

Apprenticeship ERR Workbook

Employee Rights and Responsibilities

Welcome and Introduction

Dear apprentice,

Both employers and employees have a range of statutory rights and responsibilities under Employment Law. It is important that every employee understands his or her rights and responsibilities in the workplace. This workbook will guide you through legislation you should know and covers the nine national outcomes required.

You will learn about topics such as contracts of employment, equality and diversity, sick pay, holiday entitlements, health and safety, data protection and career development.

The information you learn will be useful for the rest of your career, regardless of the role, sector, or industry you find yourself in.

Your employer and training provider or local college will support you in the completion of this workbook as part of your apprenticeship programme.

Good luck!
