Filmmakers* is the first account of Russia's film industry since this disastrous decline According to Faraday who was film correspondent for *The Moscow Times* during the mid 1990s the turning point came during the years of perestroika when Russian filmmakers achieved an unprecedented degree of freedom from managerial control They

immediately used their newfound liberty to dismantle the industry's central administrative structures in the name of artistic autonomy. Filmmakers were at last free to follow their own aesthetic criteria and many began to orient their work entirely toward critical acclaim at festivals. But the unintended result of this revolution in the name of art was the alienation of the mass Russian audience. Today some filmmakers are attempting to regain a mass audience by celebrating and mythologizing national cultural identity, but the Russian film industry has never fully recovered from the revolt of the filmmakers. For this book, Faraday has interviewed Russian filmgoers, critics, directors, and other industry insiders. Among those directors whose work he considers are Alexei Balabanov, *The Castle*, Nikita Mikhalkov, *Burnt by the Sun*, Karen Shakhnazarov, *American Daughter*, Pyotr Todorovsky, *Moscow Country*, *Nights and Marina*, Tsursumia, *Only Death Comes for Sure*. He also draws upon documentary evidence including the Russian press and the diaries of Andrei Tarkovsky, *The Sacrifice*, *Solaris*. Few predicted that the loosening of state ideological and institutional controls would threaten the survival of Russia's once mighty film industry. Even today, Lenin's often quoted if apocryphal declaration that cinema is the most important of all the arts remains emblazoned over the gateway to Mosfilm studios, but its relevance is in doubt at the start of a new millennium.

The Coen Brothers Joel Coen, Ethan Coen, 2006. Collected interviews with the quirky and distinctive writer-director team of such films as *Raising Arizona*, *Intolerable Cruelty*, and *Barton Fink*.
