Amazon.com For Dummies

Mara Friedman, 2003-01-16 If you've surfed the Web more than once you've probably visited Amazon.com. Originally you may have gone there searching for books, but Amazon.com is so much more than a bookstore. The author of *Amazon.com For Dummies*, who has been involved with the site from its beginnings, describes it as a shopping mall, home improvement store, bazaar, travel agency, newsstand, car lot, but most importantly, a community of buyers and sellers, people like you. Countless opportunities exist for those who join this community, and *Amazon.com For Dummies* gives you a smorgasbord sampling of what they are and how to take advantage of every one. For example, you can set up an account and buy things, bid on an auction, sell your items, personalize your shopping experience, open your own online store, join the Amazon.com community. Written by Mara Friedman, who has held several positions with Amazon.com, including marketing communications manager, *Amazon.com For Dummies* takes you from your first venture into the Amazon, all the way to making money from your Amazon.com experience. Discover how to find your way around the marketplace and scout out the best deals. Get local movie showtimes, view restaurant menus, chat with other shoppers, send free e-cards, or sign up for a free reminder service. Track orders and manage your account. Browse specialty shops and check out international merchandise. Take advantage of reviews from other shoppers. Set up and use wish lists for yourself and your friends. Create your own online Zshop, set the right prices, and take photos that help sell your items. Take advantage of the Amazon.com Advantage or become an Associate. Whether you're a complete novice who'd like a guide to help you with your first online purchases or a longtime Amazon.com shopper who wants to become an online entrepreneur, *Amazon.com For Dummies* has what you need. Use it today to get started and tomorrow to help you manage your own successful online business. [Online](#)

[Investing on the Australian Sharemarket](#) Roger Kinsky, 2012-02-23 In this complete guide to cyber investing, Roger Kinsky explains in plain English how you can become a proficient online investor and use the internet to increase your profits. He demystifies the complexity of online investing and provides a comprehensive insight into the online trading process. The book is written for Australian investors and is an informative one-stop guide to the investment information services and resources available online. It covers everything from finding the most appropriate broker to setting up an online trading account, placing orders, and much more.

Windows Vista Secrets

Paul Thurrott, 2008-10-03 Follows the highly successful first edition with over 25% more content, including extensive coverage of the latest update, Service Pack 1. Addresses a huge market of consumers eager to learn about hidden gems and secrets in Vista and SP1. Covers features that are not disclosed in Microsoft's books or help files. A highly connected and qualified author has gathered information from an extensive network of Windows beta testers and thousands of readers, as well as conducted his own experiments on the new OS. New chapters cover personalizing and configuring Vista, networking, Zune, Vista and ultra mobile PCs, Windows Home Server, and many more new topics.
