Speaking for Animals Margo DeMello,2013 This text contributes to the growing field of human animal studies by examining the human impulse evidenced in blogs social networking sites video games comic books and animal welfare literature to ventriloquize the animal voice *Animal Magic* Gordon Smith,2022-06-21 World famous medium Gordon Smith is well known for giving powerful messages from people s loved ones on the other side Very often it s not just human friends and family who come through the animals who have been close to us in life also continue to visit us after death In this extraordinary book Gordon recounts some of the remarkable experiences that people have had with animals in the spirit world and in our world They include moving accounts of dogs who know intuitively when their owners are coming home pets who saved their owners lives and animals who have found ways of proving they are still with their families after death Throughout the book Gordon shares his own experiences with his springer spaniel Cheeky Charlie who came into his life unexpectedly completely overturning it and showing Gordon the beauty of trust patience and unconditional love Through these amazing stories Gordon shows just how deeply animals care for their human families and the profound understanding they have of the world around them This is a repackage of *The Amazing Power of Animals* 978 1 4019 2325 9

RRA Notes Number 19 Special Issue on Training , *Shakespeare Among the Animals* B. Boehrer,2002-03-21 *Shakespeare Among the Animals* examines the role of animal metaphor in the Shakespeare stage particularly as such metaphor serves to underwrite various forms of social difference Working through texts such as Shakespeare s *A Midsummer Night s Dream* Jonson s *Volpone* and Middleton s *A Chaste Maid in Cheapside* different chapters of the study focus upon the

allegedly natural character of femininity masculinity and ethnicity while a fourth chapter considers the nature of the natural world itself as it appears on the Renaissance stage Addressing each of these topics in turn Shakespeare Among the Animals explores the notions of cultural order that underlie early modern conceptions of the natural world and the ideas of nature implicit in early modern social practice

The Amazing Power of Animals Gordon Smith, 2009-08-01 Gordon Smith is renowned for delivering powerful messages to people from their loved ones on the Other Side But very often it s not just human friends and family members who come through the animals that have been so close to us in life also continue to visit us after death There have been many times when Gordon has given readings to clients about the loss of those very close to them but these individuals can t hear the message because pain has closed them down However when animals turn up the barriers just dissolve and these people can accept the truth of the information that Gordon is relaying to them about their loved ones In this extraordinary book Gordon tells these heart wrenching stories presenting some of the amazing encounters that people have had with animals in the spirit world and here on Earth as well including Gordon s own experiences with his springer spaniel Charlie The Amazing Power of Animals is full of astounding personal accounts that are a great testament to the power of animals and their unconditional love for us
