s ark away I wouldn't let him if I were you It isn't Noah's ark at all Sue explained We call the big automobile that we had such a long ride in the ark It looks a little like a Noah's ark but it's bigger and we can all get in it she added Oh exclaimed Sadie I thought Bunker meant he was going to take your little ark and all the wooden animals away she added Not this time said Bunker Blue Your father sent me up Bunny to get the big auto the ark as you call it It's got to be fixed and I'm to drive it to the shop over at East Milford That's why I came up Where's your mother I want to tell her I'm taking away the ark so she won't think some tramps or some gypsies have run off with it I'll call her Sue said while Bunny kept on brushing the tiny whittlings from his jacket and short trousers And there was a queer look on the face of Bunny Brown The Deep Nick Cutter,2024-12-10 A strange plague called the Gets is decimating humanity on a global scale It causes people to forget small things at first like where they left their keys then the not so small things like how to drive or the letters of the alphabet Then their bodies forget how to function involuntarily and there is no cure But now far below the surface of the Pacific Ocean deep in the Marianas Trench an heretofore unknown substance hailed as ambrosia has been discovered a universal healer from initial reports It may just be the key to a universal cure In order to study this phenomenon a special research lab the Trieste has been built eight miles under the sea's surface But now the station is incommunicado and it's up to a brave few to descend through the lightless fathoms in hopes of unraveling the mysteries lurking at those crushing depths **Gleanings in Bee Culture** ,1898 **Bunny Brown and His Sister Sue on Grandpa's Farm** Laura Lee Hope,2023-08-22 In Laura Lee Hope's Bunny Brown and His Sister Sue on Grandpa's Farm readers are transported to a charming tale set on a farm where the young siblings explore the wonders of nature and family Hope's clear and engaging writing style captures the innocence and curiosity of childhood while also offering subtle life lessons for young readers The book part of the Bunny Brown and His Sister Sue series is a classic example of early 20th century children's literature showcasing the values and adventures of that era Ideal for young readers or those interested in historical children's literature Laura Lee Hope's work continues to resonate with readers due to its timeless themes and relatable characters As a pseudonym for the Stratemeyer Syndicate the author's intent was to entertain and educate young readers with wholesome stories that promote family values and outdoor exploration Bunny Brown and His Sister Sue on Grandpa's Farm is a delightful read that will appeal to anyone nostalgic for simpler times or seeking a heartwarming story for children *Coast Calendar* Robert Coffin,2003-01-01 *Coast Calendar* says its Pulitzer Prize winning author is the story of the work and play the human nature and the weather the fauna and flora the ups and downs in a sample all around Maine family that mixes farming of the sea with farming of the land It is Robert P Tristram Coffin's delightful chronicle of a year on the Maine coast It is the world of coastal Maine but it is a wider world too Perhaps the deep frost and special swing of the stars and the sweep of the sea belong to Maine but the fine day to day detail of living in tune with the seasons and nature will stir memories for many of a way of life that is rapidly passing Rebert P Tristram Coffin was a descendant of the original English settlers of Maine and an acclaimed historian of his time He was also

loss of respect As the novelty of his material acquisition wears off and his discontent grows he subjects both Helen and Kaydee to unrelenting verbal and emotional abuse He exploits Helen s submissive nature and harnesses her to a life of hard labour resulting in two miscarriages This costs him further scorn from his neighbours until his ego can take the ridicule no more His irrational fury triggers a tragic accident and as he recuperates in a distant hospital he plots revenge on a family that he feels caused his distress and then betrayed him This poignant story relates perspectives from three generations about abuse at the hands of this cruel man
