2. Church attendance was still a regular ritual for ____ of the 20 million Americans in 1850.
3. The Deist faith embraced all of the following except
- the concept of original sin.
 - the reliance on reason rather than revelation.
 - belief in a Supreme Being.
 - belief in human beings' capacity for moral behavior.
 - denial of the divinity of Christ.
4. Deists like Thomas Jefferson and Benjamin Franklin endorsed the belief that a Supreme Being endowed human beings with a capacity for ____ behavior.
5. Unitarians held the following beliefs except
- the belief that God existed in only one person.
 - the denial of the divinity of Christ.
 - they stressed the essential goodness of human nature.
 - they believed in the possibility of salvation through good works.
 - they believed in a stern and punitive type of God.
6. By 1850, all of the following were true about developments in organized religion in America except
- organized religion had lost a fair portion of the theological rigor and austerity of the colonial era.
 - the influence of Calvinism had been reduced significantly from the colonial era.
 - the liberal doctrines of Deism had been embraced by certain Protestant denominations such as Unitarians.
 - organized religion had generally grown more theologically conservative than during the colonial era.
 - a significant counter-reaction against theological liberalism of the 1790s and early 1800s developed in the form of the Second Great Awakening.
7. All the following are true of the Second Great Awakening except that it
- resulted in the conversion of countless souls.
 - encouraged a variety of humanitarian reforms.
 - wrongheaded democratic denominations like the Baptists and Methodists.
 - was a reaction against the growing liberalism in religion.

The Oxford Encyclopedia of Women in World History Bonnie G. Smith, 2008 The Encyclopedia of Women in World History captures the experiences of women throughout world history in a comprehensive 4 volume work Although there has been extensive research on women in history by region no text or reference work has comprehensively covered the role women have played throughout world history The past thirty years have seen an explosion of research and effort to present the experiences and contributions of women not only in the Western world but across the globe Historians have investigated womens daily lives in

virtually every region and have researched the leadership roles women have filled across time and region They have found and demonstrated that there is virtually no historical social or demographic change in which women have not been involved and by which their lives have not been affected The Oxford Encyclopedia of Women in World History benefits greatly from these efforts and experiences and illuminates how women worldwide have influenced and been influenced by these historical social and demographic changes The Encyclopedia contains over 1 250 signed articles arranged in an A Z format for ease of use The entries cover six main areas biographies geography and history comparative culture and society including adoption abortion performing arts organizations and movements such as the Egyptian Uprising and the Paris Commune womens and gender studies and topics in world history that include slave trade globalization and disease With its rich and insightful entries by leading scholars and experts this reference work is sure to be a valued go to resource for scholars college and high school students and general readers alike

Reading Heresy Gregory Erickson, Bernard Schweizer, 2017-11-20 Heresy studies is a new interdisciplinary supra religious and humanist field of study that focuses on borderlands of dogma probes the intersections between orthodoxy and heterodoxy and explores the realms of dissent in religion art and literature Free from confessional agendas and tolerant of both religious and non religious perspectives heresy studies fulfill an important gap in scholarly inquiry and artistic production Divided into four parts the volume explores intersections between heresy and modern literature it discusses intricacies of medieval heresies it analyzes issues of heresy in contemporary theology and it demonstrates how heresy operates as an artistic stimulant Rather than treating matters of heresy blasphemy unbelief dissent and non conformism as subjects to be shunned or naively championed the essays in this collection chart a middle course energized by the dynamics of heterodoxy dissent and provocation yet shining a critical light on both the challenges and the revelations of disruptive kinds of thinking and acting
