## **Hidden Jesus A New Life:**

**The Hidden Jesus** Donald Spoto, 1998 The author draws on his expertise as a New Testament scholar to present a controversial reassessment of Jesus life teachings relationships and standard doctrinal theology New Life in Christ Jesus Bret Griffin, 2012-11-13 Learn to Walk in Newness of Life Two thousand years ago the Creator of the universe died on a cross for our sins and rose from the dead Today He draws all people to Himself and gives eternal life to everyone who believes in Him For those of us who have trusted in Him the most amazing thing is that Jesus Christ now lives in our hearts But what does it really mean that Jesus lives in our hearts In amazing detail New Life in Christ Jesus shows from the Scriptures that Jesus presence means that we have everything we need for life and godliness It means we are Gods children His offspring It means we have His Divine Nature His DNA It means we have His life His righteousness and His holiness It means He leads guides and directs us from inside our hearts It means our sins are forgiven completely and forever It means we may walk with Him in the newness of life Pick up New Life in Christ Jesus and learn how to take advantage of this platform God has given us for godly living Learn to trust the Holy Spirit when He speaks to you Learn to recognize the righteousness you possess in Christ Learn to accept in full His forgiveness for all the shortcomings of your flesh Learn to walk free of the law without using your liberty as a cloak for vice And learn to resist every effort of man and spirit to move you from this course

*What Manner of Man Is This?* John W. Hawkins, 2009-04-15 Who was Jesus Was he just a Jew who lived 2000 years ago Was he God incarnate Was he the Messiah a teacher a healer a miracle worker or a world savior He was all of these things depending on what source you are using to define him This book tells us about Jesus perhaps the greatest man who ever lived among us through a number of different and often differing sources 1 The Holy Bible both Old and New Testaments 2 modern scholars and historians who make frequent use of documents not discovered until the middle of the last century 3 from the stories of people who knew him uncovered through the agency of past life regressions and 4 from two well known twentieth century psychics Edgar Cayce and Levi Dowling who obtained their information from what they called the akashic records To supplement the material quoted herein footnotes are provided that list the author and publisher of more than sixty books used in doing research for this book **Eternal Hope** Emil Brunner, 2023-07-27 Describing his objective in writing Eternal Hope Emil Brunner boldly claimed that a church that has nothing to teach concerning the future and the life of the world to come is bankrupt Half a century later such a challenge might still be levied Against this backdrop Brunner offers a way forward that is conscious never to stray far from scripture yet nevertheless pastorally sensitive Indeed one of the central tenets of his approach is that the Gospel offers no comfort to the individual that is not at the same time a promise for the future of humanity as a whole He proceeds systematically through the promises and mysteries that the Christian faith holds surrounding death while holding the hope of eternity as a constant goal A precursor to his more rigorous Dogmatics and partly in preparation for the second assembly of the World Council of Churches in 1954 Eternal Hope was also written

