Terra Incognita. Родительство в ситуации аутизма Елена Юрковская, 2022-05-15 **Beating Autism** Anne M Evans, 2015-06-15 Autism is epidemic In 2010 the Centers for Disease Control reported that 1 in 68 children are identified with autism spectrum disorder a 30 percent increase from 2008 and a 60 percent increase from 2006 Yet the phrase Autism Spectrum Disorder is simply a label the underlying causes of the symptoms are rarely diagnosed Conventional doctors are unable to help because they are restricted by the guidelines of the American Medical Association So what is a parent to do Beating Autism is the personal story of Anne Evans s struggle to find answers to the cause and cure of her daughter s condition Evans left the world of conventional medicine and found not only the source of her daughter s autism but clear steps to her complete healing alternative medicine allergy elimination and Field Control Therapy She found a combination therapy which brought about a complete reversal of symptoms and healed her daughter without the use of expensive equipment pharmaceuticals or surgery From that moment on the Evans family used diet and Integrated Chinese Medicine ICM and Field Control Therapy to diagnose the condition of Sarah s brain tissue analyze her dietary needs detoxify her organs and boost and redirect her own immune system to fight off invading pathogens without the use of antibiotics or psychotic drugs Their daughter showed improvement immediately and recovered completely Beating Autism is the compelling and true story of the Evans s 3 year struggle battling and overcoming autism It is a case study that includes full explanations of the weekly drug free treatments details of the side effects and their durations and a complete list of materials metabolic and psychological tests laboratories and clinicians used For the past 15 years the Evans daughter has been fully functional with no signs of the disorder Find out how you can get your child on a path to recovery and beat autism too

Bowker's Complete Video Directory, 1998, 1998 [The Complete Directory for People with Disabilities](#), 2002 **The Washington Post Index**, 1989 [The Guardian Index](#), 2003 **The Cumulative Book Index**, 1988 A world list of books in the English language **American Book Publishing Record**, 1998 [Defeating Autism](#) Michael Fitzpatrick, 2008-10-27 Autism disease disorder or difference What causes autism genes or environment Can biomedical treatments cure autism and are they safe An increased public awareness of autism has resulted in a rising trend of diagnoses creating the impression of an epidemic Many parents of children newly diagnosed with autism have been impressed by plausible theories blaming vaccines and other environmental causes Many have also been captivated by claims that biomedical treatments including special diets and supplements detoxification and medications can achieve dramatic results In *Defeating Autism* Michael Fitzpatrick a family doctor and father of a son with autism questions the scientific basis of environmental explanations of autism and exposes the incoherence of unorthodox biomedical theories and therapies This book reveals that these therapies are far from pioneering interventions and they remain unsubstantiated by scientific authorities Campaigns promising to defeat or cure autism now have attracted much support among parents struggling with

their difficult children But the crusade against autism risks dehumanising and stigmatising those who are identified as autistic and their families This compelling book is essential reading for students and professionals working in the field of autism as well as academics concerned with the public understanding of science and the treatment of scientific and medical controversies in the media

Autism Treated and Cured Anne M. Evans, 2014-03 Autism is epidemic Yet there is really no such thing as Autism Spectrum Disorder only undiagnosed children Autism Treated and Cured is a non fiction story of a mother who used Chinese medicine to heal her daughter s autism with dramatic results The daughter s recovery is logged day by day with full explanations plus side effects and their durations This is a complete case study in autism recovery No drugs or behavioral therapy were used The doctor Mrs Evans used is highlighted in the forward Listings of the materials metabolic and psychological tests laboratories and clinicians are all included Buy Autism Treated and Cured and discover what a real medical diagnosis looks like

Beating Autism Anne M. Evans, 2015-05-19 Beating Autism is the personal story of Anne Evans s struggle to find answers to the cause and cure of her daughter s disorder Evans left the world of conventional medicine and found not only the source of her daughter s autism but clear steps to her complete healing complementary and alternative medicine and allergy elimination She found out how the underlying cause of any disease including autism could be determined and healed at the level of quantum physics without the use of expensive equipment pharmaceuticals or surgery Beating Autism is the compelling story of Anne and Sarah Evans s three year struggle battling and overcoming autism For the past fifteen years Sarah has been fully functional with no signs of the disorder

Defeating Autism Ugonna Sylvester-Ogan, 2018-09-29 Nothing is as good as knowing that parents of autistic children can exert positive authority over them through the power of God which brings total healing This authority when exercised makes it easier for teachers or therapists to achieve positive results with the child The truth is once God gives you a child whether challenged or not He also empowers you to help that child fulfil his or her destiny This book chronicles my experience of having three kids at their early years with symptoms of autism with no knowledge of what autism was and having to be in an environment that was ignorant as at that time There was so much stigma from the society in that environment towards my kids stigma of being laughed at in school by other kids the stigma of not behaving normally like other kids in the school or seeming to lack home training stigma about whether you had done something wrong in the past which has resulted in your kids behaving this way Not knowing who to run to I focused on God their creator knowing fully well that He must surely have instructions for me on how to take care of His children instructions are what I call my God s therapy And as I followed the instructions through prayers and meditations on His Word I gained more positive authority over my children God gave me specific prayer points for each of them and specific teaching therapies This authority gave me a different perspective of the challenges my children were facing I began to see my children as who the Word of God says they are and made positive declarations over them everyday Today my children are doing exceptionally well excelling brilliantly in their academics and exhibiting great

potentials for the future The work of different professional therapists and the advent of the internet has brought about greater awareness about autism However engaging a professional therapist is quite expensive I did not know about professional therapy until my last child was four years old and even then I couldn't afford it so I went back to the strategy that got me victory for my first two children engaging the power of God's instructions The causes of autism are still being investigated and there is no known cure for it yet it can only be managed I have specifically written this book for parents who do not want to manage autism but desire total victory for their children *Conquering Autism* Stephen Edelson,2004 Revealing how hidden environmental toxins have a profound impact on autistic children a revolutionary program shows parents how to detoxify and desensitize their autistic child to everyday toxins by strengthening their immune system changing their diet and using herbal supplements to help them lead a more rewarding life Reprint 10 000 first printing

