A Sourcebook For Helping People With Spiritual Problems

Brian Spittles

A Sourcebook For Helping People With Spiritual Problems:

A Sourcebook for Helping People with Spiritual Problems Emma Bragdon, 1993 **A Sourcebook for Helping People with Spiritual Problems** Emma Inc. Bragdon, 2012-11 As more people practice meditation yoga and participate in workshops for personal transformation increasing numbers of them are having experiences related to spiritual awakening The problem is they don't know the territory An intense spiritual experience can seem overwhelming and scary and even be confused with going crazy This practical book is the classic text newly updated in 2006 3rd edition defining the problems that can arise when someone is disoriented by intense spiritual experiences It is a valuable resource for anyone interested in spiritual experiences and their relationship to mental health and mental illness It distinguishes the differences between various mental pathologies and indicators of spiritual awakening It clearly describes the kind of care one needs in a spiritual emergency process and how the care is dramatically different than conventional psychiatric treatment It traces the history of how signs of spiritual awakening have been perceived in the past Graduate schools of psychology use this book as a text because it is such a clear statement about the nature of spiritual crises and appropriate treatment However it is written in a style that is also appropriate for any adult reader The author a transpersonal psychologist has written five other books on spiritual healing and awakening The title of the first edition of this book was *A Sourcebook for Helping People in Spiritual Emergency* and was published in 1988 *The Call of Spiritual Emergency* Emma Inc. Bragdon, 2012-08-16 A feast of revealing narratives expose the amazing story of how people deal with critical points in personal transformation also known as spiritual emergency With the increase of interest in yoga meditation mental health recovery and recovery from addiction there is renewed interest in care that is not based on medication as much as empathy and compassionate companionship This book helps anyone who doesn't have a language to understand intense inner experiences and confuses them with mental illness If you have felt disoriented by intense spiritual experiences this book will help you understand where you are and where you may be heading It is a map of the journey of spiritual awakening written by a psychologist who knows the territory well Reading it may make the difference between heading off to the hospital to get drugs to stop the symptoms or staying home and knowing you are OK Just because you have had a conversation with your spirit guide or talked to the spirit of someone who has passed away doesn't mean you are having a breakdown It could mean you are having a breakthrough to a higher level of functioning The author is a psychologist and knows the territory *Spiritism and Mental Health* Emma Bragdon, 2013-02-15 An account of the philosophy theory practical applications and wider relevance of Spiritist therapies to be published in the English language It explores how Spiritist centers and psychiatric hospitals are established and financed with specific examples from Brazil and the USA *Resources for Extraordinary Healing* Emma Bragdon, 2013-02 Sixteen million Americans 5% of our population are crippled by serious mental illness according to the National Institute of Mental Health A lead article in Reuters News in August 2011 reported that 40% of people 201 million in the European Union are

mentally ill or have brain disorders The numbers of mentally disabled from tots to seniors needing supplemental income supplied by their governments is swelling at an alarming rate In the USA it s 6 times what it was in 1955 Can one recover from serious mental imbalance How These questions are increasingly important to emotionally disturbed people and the governments supporting them It s crazy but top research psychiatrists now admit We still don t know the cause of most mental illness indicators show it is not a broken brain that can be fixed by medications Resources for Extraordinary Healing exposes a new paradigm about the causes of mental disturbances and maps pathways to full recovery An effective model of care from Brazil that has been developed since the 1930s is described The treatment addresses biological psychosocial and spiritual issues not separately but together The collaborating healthcare team is made up of medical doctors psychiatrists medical intuitives and spiritual healers Trained volunteers bring compassionate understanding and companionship It is more cost effective than our system Compelling stories point to accessible resources in the USA that are similar to what Brazil offers Contact information is well organized making this book an excellent guide and an inspiring reference for patients their families psychotherapists psychiatrists and healthcare providers It will be of value anywhere people seek information compassionate care and illuminating perspective on recovering mental health *Case Studies in Spiritual Coaching*

