The Spurs Alphabet Bob Goodwin, 2017 A complete record of every player to have made a first team appearance for Tottenham Hotspur Football Club

The Revolutionary Road to Me Chetan Bhatt, 2024-12-03 How can the left be credible when it can't decide what a woman is How can antiracists fight for equality if they promote fictions about race If identity politics is the answer why are so many Western left organizations being damaged by it As the culture wars rage this compelling book examines why much of the Western political left has foundered because of identity politics Identity issues have mired many good organizations in intractable conflicts and deflected them from their purpose In ignoring poverty and inequality the Western left has lost its way Meanwhile powerful social movements from the past black women's gay and lesbian are reduced to corporate slogans

Attuned to the needs of activists and academics this book offers intelligent explanations for how we got here It examines serious problems with antiracism transgender rights activism and the work of LGBTQ groups In showing how identities are outcomes of social and institutional forces it argues that technofinancial capitalism uses identity politics to mould new labour processes for the Western middle class while accelerating economic inequality Clearing a path through the vagaries of identity politics the book offers arguments the Western left must face amidst formidable far right and right wing authoritarianism climate emergency and severe inequalities

The South African Tradition of Racial Capitalism

Zachary Levenson, Marcel Paret, 2024-06-28 This book documents the emergence and development of the theory of racial capitalism in apartheid South Africa It interrogates the specificity of this theory in the South African context and draws lessons for its global applicability Racism and capitalism have a long history of entanglement Nowhere is this more evident than in South Africa where colonial and apartheid regimes used explicit systems of racial hierarchy to shore up profit It is therefore no surprise that South Africa has represented a key site for thinking about the role that racism plays in shaping state policy labor markets patterns of capital accumulation and working class struggle Illuminating these dynamics this volume develops a distinctive South African tradition of thought about the relationship between racism and capitalism The South African Tradition of Racial Capitalism contributes to a burgeoning literature on the concept of racial capitalism the origins of which many commentators trace back to apartheid South Africa It pays particular attention to the crucial role of anti apartheid activists as theorists whose important insights remain relevant for scholars and activists around the globe This book was originally published as a special issue of Ethnic and Racial Studies
