The Strange Affair Of Spring Heeled Jack Burton Swinburne 1 By Mark Hodder

Justin D. Edwards

The Strange Affair Of Spring Heeled Jack Burton Swinburne 1 By Mark Hodder:

The Strange Affair of Spring Heeled Jack Mark Hodder, 2010-09-15 London 1861 Sir Richard Francis Burton explorer linguist scholar and swordsman his reputation tarnished his career in tatters his former partner missing and probably dead Algernon Charles Swinburne unsuccessful poet and follower of de Sade for whom pain is pleasure and brandy is ruin Their investigations lead them to one of the defining events of the age and the terrifying possibility that the world they inhabit shouldn't exist at all

The Palgrave Handbook of Steam Age Gothic Clive Bloom, 2021-02-03 By the early 1830s the old school of Gothic literature was exhausted Late Romanticism emphasising as it did the uncertainties of personality and imagination gave it a new lease of life Gothic the literature of disturbance and uncertainty now produced works that reflected domestic fears sexual crimes drug filled hallucinations the terrible secrets of middle class marriage imperial horror at alien invasion occult demonism and the insanity of psychopaths It was from the 1830s onwards that the old gothic castle gave way to the country house drawing room the dungeon was displaced by the sewers of the city and the villains of early novels became the familiar figures of Dr Jekyll and Mr Hyde Dracula Dorian Grey and Jack the Ripper After the death of Prince Albert 1861 the Gothic became darker more morbid obsessed with demonic lovers blood sucking ghouls blood stained murderers and deranged doctors Whilst the gothic architecture of the Houses of Parliament and the new Puginesque churches upheld a Victorian ideal of sobriety Christianity and imperial destiny Gothic literature filled these new spaces with a dread that spread like a plague to America France Germany and even Russia From 1830 to 1914 the period covered by this volume we saw the emergence of the greats of Gothic literature and the supernatural from Edgar Allan Poe to Emily Bronte from Sheridan Le Fanu to Bram Stoker and Robert Louis Stevenson Contributors also examine the fin de siècle dreamers of decadence such as Arthur Machen M P Shiel and Vernon Lee and their obsession with the occult folklore spiritualism revenants ghostly apparitions and cosmic annihilation This volume explores the period through the prism of architectural history urban studies feminism hauntology and much more Horror as Poe teaches us is the soul of the plot

Gender and Sexuality in Contemporary Popular Fantasy Jude Roberts, Esther MacCallum-Stewart, 2016-06-03 This book explores the ways in which contemporary writers artists directors producers and fans use the opportunities offered by popular fantasy to exceed or challenge norms of gender and sexuality focusing on a range of media including television episodes and series films video games and multi player online role play games novels and short stories comics manga and graphic novels and board games Engaging directly with an enormously successful popular genre which is often overlooked by literary and cultural criticism contributors pay close attention to the ways in which the producers of fantasy texts whether visual game cinematic graphic or literary texts are able to play with gender and sexuality to challenge and disrupt received notions and to allow and encourage their audiences to imagine ways of being outside of the constitutive constraints of socialized gender and sexual identity With rich case studies from the US Australia UK Japan and Europe all concentrating not on the critique of

