A Search For Equality The National Urban League 1910 1961:

A Search for Equality Jesse Thomas Moore, 1894 A history of the Urban League that places it within the mainstream of African American thought this book shows the League as a major force for civil rights Understanding the roots of the African American search for equality as the author demonstrates is essential both to students of black history and to participants in the ongoing struggle for universal human rights Correcting previous interpretations Professor Moore contends that a number of individuals involved in forming the Urban League rose above the Washington DuBois controversy attending to the needs and aspirations of blacks already acculturated to urban life as well as those who arrived in cities without the skills to prosper in a modern industrial and increasingly complex society The book starts by reviewing the changes psychological educational political social and geographic which American Negroes experienced between 1830 and 1910 in the context of similar if less dramatic changes affecting American whites The record presented here shows that cooperation between the NUL and the NAACP has been the norm despite occasional differences and that the two organizations remain vibrant forces in the search for equality *Encyclopedia of African American History, 1896 to the Present* Paul Finkelman, 2009 Alphabetically arranged entries from A to C that explores significant events major persons organizations and political and social movements in African American history from 1896 to the twenty first century *Afro-American Life, History and Culture*, 1985 *Encyclopedia of African American Society* Gerald D. Jaynes, 2005-02 An encyclopedic reference of African American history and culture

The Harvard Guide to African-American History Evelyn Brooks Higginbotham, 2001 This massive guide sponsored by the W E B Du Bois Institute for Afro American Research at Harvard University and compiled by renowned experts offers a compendium of information and interpretation on over 500 years of black experience in America *Encyclopedia of Race, Ethnicity, and Society* Richard T. Schaefer, 2008-03-20 This encyclopedia offers a comprehensive look at the roles race and ethnicity play in society and in our daily lives Over 100 racial and ethnic groups are described with additional thematic essays offering insight into broad topics that cut across group boundaries and which impact on society Religious Speech and the Quest for Freedoms in the Anglo-American World Wendell Bird, 2023-04-20 Judeo Christian believers demanded and ultimately brought us six major advances in freedom speech and press criminal rights and higher education abolition and civil rights **More Than One Struggle** Jack Dougherty, 2005-12-15 Traditional narratives of black educational history suggest that African Americans offered a unified voice concerning Brown v Board of Education Jack Dougherty counters this interpretation demonstrating that black activists engaged in multiple overlapping and often conflicting strategies to advance the race by gaining greater control over schools Dougherty tells the story of black school reform movements in Milwaukee from the 1930s to the 1990s highlighting the multiple perspectives within each generation In profiles of four leading activists he reveals how different generations redefined the meaning of the Brown decision over time to fit the historical conditions of their particular struggles William Kelley of the Urban League worked to win teaching jobs for blacks and to resettle Southern

black migrant children in the 1950s Lloyd Barbee of the NAACP organized protests in support of integrated schools and the teaching of black history in the 1960s and Marian McEvilly and Howard Fuller contested in different ways the politics of implementing desegregation in the 1970s paving the way for the 1990s private school voucher movement Dougherty concludes by contrasting three interpretations of the progress made in the fifty years since Brown showing how historical perspective can shed light on contemporary debates over race and education reform

The Columbia Guide to African American History Since 1939 Robert L. Harris, Rosalyn Terborg-Penn, 2006 A multifaceted approach to understanding the central developments in African American history since 1939 It combines a historical overview of key personalities and movements with essays on specific facets of the African American experience a chronology of events and a guide to further study From publisher description

Out of the Crucible Dennis C. Dickerson, 1986-09-15 This book examines in depth the century long struggle of Black laborers in the iron and steel industry of western Pennsylvania In the process it shows how the fate of these Black workers mirrors the contemporary predicament of the Black working class and the development of a chronically unemployed underclass in America s declining industrial centers Dickerson argues that persistent racial discrimination within heavy industry and the decline of major industries during the 1970s are key to understanding the social and economic situation of twentieth century urban Blacks Through a blend of historical research and contemporary interviews this study chronicles the struggle of Black steelworkers to gain equality in the industry and the setbacks suffered as American steelmaking succumbed to foreign competition and antiquated modes of production The plight of western Pennsylvania s Black steelworkers reflects that of Black laborers in Chicago Gary Detroit Cleveland Youngstown Birmingham and other major American cities where heavy industry once flourished