DeeAnna Merz Nagel, Madison Leigh Akridge, 2023-11-06 The proposed text addresses a major problem in teaching and informing practitioners and trainees about the application of spirituality within the field of coaching Its purpose is to inform the coaching profession about how spirituality is being utilized by various coaches across the life wellness and executive coach domains The goals are to provide definitions applications ethical considerations and speculation on the future of the profession on a wide range of applications The content of the book will be a succinct series of case studies while providing cutting edge tools and interventions for the coaching profession Both editors are certified coaches as well as licensed mental health practitioners in the counseling and social work fields The goal of this book is to offer guidance for the coach whose client brings direct or indirect spiritual content into the coaching session Each chapter highlights established coach skills such as active listening powerful questioning and goal setting The text brings together both seasoned spiritual coaches who have influenced this new and growing area coaching profession and new spiritual coaches who bring their own diverse knowledge The contributors describe their work in a diverse array of case studies with their wide range of backgrounds and approaches so that others can learn *Case Studies in Spiritual Coaching* can be used as a primary text for courses that teach spiritual or intuitive coaching and or courses that teach any coaching domain such as life coaching wellness coaching or executive coaching This book may also be used as an adjunct text for courses that include an introduction to spirituality within the coaching profession **Transpersonal Ecosophy, Vol. 1: Theory, Methods and Clinical Assessments** Mark

A. Schroll, 2016-01-24 The image on the cover of this book represents the idea that brain state alterations at sacred sites allow us to re experience memories that are woven into the morphogenetic fields of that place an idea that originates with

Paul Devereux's empirical enquiry into dreams at sacred sites in Wales and England. This book examines how this investigation provides us with a new way of understanding consciousness and a new direction toward a reconciliation of the divorce between matter and spirit. We explore the work of David Lukoff and Stanislav and Christina Grof, the connections between the varieties of transformative experience in dream studies, ecopsychology, transpersonal psychology, and the anthropology of consciousness, as well as the overlap between David Bohm's interpretation of quantum theory and Rupert Sheldrake's hypothesis of formative causation. *Kardek's Spiritism* Emma Inc. Bragdon, 2012-11. Especially of interest to those involved with healing and healthcare. The first book to describe contemporary spiritual healing centers in Brazil, including a psychiatric hospital where spiritual healers collaborate with conventionally trained healthcare professionals. There are more than 12,000 of these centers in Brazil. 20-40 million Brazilians use this resource for spiritual growth, healing, and to maintain wellness. These centers welcome people of all religions and cultures, offering effective forms of healing as a free service. The introduction to the philosophy of Spiritism is presented in a clear, easy-to-understand manner. The description of the methods for healing used over more than 150 years demonstrate that Brazil has developed an effective model of integrative health care. The author spent half of each year 2001-2012 in Brazil studying these centers and hospitals. She is a psychologist, teacher, prolific author, and pioneer in the area of healing and spiritual awakening. She suggests that importing components of Brazil's Spiritist Centers could help us improve our ailing healthcare system. **Autism and Spirituality** Olga Bogdashina, 2013-07-28. Spirituality plays a vital role in the lives of many people with autism spectrum disorders (ASD). Drawing on interdisciplinary research as well as first-hand experiences of people with ASD, Olga Bogdashina shows how people with ASD experience their inner worlds and sense of self and how this shapes the spiritual dimension of their lives. *The Faith Lives of Women and Girls* Nicola Slee, Fran Porter, Anne Phillips, 2016-03-16. Identifying, illuminating, and enhancing understanding of key aspects of women and girls' faith lives. *The Faith Lives of Women and Girls* represents a significant body of original qualitative research from practitioners and researchers across the UK. Contributors include new and upcoming researchers as well as more established feminist practical theologians. Chapters provide perspectives on different ages and stages of faith across the life cycle from a range of different cultural and religious contexts. Diverse spiritual practices, beliefs, and attachments are explored, including a variety of experiences of liminality in women's faith lives. A range of approaches (ethnographic, oral history, action research, interview studies, case studies, and documentary analysis) combine to offer a deeper understanding of women's and girls' faith lives. As well as being of interest to researchers, this book presents resources to enhance ministry to and with women and girls in a variety of settings. *Caregiving Sourcebook* Joyce Brennfleck Shannon, 2001. Basic Consumer Health Information for Caregivers. Including a Profile of Caregivers, Caregiving Responsibilities and Concerns, Tips for Specific Conditions, Care Environments, and the Effects of Caregiving. Along with Facts about Legal Issues, Financial Information, and Future Planning, a Glossary, and a Listing of Additional Resources.

