The Thin Man By Dashiell Hammett:

The Thin Man Dashiell Hammett, 2021-08-31 In the novel *The Thin Man* by Dashiell Hammett we are transported to the atmospheric streets of 1932 New York City during the final days of Prohibition. Meet Nick Charles, a former detective and his sophisticated wife Nora, as they become entangled in a web of mystery and murder. When a shooting and a series of shocking revelations unfold, Nick is reluctantly drawn back into the world of crime solving. With the help of his old friend Lieutenant Guild, Nick uncovers a labyrinth of deceit, secret identities, and hidden motives. The Thin Man Novel by Dashiell Hammett Dashiell Hammett, 1934 The story is set in New York City in December 1932, in the last days of Prohibition. The main characters are a former private detective Nick Charles and Nora, his clever young wife. Nick, son of a Greek immigrant, has given up his career since marrying Nora, a wealthy socialite, and he spends most of his time cheerfully getting drunk in hotel rooms and speakeasies. Nick and Nora have no children, but they own a female Schnauzer named Asta. In the film adaptation, Asta is a male wire-haired fox terrier. Charles is drawn mostly against his will into investigating a murder. The case brings them in contact with the Wynants, a rather grotesque family, and with various policemen and lowlifes. As they attempt to solve the case, Nick and Nora share a great deal of banter and witty dialogue along with copious amounts of alcohol. **Before the Thin Man** Christopher Allen, 2018-07-11 *Before the Thin Man* is a prequel to Dashiell Hammett's *The Thin Man*. It is set in 1928, to the original work based on the characters created by Dashiell Hammett in 1933. His book was published in 1934 and soon afterward made into the hit movie of the same name starring William Powell and Myrna Loy as Nick and Nora Charles. The movie was so popular that five more movies starring the same lead actors were made in the following thirteen years. The final movie, *Song of the Thin Man*, was released August 28, 1947. This story shows who Nick and Nora are, where they came from, and how they met to go on to become the iconic detective couple created by Dashiell Hammett. The Thin Man Albert Hackett, Frances Goodrich, 1934 **Return of the Thin Man** Dashiell Hammett, 2018-11-20 This first unabridged appearance of two Nick and Nora Charles novellas by Hammett should be an occasion for delight, and it is. *The Wall Street Journal* Dashiell Hammett was a crime writer who elevated the genre to true literature, and *The Thin Man* was Hammett's last and most successful novel. Following the enormous success of *The Thin Man* movie in 1934, Hammett was commissioned to write stories for additional films. He wrote two full-length novellas for the films that became *After the Thin Man* and *Another Thin Man*. Bringing back his classic characters, retired private investigator Nick Charles and his former debutante wife Nora, who return home to find Nora's family gardener murdered, pulling the couple back into another deadly game of cat and mouse. Hammett has written two fully satisfying *Thin Man* stories with classic barbed Hammett dialogue and fully developed characters. Written in the style of a screenplay treatment, *The Return of the Thin Man* is a hugely entertaining read that brings back two classic characters from one of the greatest mystery writers who ever lived. This book is destined to become essential reading for Hammett's millions of fans and a new generation of mystery

Dashiell Hammett and the Movies William H. Mooney, 2014-11-03 As the father of the hardboiled detective genre Dashiell Hammett had a huge influence on Hollywood Yet it is easy to forget how adaptable Hammett's work was fitting into a variety of genres and inspiring generations of filmmakers Dashiell Hammett and the Movies offers the first comprehensive look at Hammett's broad oeuvre and how it was adapted into films from the 1930s all the way into the 1990s Film scholar William H Mooney reveals the wide range of films crafted from the same Hammett novels as when *The Maltese Falcon* was filmed first as a pre Code sexploitation movie then as a Bette Davis screwball comedy and finally as the Humphrey Bogart classic He also considers how Hammett rose to Hollywood fame not through the genre most associated with him but through a much fizzier concoction the witty murder mystery *The Thin Man* To demonstrate the hold Hammett still has over contemporary filmmakers the book culminates in an examination of the Coen brothers' pastiche *Miller's Crossing* Mooney not only provides us with an in depth analysis of Hammett adaptations he also chronicles how Hollywood enabled the author's own rise to stardom complete with a celebrity romance and a carefully crafted public persona Giving us a behind the scenes look at the complex power relationships cultural contexts and production concerns involved in bringing Hammett's work from the page to the screen Dashiell Hammett and the Movies offers a fresh take on a literary titan