Whose Harlem Is This, Anyway? Shannon King, 2017-04 Demonstrates how Harlemites dynamic fight for their rights and neighborhood raised the black community s racial consciousness and established Harlem s legendary political culture King uncovers early twentieth century Harlem as an intersection between the black intellectuals and artists who created the New Negro Renaissance and the working class who found fought daily to combat institutionalized racism and gender discrimination in both Harlem and across the city Adapted from publisher description

The NAACP's Legal Strategy Against Segregated Education, 1925-1950 Mark V. Tushnet, 1987 Mark Tushnet presents the story of the NAACP s legal campaign against segregated schools as a case study in public interest law which in fact began in the United States with that very campaign

Black Conservatism Peter Eisenstadt, 2013-09-13 This volume is the first

comprehensive examination of African American conservative thought and politics from the late eighteenth century to the present The essays in the collection explore various aspects of African American conservatism including biographical studies of abolitionist James Forten clergymen Henry McNeal Turner and J H Jackson and activists A Philip Randolph and Bayard Rustin Thematic essays in the volume consider southern black conservatism in the late nineteenth century and after World War I African American success manuals Ellisonian cultural criticism the Nation of Islam and African Americans and the Republican Party after 1964 *Courage to Dissent* Tomiko Brown-Nagin,2012 According to conventional wisdom the split between integrationism and black power in the civil rights movement occurred in the mid 1960s ushering in a much more radical and contentious era In this tale before 1965 the movement favored integrationism However as Tomiko Brown Nagin shows in her novel history of the movement in Atlanta from the 1940s to 1980 conflict and friction plagued the civil rights movement long before Stokely Carmichael achieved fame in 1966 for advocating black power Winthrop Rockefeller John A. Kirk,2022-03-04 Why did Winthrop Rockefeller the scion of one of the most powerful families in American history move to a mountaintop in Arkansas from New York in the 1950s In this richly researched biography of the former Arkansas governor John A Kirk delves into the historical record to fully unravel that mystery **Maida Springer** Yvette Richards,2000-10-15 Maida Springer was an active participant in shaping a history that involved powerful movements for social political and economic equality and justice for workers women and African Americans Maida Springer is the first full length biography to document and analyze the central role played by Springer in international affairs particularly in the formation of AFL CIO s African policy during the Cold War and African independence movements Richards explores the ways in which pan Africanism racism sexism and anti Communism affected Springer s political development her labor activism and her relationship with labor leaders in the AFL CIO the International Confederation of Free Trade Unions ICFTU and in African unions Springer s life experiences and work reveal the complex nature of black struggles for equality and justice A strong supporter of both the AFL CIO and the ICFTU Springer nonetheless recognized that both organizations were fraught with racism sexism and ethnocentrism She also understood that charges of Communism were often used as a way to thwart African American demands for social justice As an African American she found herself in the unenviable position of promoting to Africans the ideals of American democracy from which she was excluded from fully enjoying Richards s biography of Maida Springer uniquely connects pan Africanism national and international labor relations the Cold War and African American labor women s and civil rights histories In addition to documenting Springer s role in international labor relations the biography provides a larger view of a whole range of political leaders and social movements Maida Springer is a stirring biography that spans the fields of women studies African American studies and labor history **Solidarity Blues** Richard Iton,2003-06-19 A number of arguments have been made to explain the relative weakness of the American Left A preference for individualism the effects of prosperity and the miscalculations of different components of the Left including

the labor movement have been cited among other factors as possible explanations for this puzzling aspect of American exceptionalism. But these arguments, says Richard Iton, overlook a crucial factor: the powerful influence of race upon American life. Iton argues that the failure of the American Left lies in its inability to come to grips with the centrality of race in the American experience. Placing the history of the American Left in an illuminating comparative context, he also broadens our definition of the Left to include not just political parties and labor unions but also public policy and popular culture, an important source for the kind of cultural consensus needed to sustain broad social and collectivist efforts. Iton says. In short, by exposing the impact of race on the development of the American Left, Iton offers a provocative new way of understanding the unique orientation of American politics.
