Wogaman,1993-01-01 Reviews the history of Christian thought about ethics and discusses its views concerning politics economics and culture      *Christian Ethics (Revised Edition)* Wayne Grudem,2024-09-18 What Does the Bible Teach about How to Live in Today s World How should Christians live when the surrounding culture is increasingly hostile to Christian moral values Granted the Bible is our guide but how can we know if we are interpreting it rightly with regard to ethical questions about wealth and poverty marriage and divorce birth control abortion euthanasia homosexuality ethical business practices environmental stewardship and dozens of other issues And on a very practical level how can we know God s will in the ordinary decisions of life To address questions like these Wayne Grudem author of the bestselling book Systematic Theology draws on 40 years of teaching classes in ethics to write this wide ranging introduction to biblical moral reasoning organized according to the structure of the Ten Commandments He issues a challenging call for Christians to live lives of personal holiness and offers a vision of the Christian life that is full of joy and blessing through living each day in a way that is pleasing to God Written by Wayne Grudem Bestselling author of Systematic Theology and the What the Bible Says About series Biblical and Applicable Teaches readers how to protect 7 central tenets of God s law God s honor human authority life marriage property truth and purity of heart Accessible An ideal textbook for Christian college and seminary ethics classes with straightforward language and a bibliography for the topic at the end of each chapter Replaces ISBN 978 1 4335 4965 6

Moral Passion and Christian Ethics Robin Gill,2017-03-06 In this book Robin Gill argues that moral passion and rational ethical deliberation are not enemies and that moral passion often lurks behind many apparently rational ethical commitments He also contends that though moral passion is a key component of truly selfless moral action without rational ethical deliberation it can also be extremely dangerous Gill maintains that a reanalysis of moral passion is overdue He inspects the gap between the purely rational accounts of ethics provided by some moral philosophers and the normative positions that they espouse and or the moral actions that they pursue He also contends that Christian ethicists have not been adept at identifying their own implicit moral passion or at explaining why it is that doctrinal positions generate passionately held moral conclusions Using a range of disciplines including cognitive science and moral psychology alongside the more usual disciplines of moral philosophy and religious ethics Gill also makes links with moral passion in other world faith traditions

A Textbook of Christian Ethics Robin Gill,2014-01-16 Robin Gill s A Textbook of Christian Ethics continues to be popular with students and lecturers it is difficult to find another textbook in the field that combines primary texts with extensive analysis and commentary This 4th edition has been extensively revised and it incorporates up to date developments in the field of Christian ethics Gill retains all the popular features of the previous editions including its layout and structure and in this new edition he also focuses on current debates including such topics as global Christianity global economics euthanasia and global justice and the environment      **Christian Ethics** Samuel Wells,2010-05-10 CHRISTIAN ETHICS CHRISTIAN ETHICS AN INTRODUCTORY READER The selection of readings is excellent and I d happily have my students devour them
