Every Sunday people walk onto your church campus and decide if they will return the following week before the preacher even opens his mouth Many of those people don t know what to make of Jesus They re hesitant to be in a church They re not sure they belong But over and over in the pages of the gospels we see something extraordinary People who were nothing like Jesus liked Jesus Shouldn t that be true of his church as well In Going Deep Wide Andy Stanley lays out a blueprint for becoming that kind of church Going Deep Wide offers practical steps to help church leaders create irresistible environments define ministry goals and communicate more effectively with unbelievers Each section includes discussion materials that walk you more deeply into the content of Deep Wide and invites conversations about how to apply what you ve learned **Not in It to Win It** Andy Stanley,2022-05-10

Is it possible to disagree politically and love unconditionally The reaction of evangelicals to political and cultural shifts in recent years revealed what they value most Lurking beneath our Bible laced rhetoric faith claims books and sermons is a relentless drive to WIN But the church is not here to win By every human measure our Savior lost On purpose With a purpose And we are his body We are not in it to win anything We are in it for something else entirely That something else is what this book is about You ll discover How to take a stand the right way You ll learn how to make your case with a posture of humility and understanding rather than being fueled by the fear of losing something How to view politics through the lens of faith Learn curiously listen intentionally and love unconditionally How the life of Jesus and his teaching applies to modern day challenges in a fresh way The biblical stand may not be what we ve been taught Jesus never asked his followers to agree on everything But he did call his followers to obey a new command to love others in the same way he has loved us Instead of asserting our rights or fighting for power we need to begin asking ourselves what does love require of me **The Best Question Ever Study Guide** Andy Stanley,2010-06-09

Re:Vision Aubrey Malphurs, Gordon E. Penfold, 2014-10-14 Pastors around the country continue to look for the program the book or the sermon series that will turn their plateaued or declining churches around But what if the answer to revitalizing the church was closer to home According to trusted church leadership expert Aubrey Malphurs and veteran pastor Gordon E Penfold it is They believe that pastors themselves are the key In a time when many pastors are jumping from church to church every two or three years as they search for the right fit where they can make a difference churches are suffering from a lack of sustained leadership from pastors with a viable vision for ministry In Re Vision Malphurs and Penfold take pastors through a process of discovery and self evaluation designed to help them re envision their role create a culture for positive change and recruit people to come alongside them as helpers and encouragers Multiple appendices offer self diagnostic tools and surveys to help pastors assess their strengths and weaknesses for more effective ministry
