## **Rock Springs By Richard Ford:**

Rock Springs Richard Ford, 2006-10-02 Ten stories from the Pulitzer Prize winning author of Independence Day

**Richard Ford**, 1996 *Richard Ford and the Fiction of Masculinities* Josep M. Armengol, 2010 Richard Ford and the Fiction of Masculinities demonstrates how contemporary U S novelist Richard Ford winner of the Pulitzer Prize for literature rewrites gender and in particular masculinity from highly subversive and innovative perspectives Josep M Armengol analyzes the construction as well as the de construction of masculinity in all of Ford s major fictional texts to date ranging from A Piece of My Heart to The Sportswriter to The Lay of the Land Given its simultaneous critique of traditional masculinity and its depiction of alternative models of being a man Ford s fiction is shown to be particularly interesting from a men s studies perspective which aims not only to undermine patriarchal masculinity but also to look for new non hierarchical and more egalitarian models of being a man in contemporary U S culture and literature By framing Ford s contemporary representations of masculinity within a more general context of American literature this book reveals how his texts continue along a trajectory of earlier American fiction while they also re examine masculinity in new more complex ways Richard Ford and the Fiction of Masculinities contributes to the much needed revision of men and masculinities in U S literature and especially Richard Ford s fiction where constructions of gender and masculinity remain paradoxically enough largely unexplored

**Discussion Notes on Richard Ford's Rock Springs** Alan Wearne, 1993 **Conversations with Richard Ford** Huey Guagliardo, 2001 Interviews with the Pulitzer Prize winning author of The Sportswriter and Independence Day

**Perspectives on Richard Ford** Huey Guagliardo, 2010-01-06 At a time when Richard Ford was considering giving up writing fiction suddenly he was hailed in Newsweek as one of the best writers of his generation Then Ford s The Sportswriter 1986 the story of suburbanite Frank Bascombe s struggle to survive loneliness and great loss was published to great acclaim Its sequel Independence Day 1995 was the first novel to win both the Pulitzer Prize and the PEN Faulkner Award With three other novels a well received volume of short stories and a trilogy of novellas to his credit Ford was firmly established as a major literary figure The nine essays in this volume demonstrate that Ford like few other writers of his time powerfully depicts what it feels like to live in the secular late twentieth century world a dangerous and uncertain place where human relationships are impoverished and human existence is empty and alienated Perspectives on Richard Ford the first book length examination of Richard Ford s fiction is a reader s essential companion for studying the works of one of America s most outstanding contemporary writers

The Columbia Companion to the Twentieth-Century American Short Story Blanche H. Gelfant, 2004-04-21

Esteemed critic Blanche Gelfant's brilliant companion gathers together lucid essays on major writers and themes by some of the best literary critics in the United States. Part 1 is comprised of articles on stories that share a particular theme such as Working Class Stories or Gay and Lesbian Stories. The heart of the book however lies in Part 2 which contains more than one hundred pieces on individual writers and their work including Fitzgerald, Hemingway, Richard Ford, Raymond Carver, Eudora Welty, Andre Debus, Zora Neal Hurston, Anne Beattie, Bharati Mukherjee, J. D. Salinger and Jamaica Kincaid as well as engaging pieces on the promising new writers to come on the scene.

**Morality, Identity and Narrative in the Fiction of Richard Ford** Brian Duffy, 2008-01-01. Morality, Identity and Narrative in the Fiction of Richard Ford is only the second monograph on the work of Richard Ford and the only one to deal with all three Frank Bascombe novels. The book offers comprehensive readings of the trilogy and the stories of *Women with Men* and *A Multitude of Sins*, thus bringing critical work on Ford up to date. Richard Ford insists that fiction contain a moral vision and this study takes up that challenge by investigating Ford's characters through the interconnections of morality, identity and narrative. It draws on the moral theories of Alasdair MacIntyre and Charles Taylor and on the work on narrative and identity of French philosopher Paul Ricoeur. But it also explores in detail the portrait of contemporary American society and culture offered in the trilogy, analysing the individualism, exclusionary independence and laissez faire principles of Independence Day and the consumerism, sectionalism, self-absorption, enervation and violence of *The Lay of the Land*. This study traces the emerging vision in the trilogy of America as an atomized society in a state of disharmony and fear and as a culture casting around for meaning, identity and spiritual peace. The book also contains an extensive recent interview with Richard Ford.

