## **In Search Of Ancient Alaska Evidence To Mysteries Of The Past:**

**Historical Dictionary of the Inuit** Pamela R. Stern, 2013-09-26 The Inuit do not represent a very large population only 160 000 or so spread over a very large portion of the Arctic region and located in four different countries Although they are a people there are many variations from one group to the next and any study of them must consider both similarities and differences The Historical Dictionary of the Inuit introduces us to the Inuit as they actually are and not as they have been traditionally pictured and some would still like to see them looking after their traditional chores and engaged in time honored practices but rather as a modern people trying to shape their worlds in their own interest This second edition includes an updated chronology as well as an introduction to provide a broader view of who the Inuit are where they live and what they do But it is the dictionary section that is most interesting with many new informative entries on persons places events and institutions shedding light not only on the culture but also on the society economy and politics For those seeking further information there is a considerably expanded bibliography This book is an excellent access point for students researchers and anyone wanting to know more about the Inuit

**The Extraordinary Book of Native American Lists** Arlene Hirschfelder, Paulette F. Molin, 2012-03-22 While Native Americans are perhaps the most studied people in our society they too often remain the least understood and visible Fictions and stereotypes predominate obscuring substantive and fascinating facts about Native societies The Extraordinary Book of Native American Lists works to remedy this problem by compiling fun unique and significant facts about Native groups into one volume complete with references to additional online and print resources In this volume readers can learn about Native figures from a diverse range of cultures and professions including award winning athletes authors filmmakers musicians and environmentalists Readers are introduced to Native U S senators Medal of Freedom winners Medal of Honor recipients Major League baseball players and U S Olympians as well as a U S vice president a NASA astronaut a National Book Award recipient and a Pulitzer Prize winner Other categories found in this book are History Stereotypes and Myths Tribal Government Federal Tribal Relations State Tribal Relations Native Lands and Environmental Issues Health Religion Economic Development Military Service and War Education Native Languages Science and Technology Food Visual Arts Literary and Performing Arts Film Music and Dance Print Radio and Television Sports and Games Exhibitions Pageants and Shows Alaska Natives Native Hawaiians Urban Indians Including further fascinating facts this wonderful resource will be a great addition not only to tribal libraries but to public and academic libraries individuals and scholars as well

**Circumpolar Health Atlas** T. Kue Young, Rajiv Rawat, 2012-01-01 Richly illustrated with maps charts tables and images this atlas includes overviews of the physical environment that influences human health cultures and languages of northern peoples health conditions of children and youth and health systems policies resources and services
