Amos/Hosea/Micah A Call To Justice Six Weeks With The Bible:

The Stories of the Old Testament James P. Campbell, 2011-09-29 The forty six books of the Old Testament offer a rich feast of spiritual nourishment yet they are by no means the easiest books to read and understand Without a proper tour guide a person's trip through the Old Testament often ends shortly after it begins The Stories of the Old Testament takes the difficult task of reading the Old Testament and turns it into an exciting and enjoyable journey Author Jim Campbell leads readers through central texts essential stories and major figures of the Old Testament in one hundred carefully selected readings Each of the readings is meant to be completed in one sitting and is paired with Jim's enlightening guide to the text You'll also find dozens of short easy to grasp informational pieces that supply the background and commentary you'll need to understand the Old Testament in context Perhaps most important Jim helps us connect our stories today to those of long ago and see ourselves as a part of God's ongoing redemptive work that began in the beginning *Amos/Hosea/Micah* Joe

the clear and understandable New Living Translation *Introducing the Uncommon Lectionary* Thomas G. Bandy, 2010-09-01 Lays out the plan for a collection of readings from Scripture designed for the needs of seekers and the unchurched The church has used lectionaries lists of scriptures to be read on particular Sundays throughout the year across its long history Yet most lectionaries are inward looking they presuppose hearers who are familiar with the biblical story and accustomed to gearing their lives around the Christian year Yet in the increasingly pagan world of North America the church's task is to reach out to those who are spiritually hungry yet unfamiliar with the Christian story In this important new work Tom Bandy has given those who plan and lead worship a new lectionary specifically geared to the needs of seekers He lays out a plan for a trip through the central biblical narratives the purpose of which is to provide seekers with a basic understanding of the gospel and to call disciples to a deeper experience of Christian faith *Christians Make Peace* Margaret Nash, 1982 **The Bible Knowledge Commentary Minor Prophets** John F. Walvoord, Roy B. Zuck, 2018-03-01 God's Love and Justice on Display What do we know about the date of Joel's ministry How do the warnings of Malachi relate to the Book of Revelation How did Amos's profession as a rancher influence his prophetic voice Drawing on the research of internationally known Bible scholars this detailed commentary looks at each verse of the final books of the Old Testament The words of the minor prophets draw us closer to God by teaching us about His enduring love His judgment to the unfaithful and mercy to the repentant and His call to restoration for people who have suffered Covering every book from Hosea through Malachi this commentary shows the meaning behind these powerful prophecies while reminding us how ordinary people spoke extraordinary truth on behalf of a loving and just God *The Sunday School Times*, 1934 *The Books of Joel, Obadiah, Jonah, and Micah* Leslie C. Guthrie, 2011-11-01 Stories are basic to life Everybody loves a good story We have been reading listening to or watching stories all of our lives so we intuitively know a lot about how they work Yet more and more Christians are unfamiliar with the stories of the Bible and how the grand narrative of God's Word fits together Indeed God gave us the stories of the Bible to reveal great truth about Himself and about our lives and He wants to draw us into the ongoing story of what He is doing in the world By focusing on the narrative framework of Scripture we can better understand what the Bible teaches and live out its instruction more effectively Reading God's Story takes that
