bitter battles with the enemy and a promotion John Pearce finally finds himself free to follow his own wishes rather than being forced to serve any longer in King George's Navy. The same does not apply for the trio of Pearce's closest friends who with him as their leader call themselves the Pelicans. Unaware of this and arriving in Portsmouth Pearce feels certain he can free his comrades. However on arrival and seeking to liberate his fellow Pelicans Pearce is informed that the trio have been shipped out on another vessel condemned to service because of Pearce's over indulgence in the arms of a woman. Still haunted by his father's execution at the guillotine and his guilt at arriving too late in France to save him Pearce is determined to keep to this vow of liberation. When help is refused from all higher powers and Pearce refuses to surrender he embarks on an adventure to free his friends with or without aid. **The Last Roman: Triumph** Jack Ludlow, 2015-08-20

Sixth century Byzantium. The Emperor Justinian is determined to reunite the whole of the Roman Empire and his best general Flavius Belisarius is poised to invade Italy. Flavius and his men march north unopposed until the local senators of Naples refuse to surrender and a bloody assault ensues. Rome hearing of the fate of Naples yields the city to Flavius but before long the Goths arrive and stage a brutal attack which Flavius's army only just survives. Besieged and mired in a cesspit of corruption Byzantium's greatest general must navigate a world rife with deceit and brutality where only the most cut throat survive. **A Divided Command** David Donachie, 2013-11-25

Unbeknown to John Pearce the private letter he is delivering on behalf of the prime minister carries the dismissal of the very man he is sailing to see. Politics intervene in matters of the sea and the need for a government majority to pursue the war with France means John Pearce must step down as Britain's best sailor regretfully relinquishing the position to the incompetent Admiral Hotham. Hotham is equally less than pleased about John Pearce as he is the one person who knows the truth about his dishonest and wicked naval career. Pearce knows Hotham will try and destroy him any way he can to keep from being exposed so he must navigate the dangerous waters whilst trying to return to Emily Barclay the woman he loves. **Gods of War** Jack Ludlow, 2011-05-23

Three fearless men are drawn into the endless battles of ancient Rome's Fiery War fighting for power for victory for survival and above all for honour. Brennos the barbarian leader of the Celtic tribes faces bloody personal consequences when his enemies hatch a vicious assassination plot. Aquila now fighting for Rome carries with him his lucky talisman a golden amulet shaped like an eagle in flight the only clue to his true identity. And Marcellus son of Rome's most powerful senator must find within himself the ability to lead men into battle and to win. Mercenaries Jack Ludlow, 2011-01-24

1033 the Norman French border. Six brothers the sons of Tancred de Hauteville prepare to experience their first taste of battle. They have been trained since birth to become great warriors following in their father's footsteps. As knights they have but one true purpose to fight. Nothing matters more to a Norman of noble birth than the ability to engage in battle nothing has greater importance than skilful swordsmanship and winning a fight and the de Hautevilles are used to winning. Victory and defeat betrayal and revenge combine as the desperation to rule becomes an intense battle testing even the strongest of ties. But through it all shines the

loyalty of blood that binds families and warriors together The Sword of Revenge Jack Ludlow, 2011-05-23 With all the fire and passion of the ancient Romans The Sword of Revenge follows in the epic footsteps of top ten bestseller The Pillars of Rome Rome has lost its greatest warrior for Aulus the doom laden prophecy of forty years earlier has come to pass It is now left to Lucius to defy the oracle s curse alone and the corrupt and powerful senator leaves nothing to chance in his bid to survive But one boy alone in the world holds the key to his fate and the future of the Roman Republic
