Bakari, Yahya Hamad Sheikh, 2023-06-29 This book constitutes the refereed proceedings of the 14th EAI International Conference on Towards new e Infrastructure and e Services for Developing Countries AFRICOMM 2022 which was held in Zanzibar Tanzania in December 2022 The 30 papers presented in this volume were carefully reviewed and selected from 78 submissions The papers are organized in the following topical sections E infrastructure E Services Farming E Services Health E Services Social E Services Education and Advanced ICT      **Law and Development** Yong-Shik Lee, 2022-01-31 The book examines the theory and practice of law and development It introduces the General Theory of Law and Development an innovative approach which explains the mechanisms by which law impacts development This book analyzes the process of economic development in South Korea South Africa and the United States from legal and institutional perspectives The book also explains why the concept of development is not only relevant to developing countries but to developed economies as well The new edition includes five new chapters addressing the relationships between law and economic development in several key areas including property rights political governance business transactions state industrial promotion and international trade and development      **Globalization and Marginalization in Mountain Regions** Raghubir Chand, Walter Leimgruber, 2016-06-14 This book looks at the global importance of mountain systems emphasizing their ecological and socio economic role in light of climate change and globalization With a special focus on the Himalayas it also examines the Czech

German Austrian mountain borderland the Alps the Andes the highland regions of Malaysia and the Arctic The contributors specialists in their fields all use an integrative approach that develops and argues the concept of mountain regions as a global common good Readers also discover that mountain systems and mountain communities are often marginalized and left behind by the process of globalization Case studies throughout detail the effects of climate change and global warming on both nature and local regional societies such as declining water supplies a shifting vegetation line and other important issues facing not only mountains but also the vast regions depending on them In addition the comprehensive coverage offers authenticated viewpoints from some of the most eminent explorers of Tibet in the nineteenth century More than 50 percent of the global human population draws benefits directly or indirectly from mountain resources and services This book provides practitioners researchers students and other interested readers with a compelling look at the global importance of this imposing yet sensitive ecosystem

**True to Their Salt** Rob Johnson, 2017-10-12 In the last decade an Iraqi Army and an Afghan National Army were created entirely from scratch the founding of which was deemed to be a crucial measure for the establishment of security and the withdrawal of Western forces from Iraq and Afghanistan Raising new armies is always problematic especially during an insurgency but doing so outside the sovereignty of one's own state raises questions of legality concerns about their conduct and the risk of an over empowered local military The recruitment of proxies including former insurgents or the arming of local fighters and auxiliaries levies and militias may also exacerbate an internal security situation In seeking answers to this conundrum Rob Johnson turns to history His book sets out how recruitment of local auxiliaries was an essential component of European colonialism and how in the transfer of power and security at the end of that colonial era the raising of local forces using existing Western models became the norm He then offers a comprehensive survey of the post colonial legacy particularly the recent utilisation of surrogates and auxiliaries the work of embedded training teams and mentoring

The Top Books of the Year Apply University Online Kmtc The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have enthralled audiences this year.

**The Must-Read : Colleen Hoover "It Ends with Us"** This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed.

**Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo"** This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery.

**Discover the Magic : Delia Owens "Where the Crawdads Sing"** This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting.

These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered.

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
