Thus this small book is a useful introduction to spiritual formation from a Christian perspective It would be helpful for a college student or young adult who seeks to be educated on the subject The conciseness of the book is a benefit Yet the book raises interesting questions for further pursuit A very succinct but comprehensive historical presentation of sanctification through the lens of spiritual formation a concept which has been revived in the past two decades especially in Evangelical circles this text is useful for a college course in spiritual formation or religion *Parish Nursing* Phyllis Ann

Solari-Twadell, Mary Ann McDermott, 2006-01-01 Written by a multidisciplinary panel of experts this comprehensive text and reference presents a fundamental understanding of all aspects of parish nursing providing in depth information essential to understanding the ministry of a parish nursing practice This is the only text in parish nursing that addresses the role of the parish nurse administrator and includes suggested policies and procedures as well as recommendations for competency development for parish nurses *Holy Invitations* Jeannette A. **Gathered Before God** Jane Rogers Vann, 2004-01-01 What is the central purpose of the church today How can churches experience renewal through worship In *Gathered before God* Jane Rogers Vann answers these important questions by studying ten vibrant small medium and large churches Her findings she argues show that worship is the most important thing churches do and is vital to the renewal of congregational life Vann explores how these congregations changed into worship centered churches and how their experiences can help other churches do the same *Gathered before God* offers resources for pastors worship leaders and Christian educators to reflect on their worship leading to an openness to change and processes to help church leaders support each other during the periods of reform and renewal Moving beyond the contemporary versus traditional debate *Gathered before God* is an earnest call for us all to reclaim worship as a central act of our life together as Christians that expresses clearly what the church believes about God itself and the world Full Service

Siang-Yang Tan, 2006-03-01 Although servanthood is often discussed as an important part of leadership it is also the basic calling of every follower of Jesus Christ Siang Yang Tan takes a fresh approach to servanthood exploring it as loving obedience to God in and of itself regardless of personal greatness fulfillment or success He lays out the biblical case and practical guidance to help all Christians live out their foundational call of being a servant of God in all areas of life Tan's focus on servanthood alone in contrast to the many books on servant leadership will appeal to pastors church leaders and all Christians interested in a biblical perspective on servanthood Digital Media and Youth Discipleship Vo Huong

Nam, 2023-06-30 Today's youth grow up immersed in digital technology This presents a unique challenge to the church as it seeks to faithfully make disciples of the next generation What does it look like theologically and practically to minister contextually to those whose lives are permeated by social media and digital culture In this in depth study Dr Vo Huong Nam offers both social and theological insight into the task of discipling youth in the digital age He examines the impact of digital

media on both society and young people and offers an overview of Christian responses to the changing technological landscape Engaging such authors as John Calvin Dietrich Bonhoeffer and Henri Nouwen he develops a constructive theology of spiritual formation relevant to the context of twenty first century youth He explores the implications of this theology on church practice urging the church to take seriously its call to be all things for all people Drawing specific examples from youth ministry in Vietnam he addresses practical questions of application and contextualization and suggests that silence solitude and prayer are spiritual disciplines uniquely vital for the digital age This book is an important resource for all those involved in discipling young people and longing to see today s youth come to fullness of life in Christ *Spiritual Disciplines Devotional* Valerie E. Hess,2007-05-30 Have you been longing to learn more about spiritual disciplines but haven t known where to start Focusing on a different core spiritual discipline each month this year long devotional includes brief daily readings to help you develop holy habits Once a week family activities are also included to interactively teach children about spiritual disciplines **Perspectives on Prayer and Spirituality** Maurice Elliott,Patrick McGlinchey,2021-02-12 Spirituality has become a buzzword in our contemporary culture as individuals strive for meaning and fulfillment Its detachment from the church and conventional definitions of religious practice highlights the seeming redundancy of what has come before Spirituality in this light signals a new attempt to find wholeness unencumbered by outmoded doctrines and stale rituals It is the conviction of this publication that the intuition behind contemporary searches for spiritual reality is a good one It acknowledges that there must be more to life than what secular media or consumerism might tell us The joyful message of Perspectives on Prayer and Spirituality is that the spiritual quest is a valid one and worth exploring There is treasure to be found However the surprise is that we must rediscover what we have left behind In the words of G K Chesterton it is not that the Christian ideal has been tried and found wanting rather it has been found difficult and left untried This book offers us the tools to mine the riches of Christian spirituality and find that elusive treasure The title Perspectives on Prayer and Spirituality alerts us to the fact that life giving spirituality stems from relationship with a personal God who can be known Praying James Innell Packer,Carolyn Nystrom,2006-01-01 Is praying a duty or a delight J I Packer and Carolyn Nystrom say that it s both an essential expected practice as a follower of Christ but also a privilege and joy As we start out learning to pray properly however the delight often seems to be missing Here is practical help for active honest praying that involves all of who we are heart hands and head and moves us to deeper obedience joy and intimacy with our Father *Discerning Beyond the Screen* Toya D. **Counseling and Community** Rod Wilson,2003-04 Traditionally counseling has focused primarily on the individual overlooking the interaction between the community and the individual Wilson has created a biblically based counseling model that anchors the individual within the community The result is a perspective that encompasses all aspects of a person s life where the community becomes a helper in the counseling process The thesis of this book is tied to the assumption that we need a counseling approach that is community oriented rather than exclusively focused on the individual When this is the case we will be able to appreciate the biblical emphasis on the people of God While he prizes a relationship with individuals God s heart is with a body a fellowship a community Both pastors and private counselors need to reaffirm the priority of community and its power in the healing process Rod Wilson PhD York University is President and Professor of Counselling and Psychology at Regent College in Vancouver B C Canada He is also the author of *Exploring Your Anger and Helping Angry People*