Psychosis, Psychiatry and Psychospiritual Considerations Brian Spittles, 2022-11-29 A phenomenological and spiritual investigation of anomalous mental experiences From a psychiatric perspective psychosis is generally viewed as a psychopathological and often incomprehensible mental disorder of biological cause In his book Brian Spittles argues that this represents a rather limited view and that a psychospiritual investigation of psychosis may enable a better understanding of its nature and determinants His aim is not to negate the discipline of psychiatry but to demonstrate the viability and efficacy of incorporating psychospiritual considerations into psychosis research Within these pages Spittles challenges several core psychiatric beliefs and calls for the discipline to extend its investigative parameters beyond the limited epistemological bounds of materialism The book uses an open ended heuristic approach that enables the systematic examination and critical appraisal of views on psychosis across the materialist to metaphysical spectrum This is structured in four Focal Settings that sequentially examine the construal of psychosis within different paradigms of psychospiritual understanding which provide a historical overview of evolving understandings of psychosis within the tradition of psychiatry in which psychospiritual matters are generally not considered

What Counsellors and Spiritual Directors Can Learn from Each Other Peter Madsen Gubi, 2017-04-21 This new collection explores the intersection of spiritual direction and counselling It considers the ways in which they can enhance each other to provide better therapeutic and pastoral care

Spirituality and Mental Health: Exploring the Meanings of the Term 'Spiritual' Marcelo Saad, Everton Maraldi, Elaine Drysdale, 2022-07-27

On Holy Ground John Peter Sullivan, 1998 Presents in depth conversations with five quite different but highly experienced and mature psychotherapists who bring their spirituality into their professional practice Interviews reveal how these therapists think about the relationship of their spiritual lives to their therapeutic work and how they actually work with that understanding in clinical circumstances Their insights anticipate and address important critiques of spirituality that come from classical psychological practice Annotation copyrighted by Book News Inc Portland OR

Mystical Encounters with the Natural World Paul Marshall, 2005-07-07 Some experiences of the natural world bring a sense of unity knowledge self transcendence eternity light and love This is the first detailed study of these intriguing phenomena Paul Marshall explores the circumstances characteristics and after effects of this important but relatively neglected type of mystical experience and critiques explanations that range from the spiritual and metaphysical to the psychoanalytic contextual and neuropsychological The theorists discussed include R M Bucke Edward Carpenter W R Inge Evelyn Underhill Rudolf Otto Sigmund Freud Aldous Huxley R C Zaehner W T Stace Steven Katz and Robert Forman as well as contemporary neuroscientists The book makes a significant contribution to current debates about the nature of mystical experience

Beliefs Lorraine M. Wright, Wendy L. Watson, Janice M. Bell, 1996-10-31 Beliefs are the lenses through which we view the world and the blueprints from which we construct our lives At no time are family and individual beliefs more affirmed challenged or threatened than when illness emerges But some beliefs are more useful than others This is the first book to offer a specific clinical approach for examining family members beliefs and intervening in that area Drawing on disciplines ranging from religion to anthropology as well as on family therapy and psychology the authors describe their own advanced practice model Rich in clinical examples the book takes readers inside the therapeutic conversation between the clinician and family members to show the model in action By drawing forth more facilitative beliefs to cope with illness the authors uncover and expand the therapeutic possibilities for helping and healing families

Spirituality and Religiousness and Alcohol/Other Drug Problems Brent B. Benda, Thomas E. McGovern, 2006-10-13 An in depth look at the relevance of religious and spiritual issues to alcohol and drug use and abuse throughout the lifespan Spiritual issues and forgiveness are oft neglected topics in treatment programs for substance abusers This unique book brings those underrated components of recovery to the forefront through current research cas

The Top Books of the Year A Sourcebook For Helping People With Spiritual Problems The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have captivated audiences this year. A Sourcebook For Helping People With Spiritual Problems : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
