Atonement Adam J. Johnson, 2015 *Progressive Creation and the Struggles of Humanity in the Bible* Zoltan Dornyei, 2018-03-22 Why does the Christian walk often feel like an ongoing struggle and why does God's creation include imperfection let alone forces that are intent on thwarting God's creative work In seeking a response to these questions this book argues that the biblical accounts describe creation in terms of a progressive transformation process whereby the initially incomplete created order will reach perfection only in the fulfillment of new creation The following discussion then outlines a comprehensive framework for the biblical theology of humanity's struggles centered on three key themes corporeal temptation deficient social structures and the much debated notion of spiritual warfare The book presents an overarching canonical narrative that threads together a series of diverse biblical topics from Job's temptation to the Atonement The final part surveys biblical teaching on how human conduct can be aligned with God's creative purpose and discusses three assignments from Jesus to believers to celebrate the Eucharist to pray the Lord's Prayer and to fulfill the Great Commission

The Seven Stories that Shape Your Life Gerard Kelly (Author), 2016-02-15 The most basic questions everyone faces in life is Why am I here What is my purpose Gerard Kelly presents the stories that make up the overall story of God in the world And here we find our purpose for each of our individual Christian lives Our purpose is as distinctive as our fingerprint and we will connect with it when we connect with our identity and origin in God God remembers how he made us and is committed to the fruitfulness and fulfillment of our potential We discover the importance of finding our place of service and usefulness knowing that our lives have meaning in the purposes of God

The Hermeneutics of Participation Greg McKinzie, 2025-07-15 Many theological interpreters of Scripture have claimed that church practices produce well formed readers But which practices Greg McKinzie argues that missional hermeneutics challenges the church to include participation in God's mission among the indispensable components of readerly formation After a quarter century of contemporary reflection on missional theology however the meaning of participation in God's mission remains vague In order to explain why it is a critical hermeneutical experience therefore McKinzie sets out to develop a theological account of missional participation that incorporates the concepts of the *sis* embodied narrativity and solidarity Then in conversation with the hermeneutical phenomenology of Paul Ricoeur the study suggests how theologically recontextualizing a model of the movement from embodied commitments to textual interpretation in terms of participation in God's mission illuminates the epistemic reconstitution of the church's theological interpretation of Scripture Understanding participation in God's mission as theological interpretation's proper locus theologicus should reorient the notion of readerly formation because the formation of missional readers is the process in which God opens the reading community's embodied eyes of faith through the works of faith seeking understanding

Christian Experience: Or, A Guide to the Perplexed Robert Philip (D.D.), 1872 *The Letter to the Colossians* Scot McKnight, 2018-02-26 The Letter to the Colossians offers a compelling

vision of the Christian life its claims transcend religion and bring politics culture spirituality power ethnicity and more into play Delving deeply into the message of Colossians this exegetical and theological commentary by Scot McKnight will be welcomed by preachers teachers and students everywhere **Calvin on the Death of Christ** Paul A. Hartog, 2023-04-27

John Calvin's understanding of the extent of the atonement achieved in Christ's death is one of the most contested questions in historical theology In common thought Calvin's name is closely associated with the limited atonement stance canonized within the TULIP acronym but Calvin's personal endorsement of a strictly particularist view whereby Christ died for the elect alone is debatable In *Calvin on the Death of Christ* Paul Hartog re-examines Calvin's writing on the subject traces the various resulting historical trajectories and engages with the full spectrum of more recent scholarship In so doing he makes clear that while Calvin undoubtedly believed in unconditional election he also repeatedly spoke of Christ dying for all or for the world These phrases must be held central if we are to discover Calvin's own view of the subject Hartog's conclusions will surprise some and may hold significant implications for the Calvinist tradition today Throughout however they are cogently articulated and sensitively pitched A Theology of Matthew's Gospel Michael J. Wilkins, 2025-10-07

A Theology of Matthew's Gospel develops the perspective that Matthew wrote his Gospel to identify defend and proclaim Jesus Immanuel God with us as the Davidic Messiah who fulfilled the OT expectations of humanity's redemption Matthew's Gospel establishes Jesus's identity as the heir to the promises of Israel's throne through King David and heir to the promises of blessing to all the nations through the patriarch Abraham 1:1 So this first Gospel offers evangelistic hope in Jesus's message of the gospel to Jews contending that they should turn to Jesus as their long-awaited Messiah Matt 11:2-6 But strikingly Matthew's Gospel also offers evangelistic hope to Gentiles emphasizing that salvation through Jesus Messiah is available to all the nations 28:19 The book emphasizes the three horizons that comprise Matthew's gospel history theology and literature The first horizon focuses on Jesus's history ministry Here Matthew provides for us a record of God's activities in history in the arrival of Jesus Messiah and the kingdom of heaven The second horizon develops Matthew's theological perspective for his audience's Here we attempt to understand and isolate Matthew's unique theological perspective of God's activities in Jesus Messiah This is a central focus emphasizing Matthew's theological perspective of the Old Testament Christology the kingdom of heaven discipleship the Church church Israel past present and future the death and resurrection of Jesus mission commission and eschatology eternity The third horizon emphasizes today's reader's engaging with Matthew's Gospel as literature Here we attempt to capture the significance of the perspective of today's reader's understanding of Jesus Messiah's activities in history and Matthew's theological perspective for the contemporary church In this book we view Matthew's perspective of God's activities in Jesus's unfolding earthly ministry The alternating sections of narrative and discourse provide for his readers Jesus's example to follow and Jesus's words to obey Therefore Matthew's Gospel is at least in a part a manual on discipleship to Jesus Messiah in the kingdom of heaven In the six Narratives Matthew reveals Jesus's true identity in his

deeds and introduces themes that will lead to instructions to Jesus's disciples in the Discourses. The six Narratives provide the example that Jesus's disciples are commanded to obey. In the five Discourses, Matthew records Jesus's instructions, commands, parables, directives, and prophecies that will guide his followers in their discipleship to Jesus until the end of the age. Combined, the narratives of Jesus's life provide Jesus's example to follow, and the discourses give Jesus's instructions to obey and are the basis of our ongoing transformation to become like Jesus. *Evil in the Modern World* Laura

