A Year Of Daily Wisdom Perpetual Flip Calendar:

A Year of Daily Wisdom Marianne Williamson, 1997 This collection of quotes by Marianne Williamson based on the bestselling *A Course in Miracles* and formatted into a beautiful boxed undated perpetual calendar is designed to uplift enlighten and bring healing energy into the reader's life Boxed **The Age of Miracles** Marianne Williamson, 2008-01-01 As seen on OWN's Super Soul Sunday The need for change as we get older an emotional pressure for one phase of our lives to transition into another is a human phenomenon neither male nor female There simply comes a time in our lives not fundamentally different from the way puberty separates childhood from adulthood when it's time for one part of ourselves to die and for something new to be born The purpose of this book by best selling author and lecturer Marianne Williamson is to psychologically and spiritually reframe this transition so that it leads to a wonderful sense of joy and awakening In our ability to rethink our lives lies our greatest power to change them What we have called middle age need not be seen as a turning point toward death It can be viewed as a magical turning point toward life as we've never known it if we allow ourselves the power of an independent imagination utilizing thought forms that don't simply flow in a perfunctory manner from ancient assumptions handed down to us but rather flower into new archetypal images of a humanity just getting started at 45 or 50 What we've learned by that time from both our failures as well as our successes tends to have humbled us into purity When we were young we had energy but were clueless about what to do with it Today we have less energy perhaps but we have far more understanding of what each breath of life is for And now at last we have a destiny to fulfill not a destiny of a life that's simply over but rather a destiny of a life that is finally truly lived Midlife is not a crisis it's a time of rebirth It's not a time to accept your death it's a time to accept your life and to finally truly live it as you and you alone know deep in your heart it was meant to be lived *Midlife Awakening* Marianne Williamson, 2025-10-28 In this New York Times bestseller a popular spiritual teacher and thought leader shows you that menopause isn't an ending it's an opportunity for a powerful new beginning A revised edition of *The Age of Miracles* with new content from the author There are times in life when one phase ends and another begins In *Midlife Awakening* our post menopausal years are described as a second puberty a time when an era of our selfhood gives way to something new This new chapter need not indicate decline It can in fact be a time of spiritual awakening While physical age and societal prejudices can form an emotional undertow for all of us best selling author Marianne Williamson guides toward the psychological power to counter that Blending soulful insight with practical wisdom Williamson explores the emotional spiritual and psychological shifts that occur in midlife Rooted in timeless truths her insightful guidance will help you Let go of what is no longer yours so you can receive the gifts that are only yours now Navigate the changing dynamics of age so you can find your grounding in those things that do not change Learn to forgive the past and embrace new opportunities for the future Discover the growing momentum towards redefining midlife in the modern era For those in their 40s 50s and beyond this is a compassionate and uplifting companion through the new midlife a
