her a place as a trainee in an exclusive BDSM club with the powerful Shadowlands Masters Andrea's thrilled and terrified. Forced to accept an unknown submissive into his carefully run trainee program Master Cullen is furious. Not only is the young woman new to BDSM but she's unsuited to her role: armoured in leather like a Domme, she's more liable to punch a Dom than kneel. He decides to push her right back out the door. But as he ruthlessly intimidates her, punishes her, then cuddles her, his glimpses of the woman inside the emotional armour intrigue him, and her utter surrender captures his heart. Although Master Cullen is famous for his unfettered lifestyle, Andrea believes he might be interested in her until she discovers he's not just a bartender, he's a cop. Maybe he'd overlook her past brush with the law, but when another trainee accuses her of stealing money, Andrea knows she's lost the Master she wanted with all her heart.

If you've not experienced the fantastic work of Cherise Sinclair, now's a good time to start Whipped Cream Reviews. In the exclusive Shadowlands BDSM club, the title Master is given to only the most powerful, experienced, and skilled Dominants. However, although each Master may have played with many many submissives, no training can prepare a Dom for falling in love. This is a fabulous series. It's erotic, it's romantic, has wonderfully suspenseful plots, and amazing characters, including so many yummy sexy alpha men.

The Romance Reviews: Each book in the Masters of the Shadowlands series is a standalone story that can be enjoyed out of order. Dark Citadel Cherise Sinclair, 2013-04-13

Cherise Sinclair has written a highly erotic, emotional roller coaster story that drew me in and held me captive throughout. The story, *Fallen Angel*, reviews the book description: After Kari breaks up with her date during Beginner's Night at Club Shadowlands, she's given the option to continue with an experienced dominant. Despite her steamy fantasies about BDSM, the inexperienced schoolteacher plans to simply observe. Yet under the unyielding hands of Master Dan, she not only participates but gives him everything he asks for. There is nothing she can hide from him: Not her passion or her love. Still mourning the death of his wife, Master Dan avoids getting involved with women and he never takes a sub twice. But this modest little beginner is such a sweetie, one night is far from enough. As he plumbs her responses, taking her ever deeper into the world of BDSM, the gentle submissive begins to show him how barren his life has become, and what a dark citadel he's made of his heart. During their three nights together, the teacher will learn to submit; can she teach the master to love?

PRAISE FOR DARK CITADEL: It's amazing to me how some authors, in just a few pages, can suck you so far into a story you come out the other end feeling like you just ran a marathon. For me, Ms Sinclair is one of those authors. She takes you into a world that not a lot of us really know that much about, and the way that she describes and walks you through it makes you feel like you are there. She has become