**Rock Springs, Richard Ford** Jane Tibby, 2004. *Rock Springs* Richard Ford, 2004-01-01. Diez narraciones ambientadas en Montana, un lugar semisalvaje, un paisaje frío e inhóspito, el desconocido corazón de una América periférica. En este contexto solitario se mueven los personajes, vidas a la deriva, gente fracasada bordeando el abismo. Las...

Richard Ford Elinor Walker, 2000. This book presents information on Richard Ford's life and critical commentary on his writings.

Postmodern Philosophy and Christian Thought Merold Westphal, 1999-11-22. Are postmodern philosophy and Christian thought so diametrically opposed that never the twain shall meet? Or are various postmodern philosophies, in spite of their secular provenance, open to religious appropriation? These thirteen lively original essays awaken secular postmodernisms and various modes of Christian thinking from their ideological complacency. An open space for passionate dialogue emerges from conversations that powerfully engage both intellectual and religious points of view.

Richard Ford and the Ends of Realism Ian McGuire, 2015-06. An original exploration of the work of writer Richard Ford in the context of its place within contemporary debates about the possible role, meaning of and value of literary realism in a postmodern age.

**Still Wild** Larry McMurtry, 2012-04-24. Larry McMurtry, the preeminent chronicler of the American West, celebrates the best of contemporary Western short fiction, introducing a stellar collection of twenty stories that represent in various ways the coming of age of the legendary American frontier. Featuring a

veritable Who's Who of the century's most distinctive writers this collection effectively departs from the standard superstars of the Western genre. McMurtry has chosen a refreshing range of work that when taken as a whole depicts the evolution and maturation of Western writing over several decades. The featured tales are not so concerned with the American West of history and geography as they are with the American West of the imagination, one that is alternately comic, gritty, individual, searing, and complex. Including authors such as Jack Kerouac, Wallace Stegner, Raymond Carver, Annie Proulx, and Diana Ossana, this collection captures the real Western canon like no other.

**Vintage Ford** Richard Ford, 2004. An introduction to the work of Pulitzer Prize winner Richard Ford includes excerpts from the novels *The Sportswriter*, *Independence Day*, and *Piece of My Heart*, *Communist Reunion*, *Calling*, and other short fiction, and the memoir *My Mother in Memory*. Original 25,000 first printing.

**A Reader's Companion to the Short Story in English** Erin Fallon, R.C. Feddersen, James Kurtzleben, Maurice A. Lee, Susan Rochette-Crawley, 2013-10-31. Although the short story has existed in various forms for centuries, it has particularly flourished during the last hundred years. *Reader's Companion to the Short Story in English* includes alphabetically arranged entries for 50 English language short story writers from around the world. Most of these writers have been active since 1960 and they reflect a wide range of experiences and perspectives in their works. Each entry is written by an expert contributor and includes biography, a review of existing criticism, a lengthier analysis of specific works, and a selected bibliography of primary and secondary sources. The volume begins with a detailed introduction to the short story genre and concludes with an annotated bibliography of major works on short story theory.

**Rock Springs, Richard Ford** Jane Tibby, 2000.

**Violent Adventure** Marilyn C. Wesley, 2003. Questioning both the popular condemnation of violent representation and the notion that violence can be constructive by empowering the identity of an integrated adult self, Wesley identifies a revealing pattern of violent adventure in recent fiction by American men.

**The United Stories of America** Rolf Lundén, 2022-06-08. This book discusses the American short story composite or short story cycle, a neglected form of writing consisting of autonomous stories interlocking into a whole. The critical work done on this genre has so far focused on the closural strategies of the composites on how unity is accomplished in these texts. This study takes into consideration to a greater degree than earlier criticism the short story composite as an open work, emphasizing the tension between the independent stories and the unified work between the discontinuity and fragmentation on the one hand and the totalizing strategies on the other. The discussion of the genre is illustrated with references to numerous American short story composites.
