A Silence Of Mockingbirds The Memoir Of A Murder:

A Silence of Mockingbirds Karen Spears Zacharias, 2011-10-11 Investigative journalist and author Karen Spears Zacharias never anticipated that she would become one of the characters involved in a high profile murder. But when she reconnects with a young woman named Sarah who lived in the Zacharias home at one time and was treated like family, Karen discovers that something unspeakable has happened to Sarah's daughter Karly. Compelled to consider her own culpability in this tragic case, Karen pieces together what happened to Karly through court documents, investigators' interviews, and interviews with friends, family, law enforcement officials, and key witnesses. As the terrible story unfolds, the hard question emerges for everyone involved: indeed, all of us. Why was no cry raised to protect Karly? *A Silence of Mockingbirds* Karen Spears Zacharias, 2012 An examination of the abuse that led to the murder of a three-year-old girl reveals the tendency of people to disregard or keep silent about predatory behavior and brings to light many instances in which the abuse could have been stopped.

Mother of Rain Karen Spears Zacharias, 2013 Maizee Hurd was an easy target for hard times according to Burdy Luttrell, the town healer. Burdy is a Melungeon woman with striking features and mysterious ways. She owns the land the Hurds leased following their marriage on June 3, 1940. Maizee moved upriver at the age of ten after tragedy struck and she was sent off to be raised by a childless aunt and her doctor husband. This is Zacharias's debut historical novel. ***Love Me to Death*** Linda Wolfe, 1999 When Richard Caputo surrendered to the FBI and confessed to the brutal murders of four women, Wolfe, a New York journalist, set out to link her friend's murder to him. This book reveals what she discovered about this Don Juan figure who moved with ease across the United States and Mexico, murdering women who loved him. Wolfe met with the victims' families, people associated with the justice system, and Caputo himself for this account. 8 page photo insert.

Furious Hours: Murder, Fraud, and the Last Trial of Harper Lee Perfection Learning Corporation, 2019 *Rip in Heaven: A Memoir of Murder and Its Aftermath* Jeanine Cummins, 2004-06 This intimate memoir tells of one family's immediate and widely publicized story of surviving a shocking crime and suffering in the aftermath. ***Obeying Evil*** Ryan Green, 2017-07-02 *Obeying Evil* presents the shocking true story of Ronald Gene Simmons and the most disturbing family killing spree in the United States. Over the course of a week in 1987, he murdered 14 members of his own family, a former co-worker, and a stranger. In 1979, Simmons retired as an Air Force Master Sergeant following 20 years of service. The instability that followed his military days exacerbated his desire for control over his family. Simmons used intimidation, humiliation, and violence to assert dominance over all but one of his family members. He allowed a softer side to surface for his favourite daughter, Shelia, whom he forced into an incestuous relationship and eventually fathered her child. His need for total control led to isolation within his family and an inability to hold down a job. His frustration grew to untold levels when Sheila left the family home and married another man. With his plans in ruin and his grip softening, Simmons surprisingly supported his family's desire for a big Christmas celebration. The stage was set for a heartwarming reunion, but he had laid a very different
