Research Projects for Business & Management Students Siah Hwee Ang, 2021-01-27 This second edition of Research Projects for Business and Management Students provides students undertaking extended research with a foundation upon which to build their practice. The author sets out each stage of a research project systematically to allow you to follow along and build an understanding of the processes involved in carrying out in depth pieces of research as well as the functions of commonly used research methods. Conversation boxes throughout will also help situate your learning by providing examples of commonly asked questions, challenges that may occur while you carry out your research and guidance on how to answer them. Professor Siah Hwee Ang is Professor of International Business and Strategy, inaugural Chair in Business in Asia and Director of the NZ's Southeast Asia Centre of Asia Pacific Excellence at Victoria University of Wellington, New Zealand.

Research Design for Business & Management Siah Hwee Ang, 2013-09-30 Research Design for Business Management is a logical and practical book which makes no assumptions about your prior research knowledge. It will instead provide you with a clear understanding of the commonly used methods in business and management research and enable you to tackle the fundamental elements of the research process. This book contains conversation boxes which answer and discuss the typical research questions you may have. It focuses on the judgement calls that you will need to make in your research, uniquely demonstrates the circular relationships between research elements, ensuring that you can relate chapters to your research process in real life, provides key insights into what the examiners and journals will look for in your research to help you get the best possible grades.
