Plot	Li Hua, at first, was a weak girl who evolved into a powerful woman. She had a relationship with Bei Xiong who bought her from her adoptive parents who in turn bought her off from a sick peasant as an act of Buddhist Charity. Li Hua was treated by her parents rudely. The reason behind it was because she has no use at all. She has no talent for embroidery, frail, no love for cooking, etc. which the girls during those times really need to learn. She also experienced the same with Bei Xiong as she can't bear a child to him. She was forced to make love to Bei Xiong even if she has no love for him and she has to follow everything he commands even though it was against her will. Li Hua experienced the worst in her life but because these experiences made her stronger – in body, mind, and spirit – she in the end won the tyranny over her husband making her the master of her actions.