just a year after the tragic death of Brunner's son. It is therefore no surprise that he combines the vulnerability of his personal encounter with death and a theological outlook that has universal implications. *Growth in a New Life in Christ* Bob Bennett, 2007-06-05 In this book *Growth In A New Life In Christ* that you are about to read we will look at two specific stories from the Bible that are excellent examples to use in examining your own Christian walk with Jesus. One is a parable the other is a book from the Old Testament. The parable is *The Vine And The Branches*. The story is from the book of Esther. We will do a thorough study of both. I pray that after you have completed your readings you see more clearly the importance of the following: Jesus in you, Jesus growing, His love in you, Jesus attempting to live the Christian life through you. I invite you to participate in each of the studies. Place yourself right there in the center of everything where Jesus always is. *The Vine And The Branches* and the story of Esther are also spiritual stories. They provide significant lessons for you to learn to the extent that you participate. I encourage you to participate fully because Jesus is waiting to grow you deeper in love with Him. Yes, your growth is very necessary and is done within you. Only Jesus can do the growing in you. So relax, rest in His love and let the Holy Spirit grow you deeper in love with Jesus. **The Secret Disciple** Mark Penderghast, 2019-04-18 There met him out of the tombs a man with an unclean spirit who lived among the tombs and no one could bind him anymore even with a chain. And Jesus asked him, What is your name? He replied, My name is Legion for we are many. Mark 5:29. *The Secret Disciple* offers a riveting and plausible alternative version of the advent of Christianity based on a close reading of the gospels. This religious mystery story comes to the startling conclusion that the risen Jesus was in fact Legion. Jeremiah, the secret disciple. If you are among those who have always questioned the story of the resurrection or wondered about the family of Jesus, this book is for you. **WHAT OTHERS ARE SAYING**. *The Secret Disciple* retells the Christ story in beautiful language, demystifying the resurrection miracle and envisaging Jesus as a true prophet of his times whose demon-haunted follower Jeremiah becomes his most devoted disciple with startling consequences. Readers also meet narrator Mary Magdalene, thick-headed Simon Peter and James the younger brother of Jesus. A magnificent and fascinating read. Bill Schubart, author *The Priest*.

**The Waiting Room** Rev. Dr. Lawrence C. Brown, Sr., 2011-06-02 *The Waiting Room*. There is nothing so frustrating as waiting in an age of instant gratification. If the wait is for something important and life-changing, it is all the more anticipated. This book deals with the psychology and philosophy involved in waiting and how knowing this can in fact be a life-altering experience that has profound effects on reshaping one's moral integrity. What has been viewed as a negative experience is now seen as a positive opportunity to renew the mind of Christ in the believer. Perception and expectations are refocused dramatically. *A Hope-Filled Life* James R. Wilkes, 2021-03-02 Hope is part of the spiritual vocabulary of the believer in Jesus Christ. The word is found abundantly in the Scriptures. We speak of it in our testimonies and fellowship. We sing about it in our corporate worship. Yet it would seem at times that our concept of hope is understood in merely some vague way. Hope seems like an abstraction, something we consider only theoretically, not something that really matters or makes a difference.

However biblical hope is a gospel grace that provides joy and endurance for our lives right now A Hope Filled Life seeks to define biblical hope and provide a practical theology for understanding and applying it to our lives Hope is indeed not an optional add on but a vital necessity Embracing the many truths about hope in the Scriptures strengthens our hearts As we run the race set before us we must grow in our understanding that Jesus Christ is truly our great Savior and our sure and steadfast hope

**Jesus, Paul and Matthew, Volume One** Andries Van Aarde, 2020-03-17 This book is the first of two volumes arguing that kingdom ethics is the core substance of the message of the historical Jesus Paul and Matthew were influential voices in formative Christianity Some prominent exegetes have tended to contrast Jesus and Paul as well as Paul and Matthew This volume demonstrates that Jesus kingdom ethics based on divine wisdom mercy and justice originated in Stoic philosophy and that it became a popular ethos of the first century Graeco Roman world This common transformative ethos of crossing conventional boundaries regarding patriarchy gender injustice and bigotry based on class and sexuality was articulated differently by Jesus Paul and Matthew The book will appeal to specialists in the fields of New Testament scholarship and ancient Graeco Roman and Hellenistic Semitic literature

*Babel and the Ivory Tower* William David Shaw, Professor W David Shaw, 2005-01-01 Writing at the time of his retirement from an academia that after four decades has become unfamiliar Shaw English U of Toronto says in a society where book learning is an anomaly scholars must breach the citadel of computer wizards and technicians by combining their knowledge of books with the rebel s power to criticize authority the prophet s power to renew tradition and the poet s power to create a world that is no less true for being a vision He insists that scientists scholars and professional practitioners must learn from each other Annotation 2004 Book News Inc Portland OR booknews com

