A Tale Of Two Besties A Hello Giggles Novel:

A Tale of Two Besties Sophia Rossi, 2015-05-12 If there's one thing Sophia Rossi understands completely it's besties. Only an ultimate BFF like Sophia could create the super special bond that Harper and Lily have in *A TALE OF TWO BESTIES*. Lauren Conrad plumbing the depths of friendship and cliques, this debut novel will speak to fans of Rossi's popular website HelloGiggles as well as all girls trying to discover their own identity while learning what it means to really be friends. Booklist: Featuring a foreword by New Girl star Zooey Deschanel. Perfect for fans of Kody Keplinger's *The DUFF* and Morgan Matson's *Since You've Been Gone*, the delightfully funny debut novel *A TALE OF TWO BESTIES* is full of giggles and surprises. Best friends BFFs Soul twinsies Whatever you want to call them Harper and Lily were born to be besties. With high school just around the corner, casual cool Cali girl Harper and awkward, always costumed Lily make sure to text each other every day about their bond. Harper: I love you so much that I am going to sneak out of detention to pay that guy from Craigslist 100 to cut off all your hair for my secret collection. Lily: I love you so much I'm going to destroy everyone in your life that matters and force you to depend and love only me Harper. That sounds beautiful. I love you. Not even the threat of different high schools could throw this BFFship off course, even if Lily begs her parents not to send her to the dreaded Pathways, a special school for creative types while effortlessly popular Harper attends Beverly High with the rest of their class. But in a city where fitting in means standing out and there's nothing more uncool than being cool, it's the naturally charismatic Harper with her blond hair and perfect bone structure who finds herself fighting the tide of American Apparel'd teens who rule the school. Meanwhile it's the perpetually gawkward Lily who accessorizes every ensemble with a pair of tattered fairy wings who finds herself flying alongside the queen bees of Pathways. Can BFFship survive the tidal wave of HS drama or does growing up mean leaving some friends behind? It's like my twins stepped out of the eighties and dropped down into today. Deliciously funny with heart. Francine Pascal, bestselling author and creator of the Sweet Valley High series. *You and Me Always* Stephanie Moss, 2016-12-07 Friendship is forever in this delightful storybook, so come and meet a pair of adorable best friends as they look after one another through good times and bad. With each beautiful scene of friendship illustrated by Caroline Pedler, this tale shows just how important friendship is.