Dryjanska, Giorgio Pacifici, 2022-03-10. This interesting volume focuses on a set of phenomena which increasingly alarm the political world and public opinion from the more obvious ones like torture, disease, human trafficking, abuse, genocide, displacement to more subtle forms found in sports, technology, and law. It looks at how and why these phenomena are universally condemned and could be considered to threaten the very foundations of modern democracy yet continue to be tolerated. The volume therefore goes beyond what Hannah Arendt has called the banality of evil and discusses the presence of condemned and heinous practices in society as fluid and chaotic but as non-trivial, capable of great transmutations through various epochs. Practices and actions considered as evil manifest in situations where individuals or groups hold power or seize power, and the contributions in this volume explore the close relation between power and evil. The volume draws upon sociology, psychology, cultural studies, political science, as well as philosophy, theology, anthropology, and neurology of the individual and of the group to provide a comprehensive understanding of the multiple facets of evil in the contemporary world. *Eating Christ's Flesh* Steven Nemes, 2023-10-19. What does it mean to eat Christ's flesh? John 6:53. And what does this eating have to do with the bread and wine of the eucharistic meal which Jesus called his body and blood? 1 Cor 11:23-25.

These are central questions in the theology of the Eucharist. Memorialism says that to eat Christ's flesh is to take joy in Christ's person and work. The bread and wine of the Eucharist make it possible to engage in this sort of eating sacramentally by serving as symbols that represent Christ's person and work. This book presents a systematic case for memorialism. It addresses the biblical loci classici: the bread of life discourse, the words of institution, and 1 Corinthians' important early church sources: the Didache, Ignatius, Justin Martyr, Irenaeus, and Tertullian, and the philosophical/phenomenological interpretation of the Eucharist in Huldrych Zwingli and Michel Henry. It also argues against the alternative pneumatic and real presence paradigms in conversation with their historic and contemporary advocates. *Themelios, Volume 34, Issue 2*

The Oxford Handbook of Reformed Theology Michael Allen, Scott R. Swain, 2020-10-30 *The Oxford Handbook of Reformed Theology* looks back to past resources that have informed Reformed theology and surveys present conversations among those engaged in Reformed theology today First the volume offers accounts of the major historical contexts of reformed theology the various relationships ancient and modern which it maintains and from which it derives Recent research has shown the intricate ties between the patristic and medieval heritage of the church and the work of the reformed movement in the sixteenth century The past century has also witnessed an explosion of reformed theology outside the Western world prompting a need for attention not only to these global voices but also to the unique and contingent history of reformed theology in the West hence reflecting on its relationship to intellectual developments like scholastic method or the critical approaches of modern biblical studies Second the volume assesses some of the classic representative texts of the reformed tradition observing also their reception history The reformed movement is not dominated by a single figure but it does contain a host of paradigmatic texts that demonstrate the range and vitality of reformed thought on politics piety biblical commentary dogmatic reflection and social engagement Third the volume turns to key doctrines and topics that continue to receive attention by reformed theologians today Contributors who are themselves making cutting edge contributions to constructive theology today reflect on the state of the

A Curious Student's Guide to the Book of Leviticus Reuven Travis, 2023-02-03 Judaism has always found meaning in the sacrificial rites called avodah or service in Hebrew For more than twelve hundred years beginning with the Mishkan the Tabernacle in the Sinai wilderness and continuing through both the First and Second Temple periods animal sacrifice was the principal form of communal service of God for the Jewish people This all came to an abrupt end with the destruction of the Second Temple by the Romans in 68 CE and the Jewish people turned to prayer as their primary mode of worship From this perspective it might seem that the study of Leviticus which is largely about the laws of sacrifice would seem unnecessary if not irrelevant for young children Nothing could be further from the truth Leviticus is replete with important life lessons for children ranging from not bearing grudges to being truthful in business From the responsibility to care for the poor to the obligation to strive to be holy we find everyday aspects of one's life as opposed to limiting this to rituals and religious celebrations Throughout the book Leviticus emphasizes the dignity of human beings and what this means for our personal interactions with one another It can and ought to be taught in an age appropriate manner to young children and that is what this book strives to do

The Gospel in the Dock Bryan M. Christman, 2021-08-10 C S Lewis famously penned the phrase God in the Dock and proposed that there was a great divide between ancient and modern humans in that our ancestors would have rightly seen themselves in the dock before God while we moderns have placed God there before us But what if what God's love most desires for us the gospel or good news of the only way of life for humanity has been in the dock before us from the time of Adam and Eve And what if it is also the case that the gospel is often in the dock as though it is not good even for the church This book builds upon and expands the life and death stakes Lewis proposed by demonstrating that the gospel way of faith itself has been placed in the dock by us and in many ways ruined our relationships with God with our own selves with one another and even with the natural world itself which we are meant to steward for its good In these pages the reader will discover why the gospel that requires faith is good news but why we so tragically default to our divisive and self destructive ways