**Hidden** Justin Whitney, 2024-01-30 In this book Hidden God has given me a revelation about myself and the time we are in This book is an autobiography of my life as well as a commentary on the book of Romans but also revelations that God has given to my heart and spirit I hope you see God s illuminating light in my story as well as a comparison and parallel to the issues we face today

Christman,2022-10-18 In this Kierkegaardian reading of Mark s Gospel two of the most creative and passionate witnesses of Christ s gospel are brought together to mutually inform its superlative wonder Both writers winsomely revealed the nature of human existence in sin and the new life Jesus lived and made possible for all as the paradoxical God man They highlighted the single individual against the frenzied crowd in untruth driven by despair whether conscious or unconscious and vulnerable to enticing publicity and deceptive propaganda The entrenched societal systems unjustly determined for time and eternity who God favored or disfavored In dramatic contrast Mark and Kierkegaard both elucidated God s good news calling forth the highest and happy passion of faith capable of creating a new family unconstrained by the status quo of the established order s old wineskin In short through the gospel they powerfully challenged the system whether modern Christendom or its first century equivalent and did so by merely following Jesus out over 70 000 fathoms weathering demonic storms and overcoming dehumanizing societal bureaucracies set against them and humanity at large This Kierkegaardian reading of Mark reveals two kindred spirits after Christ s spirit demonstrating the redemptive love of God for all humanity centered in Christ **The Lutheran Theology of the Holy Spirit** Fred Perry Hall,2024-01-11 Questions about Lutherans and the Holy Spirit This book probes Lutheranism from Luther to the Formula of Concord 1517 1577 and presents a striking consistency regarding the Holy Spirit among Lutheran Reformers The Holy Spirit dominated Luther s writing not only in theology but in all aspects of living out God s will Six of the theologians researched in this book were also pastors dealing with enormous challenges from government interference war religious disputes and as Luther declared The rage of the devil The solution was not brilliant arguments or best practices The solution to a Christian s guilty conscience or lukewarm faith was not trying harder or doing good works Rather it was to confess failure to eliminate self dependence and to cry out to the Holy Spirit who alone is totally sufficient in every situation Theologians pastors missionaries Sunday school teachers workers and retirees moms and dads students and kids everyone is

powerless to accomplish anything in the kingdom of God Only the Holy Spirit is able to change hearts and meet needs He graciously responds to all who call Yes the work of the Holy Spirit and his power is Lutheran for Luther in the sixteenth century and for Lutherans today

**Preparing to Encounter God** Theodore Andoseh,1900 This compilation offers a unique perspective on encounters with God both on an individual and collective level as exemplified by the lives of Abraham Isaac Jacob and the people of Israel By delving into their personal journeys we uncover the distinct facets of God s identity as Father Son and Holy Spirit We explore direct and indirect forms of collective encounters by studying God s interactions with Israel Our quest to understand what it means to experience God s tangible presence led us to Scripture We wanted to know if such profound encounters were documented how individuals and communities prepared to meet and experience God and what ensued thereafter This daily journey unfolds during the 11th session of our annual 40 day Praise Prayer and Fasting Crusade It captures the essence of our fervent prayers for a tangible encounter with the Almighty during the Third World Convention of Christian Missionary Fellowship International As you immerse yourself in this life changing moment may the Lord abundantly bless your experience leading you to relive a profound encounter with the Lord [Colossians and Philemon](#)

Marianne Meyre Thompson,2005-11-02 Colossians and Philemon have traditionally been overshadowed by other New Testament texts thought to express Pauline theology more clearly In this notable commentary however Marianne Meyre Thompson shows how these two epistles provide a unique formulation of the gospel in terms of creation and reconciliation rather than justification by faith In Colossians she finds an overarching narrative of the Bible s grand creation redemption story and an important emphasis on the relationship between creation and Christology while her exploration of Philemon casts brighter light on the significance of Paul s familial metaphors for the church and the meaning of new humanity in Christ Throughout her work on these two epistles Thompson continually connects her insights to theological concerns making this volume an excellent addition to the Two Horizons series
