## **Americans Struggle Postwar Issues Guide:**

The Americans, 2003      **Reader's Guide to Literature in English** Mark Hawkins-Dady, 2012-12-06 Reader's Guide Literature in English provides expert guidance to and critical analysis of the vast number of books available within the subject of English literature from Anglo Saxon times to the current American British and Commonwealth scene It is designed to help students teachers and librarians choose the most appropriate books for research and study      *Wartime Facts and Postwar Problems, a Study and Discussion Manual* Twentieth Century Fund, 1943      *Handbook of Social Movements across Latin America* Paul Almeida, Allen Cordero Ulate, 2015-07-14 This handbook covers social movement activities in Latin American countries that have had profound consequences on the political culture of the region It examines the developments of the past twenty years such as a renewed upswing in popular mobilization the ending of violent conflicts and military governments new struggles and a relatively more democratic climate It shows that from southern Chiapas to Argentina social movements in the 1990s and especially in the 2000s have reached new heights of popular participation There is a lack of research on the politics of this region in the contemporary era of globalization this volume partially fills the void and offers a rich resource to students scholars and the general public in terms of understanding the politics of mass mobilization in the early twenty first century The contributors each address social movement activity in their own nation and together they present a multidisciplinary perspective on the topic Each chapter uses a case study design to bring out the most prominent attributes of the particular social struggle s for instance the main protagonists in the campaigns the grievances of the population and the outcomes of the struggles This Handbook is divided into seven substantive themes providing overall coherence to a broad range of social conflicts across countries issues and social groups These themes include 1 theory of Latin American social movements 2 neoliberalism 3 indigenous struggles 4 women's movements 5 movements and the State 6 environmental movements and 7 transnational mobilizations      **Reader's Guide to British History** D. M. Loades, 2003 A masterful attempt to describe the historical secondary literature of the British Isles from prehistory to the present day the set is comprised of substantial essays of 1 000 to 3 000 words each on a wide array of subjects all written by pre eminent scholars in language accessible to beginning students and advanced researchers Each listed essay title is given a thorough annotation The Top 20 Reference Titles of the Year American Libraries May 2004      *The Best American History Essays 2006* Organization of American Historians, 2016-09-23 Ten of the best articles in American history published in 2006 selected from over 300 learned and popular journals Topics range from the general to the specific and cover all aspects of American history from the early days of the republic through the nineteenth and twentieth centuries These are the questions that today's historians are asking      *The Routledge Handbook of Architecture, Urban Space and Politics, Volume II* Nikolina Bobic, Farzaneh Haghighi, 2024-11-22 Architecture and the urban are connected to challenges around violence security race and ideology spectacle and data The first volume of this handbook extensively explored these oppressive roles This second

volume illustrates that escaping the corporatized and bureaucratized orders of power techno managerial and consumer oriented capitalist economic models is more urgent and necessary than ever before Herein lies the political role of architecture and urban space including the ways through which they can be transformed and alternative political realities constituted The volume explores the methods and spatial practices required to activate the political dimension and the possibility for alternative practices to operate in the existing oppressive systems while not being swallowed by these structures Fostering new political consciousness is explored in terms of the following themes Events and Dissidence Biopolitics Ethics and Desire Climate and Ecology Urban Commons and Social Participation Marginalities and Postcolonialism Volume II embraces engagement across disciplines and offers a wide range of projects and critical analyses across the so called Global North and South This multidisciplinary collection of 36 chapters provides the reader with an extensive resource of case studies and ways of thinking for architecture and urban space to become more emancipatory Chapter 1 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution CC BY 4.0 license

*Handbook of Psychology, History of Psychology* Donald K. Freedheim, 2003-01-03 Includes established theories and cutting edge developments Presents the work of an international group of experts Presents the nature origin implications and future course of major unresolved issues in the area

**Handbook of Psychology, History of Psychology**, 2012-10-16 Psychology is of interest to academics from many fields as well as to the thousands of academic and clinical psychologists and general public who can't help but be interested in learning more about why humans think and behave as they do This award winning twelve volume reference covers every aspect of the ever fascinating discipline of psychology and represents the most current knowledge in the field This ten year revision now covers discoveries based in neuroscience clinical psychology's new interest in evidence based practice and mindfulness and new findings in social developmental and forensic psychology

*The Voice of America and the Domestic Propaganda Battles, 1945-1953* David F. Krugler, 2000 Examines the troubled existence of the Voice of America VOA the US government's international shortwave radio agency following WWII Explains that the VOA's troubles including slashed budgets canceled projects and neglect by its operating agency were the results of rivalries that shaped American politics during these years especially the Republican drive to roll back the New Deal the ongoing contest between conservative members of Congress and the Truman administration and disputes over the VOA's proper purposes Krugler teaches history at the University of Wisconsin Platteville Annotation copyrighted by Book News Inc Portland OR

*The Oxford Handbook of the American Revolution* Edward G. Gray, Jane Kamensky, 2015 The Oxford Handbook of the American Revolution introduces scholars students and generally interested readers to the formative event in American history In thirty three individual essays the Handbook provides readers with in depth analysis of the Revolution's many sides

**The Oxford Handbook of American Political History** Paula Baker, Donald T. Critchlow, 2020 This collection of essays by twenty nine distinguished

scholars provides readers with a complete overview of American politics and policy that can be found in any single volume. These essays reveal that American politics historically is volatile not given easily to civility and polarizing at the same time they explore important political developments in addressing real issues confronting the nation and the world     **Library of Congress Catalog: Motion Pictures and Filmstrips** Library of Congress, 1968     **The Oxford Handbook of U.S. Women's Social Movement Activism** Holly J. McCammon, Verta A. Taylor, Jo Reger, Rachel L. Einwohner, 2017 The Oxford Handbook of U S Women s Social Movement Activism provides a comprehensive examination of scholarly research and knowledge on a variety of aspects of women s collective activism in the United States tracing both continuities and critical changes over time     Rich Indians Alexandra Harmon, 2010-10-25 Long before lucrative tribal casinos sparked controversy Native Americans amassed other wealth that provoked intense debate about the desirability morality and compatibility of Indian and non Indian economic practices Alexandra Harmon examines seven such instances of Indian affluence and the dilemmas they presented both for Native Americans and for Euro Americans dilemmas rooted in the colonial origins of the modern American economy Harmon s study not only compels us to look beyond stereotypes of greedy whites and poor Indians but also convincingly demonstrates that Indians deserve a prominent place in American economic history and in the history of American ideas     *Educational manual* United States. War Department, 1944     **Congressional Record** United States. Congress, 1969     *Modern American Religion, Volume 3* Martin E. Marty, 1986 Vol 1 The Irony of it all 1893 1919 Vol 2 The Noise of conflict 1919 1941     Power, Protest, and the Public Schools Melissa Weiner, 2010-06-11 Accounts of Jewish immigrants usually describe the role of education in helping youngsters earn a higher social position than their parents Melissa F Weiner argues that New York City schools did not serve as pathways to mobility for Jewish or African American students Instead at different points in the city s history politicians and administrators erected similar racial barriers to social advancement by marginalizing and denying resources that other students enjoyed *Power Protest and the Public Schools* explores how activists particularly parents and children responded to inequality the short term effects of their involvement and the long term benefits that would spearhead future activism Weiner concludes by considering how today s Hispanic and Arab children face similar inequalities within public schools     **Days of Remembrance, April 18-25, 1993** , 1993 Introduces the history of Jewish holocaust and provides information on planning commemorative programs
