and Resources Index **Transforming Children Into Spiritual Champions** George Barna, 2003-11-21 No one can deny that our culture is opposed to Christian values and the influences bombarding our children's moral development can be deadly. But few parents and church leaders realize how critical it is to start developing a child's biblical worldview from the very earliest years of life. The problem is complex: parents who themselves did not receive early spiritual training leave their children's training to the church. Yet the church often focuses on older children, not realizing that a child's moral development is set by the age of nine. The answer is for churches to recognize the need to come alongside parents to provide them biblical worldview training, parenting information, counseling, etc. that will equip them to help their children become the spiritually mature Church of tomorrow. Profiles presented of churches who are effectively ministering to children and winning the war our enemy is waging against them. Research-oriented books on childhood spiritual development: *Raising Heaven-Bound Kids in a Hell-Bent World* by Eastman Curtis; *What Your Kids Need to Know About God and When* by John Trent; *Introducing the Spiritual Side of Parenting* by Ron Clarkson; *Bringing Up Boys* by James Dobson. [A Family Living Under the Sahara Sun](#) Ruth Long, 2011-07-07 Here we have the story of a father and mother who went to Niger, West Africa, with two small children in 1950 and over the next nine years had four more children. Roland was number one, Lance followed, and then there were Cheryl, John, Suzanne, and Pamela. All six children were raised on the southern edge of the Sahara desert with dad and mom. Dr. Burt and Ruth Long, Galmi, Niger, West Africa, was their home. One by one they left to go to our SIM missionary kids school in Jos, Nigeria, but always came home to Galmi for the holidays. Dr. Long was the founder and first doctor of the Galmi Hospital in Niger. You will read about early struggles and later victories. The text was taken from letters sent home to family and kept by Ruth's sister Frances, who saved them all and returned them to us when we retired. The last few chapters deal with our return trips to West Africa in our retirement years. There were two trips to ELWA, Liberia; one trip to Chad; three trips to Nigeria; and three trips back home to Galmi, Niger. [The Successful Homeschool Family Handbook](#) Raymond S. Moore, Raymond Moore, Dorothy Moore, 1994 A creative and stress-free approach to homeschooling. **The Covenant Divorce Recovery Leader's Handbook** Wade Powers, 2008-03 This handbook's viable tools treat divorce like a death without a funeral that forces a person to come to grips with the denial, anger, and guilt that modern divorce dishes out. The work is an epiphany for many and a valuable tool in righting one's relationships with God and others. Christian. *Home Schooling 101* Mark Field, Christine M. After waking from a coma following a car crash, Beverly Thornton's

once sweet and gentle disposition had been replaced by violent mood swings profanity laced tirades and uncontrollable fits of rage Inside the Thornton house floors and countertops were piled high with dirty laundry and garbage because Bev was unable to move well enough to clean Dinners were a Russian roulette of half cooked meat spoiled milk and foods well past their expiration dates A moment of frustration might prompt her to hurl a knife at Shawn his brother Troy or their dad or to vehemently cuss them out only to shower them with love and affection moments later as though nothing had happened And God help the family cat On several occasions Bev even tried to jump out of the car on the highway while Shawn and his brother struggled to keep her inside Yet this same woman was also a devoted Bible reader Sunday school teacher and friend to the elderly poor and marginalized wherever she went How the same woman could be a saint one minute and a nightmare the next was a constant source of frustration for the family Then one day after decades of embarrassing outbursts a surprise discovery finally helps the Thornton family come to grips with Bev s mysterious condition and brings Shawn to a startling realization that changes the course of his life forever A heartwarming coming of age story All But Normal is a powerful reminder that sometimes the broken people in our lives are the ones who need fixing the least **Ulrich's International**

Periodicals Directory Carolyn Farquhar Ulrich,1994 **Buyer Beware** Janet Parshall,2012-09-01 Have you ever thought why it is that so many Christians are reticent to enter into the marketplace of ideas Jesus commanded us to go into the world to deliver His message of truth delivered in love But He never said it would easy In Buyer Beware Janet Parshall takes the reader on a journey through the public square where ideas are bought and sold but where Truth is sometimes difficult to find She examines some of the most controversial issues being debated in our culture today by looking at them through the lens of Scripture Using the prophet Jeremiah s instructive letter to the exiles held in Babylonian captivity Parshall shows how a people held captive in a sin sick fallen world can live abundantly and triumphantly by loving God s truth and by boldly declaring it in the public square Buyer Beware is designed to encourage modern day saints as they enter the marketplace by helping them discover the richness of God s word and the poverty of the world s message *The Brainy Bunch* Kip