fantasy texts which duplicate or reinforce existing prejudices about gender and sexuality but on examining the exploration of or attempt to make possible non normative gendered and sexual identities this volume will appeal to scholars across the social sciences and humanities with interests in popular culture fantasy media studies and gender and sexualities **The Albino's Secret** Michael Moorcock, Mark Hodder, 2025-10-14 Embark on a thrilling alternate historical mystery with Sir Seaton Begg and Doctor Sinclair as they chase the enigmatic Red King assassin through the streets of Istanbul perfect for fans of Sherlock Holmes and Doctor Who Sent undercover by Britain's famed yet clandestine Temporal Agency to Istanbul Detective Sir Seaton Begg and Doctor Sinclair are on the hunt for the Red King the leader of a secretive group of assassins who are plotting to change the shape of the world At the same time the nascent Nazi forces are also in Istanbul for their own reasons Begg and Philips are thrust into a city that is in transition from the ancient to the modern reflecting the state of the world in the early 1930s and they are hard pressed on all sides by assassins and betrayals Yet one ally has emerged an enemy from the past the dreaded albino Monsieur Zenith Begg's nemesis Michael Moorcock hailed as one of the fifty greatest British writers since 1945 by Time brings his masterful storytelling to this gripping tale weaving elements of fantasy action and adventure into a thrilling tapestry **The Albino's Secret** is a must read for those who revel in the thrill of the chase and the allure of the unknown **The Return of the Discontinued Man** Mark Hodder, 2020-04-02 Burton and Swinburne return in a new wildly imaginative steampunk adventure and this time they're facing their greatest foe Leicester Square London Blood red snow falls from the sky and a strange creature disorientated and apparently insane materialises out of thin air Spring Heeled Jack has returned and he is intent on one thing hunting Sir Richard Francis Burton Burton is experiencing one hallucination after another visions of parallel realities and future history plague his every thought These send him and his companions on an unimaginable expedition a voyage through time itself *Expedition to the Mountains of the Moon* Mark Hodder, 2012-01-10 It is 1863 but not the one it should be Time has veered wildly off course and now the first moves are being made that will lead to a devastating world war and the fall of the British Empire Caught in a tangled web of cause effect and inevitability little does Burton realize that the stakes are far higher than even he suspects A final confrontation comes in the mist shrouded Mountains of the Moon in war torn Africa of 1914 and in Green Park London where in the year 1840 Burton must face the man responsible for altering time Spring Heeled Jack Burton and Swinburne's third adventure is filled with eccentric steam driven technology grotesque characters and bizarre events completing the three volume story arc begun in *The Strange Affair of Spring Heeled Jack* and *The Curious Case of the Clockwork Man* From the Trade Paperback edition **Technologies of the Gothic in Literature and Culture** Justin D. Edwards, 2015-02-11 This volume a collection with contributions from some of the major scholars of the Gothic in literature and culture reflects on how recent Gothic studies have foregrounded a plethora of technologies associated with Gothic literary and cultural production The engaging essays look into the links between technologies and the proliferation of the Gothic seen in an excess of Gothic texts and

tropes Frankensteinesque experiments the manufacture of synthetic true blood Moreauesque hybrids the power of the Borg
 Dr Jekyll s chemical experimentations the machinery of Steampunk or the corporeal modifications of Edward Scissorhands
 Further they explore how techno science has contributed to the proliferation of the Gothic Gothic in social media digital
 technologies the on line gaming and virtual Goth ic communities the special effects of Gothic horror cinema Contributors
 address how Gothic technologies have in a general sense produced and perpetuated ideologies and influenced the politics of
 cultural practice asking significant questions How has the technology of the Gothic contributed to the writing of self and
 other How have Gothic technologies been gendered sexualized encrypted coded or de coded How has the Gothic manifested
 itself in new technologies across diverse geographical locations This volume explores how Gothic technologies textualize
 identities and construct communities within a complex network of power relations in local national transnational and global
 contexts It will be of interest to scholars of the literary Gothic extending beyond to include fascinating interventions into the
 areas of cultural studies popular culture science fiction film and TV [Talking Book Topics](#) ,2012 **Spring Man** Petr
 Janecek,2022-10-31 Spring Man A Belief Legend between Folklore and Popular Culture deconstructs the nationalistic myth of
 Spring Man that was created after the Second World War in visual culture and literature and presents his original form as an
 ambiguous ghostly denizen of oral culture Petr Janecek analyzes the archetypal character social context and cultural
 significance of this fascinating phenomenon with the help of dozens of accounts provided by period eyewitnesses oral
 narratives and other sources At the same time the author illustrates the international origin of the tales in the originally
 British migratory legend of Spring heeled Jack that reaches back to the second third of the nineteenth century and Janecek
 also draws parallels between the Czech myth of Spring Man and similar urban phantom narratives popular in the 1910s
 Russia 1940s United States and Slovakia and 1950s Germany as well as other parts of the world [Talking Book Topics](#) 500 [Talking Book Topics](#)
