2011 Report On Technical Barriers To Trade:

2011 Report on Technical Barriers to Trade Office of the United States Trade Representative, 2015-03-28

This year the Office of the United States Trade Representative USTR publishes its second annual Report on Technical Barriers to Trade TBT Report This report was created to respond to the concerns of U S companies farmers ranchers and manufacturers which increasingly encounter non tariff trade barriers in the form of product standards testing requirements and other technical requirements as they seek to sell products and services around the world As tariff barriers to industrial and agricultural trade have fallen standards related measures of this kind have emerged as a primary concern Governments market participants and other entities can use standards related measures as an effective and efficient means of achieving legitimate commercial and policy objectives But when standards related measures are outdated overly burdensome discriminatory or otherwise inappropriate these measures can reduce competition stifle innovation and create unnecessary technical barriers to trade These kinds of measures can pose a particular problem for SMEs which often do not have the resources to address these problems on their own USTR is committed to identifying and combating unwarranted technical barriers to U S exports many of which are detailed in this report USTR s efforts to prevent and remove foreign technical barriers serve the President s goal of doubling U S exports by the end of 2014 through the National Export Initiative Since the last TBT Report was released the United States has launched new initiatives to promote greater international cooperation among regulatory authorities trade officials and standards experts to prevent the emergence of unjustifiable barriers to U S exports We have made progress for example in encouraging our trading partners to address unwarranted or burdensome technical regulations through the U S EU High Level Regulatory Cooperation Forum the U S Mexico High Level Regulatory Cooperation Council the U S Canada Regulatory Cooperation Council and other fora We have also taken successful steps to eliminate or reduce specific foreign barriers to U S exports such as Indonesias rules limiting U S poultry and meat imports and Mexicos nutrition labeling requirements that impeded exports of American pre packaged foods among others This year USTR will continue to work with other agencies of the U S Government as well as interested stakeholders to encourage U S trading partners to remove their unwarranted or overly burdensome technical barriers As always we will engage all available bilateral regional and multilateral contexts in our efforts to dismantle unjustifiable barriers to safe high quality U S industrial consumer and agricultural exports and strengthen the rules based trading system For example in our capacity as host of the Asia Pacific Economic Cooperation APEC forum in 2011 the United States has made cross border regulatory cooperation and convergence a top priority for action We look forward to making further progress on behalf of American manufacturers workers farmers ranchers and service providers as well as families who depend on trade supported American jobs
