BROKEN DREAMS: A Survivor's Story Ellen Benton Feinstein, 2014-10-15

The current rise in anti-Semitism is due in part to the fact that the younger generations know almost nothing about the Holocaust other than the fact that six million Jews were killed The heart and the mind do not connect with a number so this fact has little meaning for the reader We tend to make an emotional connection with the personal story of someone who suffered during and after the war That's why it is important for survivors to tell their stories The number of survivors dwindles daily giving a sense of urgency to this project The devastation of war does not end when a peace treaty is signed the

destructive aftermath of war can continue for generations This book tells the story of one family that was torn apart by World War II Acting on a promise she made to her sister who was killed by the Nazis Eda found and adopted her sister's child who was hidden during the war by a Polish Catholic family This set up a life long love hate mother daughter relationship filled with sacrifice guilt and resentment as described in the heart of the book The family endured many hardships including six months in a DP camp and a difficult sea voyage to escape from Poland to America only to find that they cannot escape the psychic damage of the war Their psychic scars are manifested in their interactions with each other as well as with the people they encounter The final chapter reveals how the daughter after thinking for more than seventy years that she was an only child discovers that she has a brother living in California

Sex and the Seasoned Woman Gail Sheehy, 2006 In this groundbreaking work cultural observer Sheehy reveals a hidden phenomenon increased vitality in women's sex and love lives after fifty This is a new universe of passionate liberated women married and single who are unwilling to settle for the stereotypical roles of middle age and are now realizing they don't have to As life spans grow longer and as societal constraints continue to loosen older women free of the exhausting demands of young children needy husbands and demanding careers find themselves ready to pursue the passionate life They embrace their second adulthood as a period of reawakening Combining interviews and research this book gives voice to more than a hundred colorful women whose stories tell of wives who reinvigorate their marriages after their children leave the nest as well as divorced widowed and long single women who find new dreams and new loves From publisher description *The Publishers Weekly*, 2004

The Juicy Tomatoes Guide to Ripe Living After 50 Susan Swartz, 2006 This book brings together the stories of women embarking on the second half of their lives as they face new challenges and look forward to a host of new possibilities Sexy vibrant and plugged in these women of experience are juicy tomatoes women who are strong sexy and smart who celebrate their age instead of lying about it *Living on the Edge of the Edge* Ruth Elizabeth Krall, Lisa Schirch, PhD, 2017-06-26 There are several divisive issues that separate Christian from Christian in the current century One issue is the church's management of clergy sexual abuses of children teens and adults A second is the issue of sexual gender orientation and church membership Contemporary Christian denominations often intermingle the divisive issue of clergy and religious leader sexual abusiveness with the equally divisive issue of sexual gender orientation In this book Professors Krall and Schirch disentangle and discuss these two issues They discuss their personal and their professional opinions about ways in which religious and spiritual teaching communities can avoid the institutional perils of abusive clericalism and divisive denominational management practices Throughout the book they apply Anabaptist Mennonite principles of peace making in situations of sexual violation Case studies are provided A feminist hermeneutic is applied Each letter essay is auto ethnographic in style the professional and the personal are deliberately blurred inside a framework of narrative and story Each essay is deeply rooted in its author's academic interests and in her personal life history This book can be a text in graduate and undergraduate classrooms It can

also be used in denominational self study programs Midlife Maze Janis Clark Johnston, 2017-02-16 Have you found yourself wilting in midlife and wondering what you might do to flourish in your remaining years Have you lost your way in the midlife maze due to a significant loss Did you lose your job or desired career advancement Did you separate or divorce Did your last child leave home Did your family experience a virtual storm of bankruptcy or lose your life savings in a financial meltdown Did you or someone in your family experience the loss of good health Or did you weather the death of a family member partner or friend Your loss story is personal Your path through winding passages during midlife is unique Perhaps the most important encouragement for your grieving process is to know this simple fact grieving is a natural healing response to loss rather than a pathological experience Midlife can be a time of reflection rebellion or reconnecting to old or new interests and activities It can also be a time when losses start to happen or begin to pile up divorce death of a loved one loss of a job or home the moving out and on of grown children and learning how to move forward can be a challenge Here a seasoned psychologist looks at the geography of loss in midlife the way it can affect us and what we can do to get back on track or redirect ourselves when necessary Through first hand stories and practical exercises the author leads readers through the midlife maze to a place of recovery purpose and peace A Generous Presence Rochelle Melander, 2006-08-28 A Generous Presence is a collection of story driven essays about the philosophy tools and work of coaching that is designed to support all spiritual leaders in deepening and enriching their personal and professional relationships By practicing the coaching tools Rochelle Melander offers spiritual leaders will be better equipped to guide those they work with toward accepting the past creating a life vision and setting goals for the future Additionally the tools provided in this book will help leaders understand themselves and enable them to strengthen their definitions for healthy living raise their awareness about their own life and relationship skills and improve their skills in relating to individuals and groups *Forthcoming Books* Rose Arny, 2003-12 **50 & Fabulous** Jaki Scarcello, 2014-03-18 Some women dread the approach of their fiftieth birthdays fearing it's goodbye to good times and good looks Others barely notice the transition they know how to welcome each age for its particular blessings These are the women Jaki Scarcello calls Women of the Harvest women who aren't trying to turn back the clock but reaping the fruits of a life well lived recognising and receiving the real gifts this stage of life brings Women for whom fifty plus doesn't mean less but more Drawing on her own experience as well as exhaustive research into other women's stories a series of interviews conducted in five countries Scarcello shows with wisdom and wit how changing our attitude toward ageing can bring about a virtuous cycle of rejuvenation Women who know this embrace the years after 50 with a spirit of optimism and energy that is truly liberating They understand that in maturity a woman has the potential for genuine elegance a beauty more than skin deep that sparkles confidently and generously from the eyes and a whole new brand of personal sexiness On a deeper level they possess a secret power and joy which radiates outward into the world and illuminates everyone around them These women who blossom in their 50s know that their time of life is a time of grace and

that it is richer and more ripe with possibility now than at any other time in our history Through their stories there runs a common thread of spiritual transformation the harvest of a good life when it starts to divest itself of youth's superficial anxieties In the space that opens up beyond 50 experience and potential form a perfect fusion this is the most fertile ground a woman ever knows Transforming Retirement Janis Clark Johnston, 2023-05-05 People are naturally worried about transitions at any stage of their lives and retirement transitioning presents unique challenges because you realize that your life clock is ticking faster with each passing year Beyond financial concerns your true wealth is determined by how you spend your time and how you care for your health Retirement represents a rich psychological growth time and successful aging is characterized by cultivating a growth mindset alongside a healthy dose of grit or passion plus persistence This book shares insights from a survey of 125 participants all of whom are 55 or older on retirement beliefs and time management The author encourages retirees to embrace the concept of rewiring their brains in a psychological reboot applying to both work and non work scenarios Each chapter presents rewiring exercises that prepare space for new possibilities to germinate immediately and possibility time exercises that foster digging deeper into legacy roots for shaping days where you can flourish Seasoned citizen years have the possibility of becoming your greatest life plots when you rewire your personality and ability skillset
