BLS And ACLS Surveys

ACLS draws heavily on Basic Life Support (BLS). In fact, it is assumed that all people who are pursuing ACLS will be competent in the techniques of BLS—so much so that it is considered a prerequisite to ACLS.

The first step in any resuscitation is to make sure the rescuers (you!) and the victim are safe. Therefore, if your victim is in the middle of the highway or in a burning building, the first step is to move the victim to safety.

Assuming you and the victim are in a safe location, the next step is to assess whether the patient is responsive.

*If patient is not responsive, move to BLS survey.
If patient is responsive, move to ACLS survey.*

The BLS Survey

The BLS Survey	
1. Responsive?	Shake and Shout! Don't be afraid to make noise. Check for effective breathing for 5 to 10 seconds.
2. Activate EMS/Call Code	In the hospital, you can call a "code" and send someone to get a defibrillator. In the community, call 911 and send for an AED.

 Chairman Mao Tse tung is a book of statements from speeches and writings by Mao Zedong Mao Tse tung the former
 Chairman of the Communist Party of China published from 1964 to about 1976 and widely distributed during the Cultural

 covers becoming commonly known in the West as the Little Red Book Quotations from Chairman Mao Tse tung was originally
 compiled by an office of the PLA Daily People s Liberation Army Daily as an inspirational political and military document The
 initial publication covered 23 topics with 200 selected quotations by the Chairman of the Chinese Communist Party and was
 entitled 200 Quotations from Chairman Mao It was first given to delegates of a conference on 5 January 1964 who were
 asked to comment on it In response to the views of the deputies and compilers of the book the work was expanded to address

 This book focuses on women s participation in the Moravian Church during the eighteenth century focusing on the

populations in the Caribbean It argues that white women missionaries and Black women converts played a crucial role in the history of its religious movement as the Church shifted from an ethnically German organization to a form of Black Atlantic Christianity **American Studies International** ,1976 The Eighteenth Century ,1986 **Newsletter of the Society for Spanish and Portuguese Historical Studies** ,1970 *Annual Report* American Council of Learned Societies,2000

Populist Nationalism in Europe and the Americas Fernando López-Alves,Diane E. Johnson,2018-10-10 Populist nationalism fuses beliefs that citizens are being exploited by a privileged elite with claims that the national culture and interests are under threat from enemies within or without Ideologically fluid populist nationalists decry out of touch institutions such as political parties and the mainstream press while extolling the virtues of the people They claim that only populists can truly represent the nation and solve its problems and often call for unorthodox solutions that appeal to the common people The recent spread of populist nationalism throughout the world has triggered a growing interest in the subject led mainly by journalists The Brexit vote and the election of Donald Trump in the US have provoked a flurry of media coverage in Europe and the Americas along with parliamentary debates Some social scientists have sought to explain the resurgence of nationalism and the spread of populism in recent decades but important questions remain and most of the scholarship has not adequately addressed the fusion of nationalism and populism It fails to examine the combination of populism and nationalism comparatively especially the contrast between the more progressive and leftist versions such as those in Latin America and the more traditional conservative varieties that are gaining strength in Germany the United Kingdom and the United States This interdisciplinary collection by experts on Europe and the Americas fills this void The volume examines various experiences with populist nationalism and offers theoretical tools to assess its future Some chapters are in depth country case studies and others take a broader perspective but all open the door for meaningful comparison