Autism's False Prophets Paul A. Offit,2010 A London researcher was the first to assert that the combination measles mumps rubella vaccine known as MMR caused autism in children Following this discovery a handful of parents declared that a mercury containing preservative in several vaccines was responsible for the disease If mercury caused autism they reasoned eliminating it from a child's system should treat the disorder Consequently a number of untested alternative therapies arose and most tragically in one such treatment a doctor injected a five year old autistic boy with a chemical in an effort to cleanse him

How I Cured My Son of Autism - A Journey of Love, Devotion, Healing and Hope Mary McNicol,2016-01-07 This is a mother's story of Devotion love and belief This book is based on her son's journey through beginning on the Autistic spectrum This book is meant to serve as a practical guide to help you as a parent When we started this journey with Finlay we had no idea it was going to take us into uncharted territory We are so grateful for all the support during the years of Finlay's transformation We hope you gain some insight into the condition of Autism and you can use some of the ideas to help you on your journey My son is now living life and not just existing One Heart, One Mind Pierre Fontaine,2016-03-21 A diagnosis of autism spectrum disorder ASD can be startling news for any parent Professional homeopath Pierre Fontaine CCH provides hope for a permanent and natural solution Disputing that most ASD is not reversible Fontaine empowers parents with the knowledge needed to seek alternative care Through explanations of both ASD and homeopathy he presents cases from his own practice that demonstrate how autism can be reversed when paired together Fontaine outlines how he looks into both the child's history and the parents experience of their child in order to go beyond simply treating the symptoms of the disorder He ultimately seeks to find what is at the core of the child's suffering and how parents can help One Heart One Mind gives families as well as health professionals a fresh look at how practical solutions to autism can be discovered in a book that offers exactly what parents are seeking Hope Unraveling the Mystery of Autism and Pervasive Developmental Disorder Karyn Seroussi,2000 The role of vaccines food intolerances and yeast **Warrior Mom** Tracy M. Slepcevic,2023-01-10 Modern medicine considers Autism to be an incurable diagnosis but Warrior Mom

challenges this claim sharing one mother's journey to heal her son For any parent who has heard the chilling words your child has autism Tracy Slepcevic offers hope inspiration and advice to help you navigate the system evaluate different treatment options and heal your child's underlying conditions After her son Noah had a severe regression after meeting all his milestones Tracy spent years trying to figure out what was wrong with her little boy Once given a diagnosis doctors said Noah would never lead a fully functioning life but Tracy knew this was not her son's fate Refusing to give up Tracy read dozens of books attended autism conferences and spent countless hours researching how to heal her child She was determined to turn her son around from what doctor's called an incurable diagnosis so that Noah could live his best life possible Over the years Noah made great progress with biomedical intervention and lives a fully functional life today with a bright future ahead of him Warrior Mom is an inspiring story of hope and an indispensable guidebook for any parent desperate to hear the truth that autism is not a hopeless diagnosis and that many underlying conditions associated with autism are treatable

Autism Breakthrough Raun K. Kaufman, 2014-04-01 An innovative alternative approach to creating a child centered environment that directly empowers parents and caregivers Kirkus Reviews As a boy Raun Kaufman was diagnosed by multiple experts as severely autistic with an IQ below 30 and destined to spend his life in an institution Years later Raun graduated with a degree in Biomedical Ethics from Brown University and today he has become a passionate and articulate autism expert and educator with no trace of his former condition So what happened Thanks to The Son Rise Program a revolutionary method created by his parents Raun experienced a full recovery from autism a story recounted in a bestselling book and an award winning NBC television movie In Autism Breakthrough Raun presents the groundbreaking principles behind the program that helped him and thousands of other families with special children Autism he explains is frequently misunderstood as a behavioral disorder when in fact it is a social relational disorder Raun explains what it feels like to be autistic and shows how and why The Son Rise Program works A step by step guide with clear practical strategies that can be applied immediately in some cases parents see changes in their children in as little as one day Autism Breakthrough makes it possible for these special children to defy their original often very limited prognoses Parents and educators learn how to enable their children to create meaningful caring relationships vastly expand their communications and to participate successfully in the world An important work of hope science and progress Autism Breakthrough presents the powerful ideas and practical applications that have already changed the lives of families all over the world

Three Times the Love Lynn Gaston, Randy Gaston, 2009-03-19 The powerfully moving story of one family's journey toward healing their triplet sons with autism Lynn and Randy Gaston were overjoyed to discover they were having triplets after many arduous years of trying to conceive But at eighteen months the boys began exhibiting odd new behaviors among them toe walking arm flapping and in Nicholas a sudden muteness Terrified and dumbfounded Lynn began researching their behavior on the Internet The same glaring diagnosis kept popping up each boy was displaying symptoms of autism though each at a

different point on the spectrum Receiving little support from their own pediatrician Randy and Lynn hired their own therapists and began intensive behavioral treatment not covered by their health insurance Offering invaluable advice that ranges from educational programs to legal issues to a comprehensive assessment of the therapies and interventions that have worked for their three unique children Three Times the Love provides a road map for all families who will need to follow them through the trenches Filled with practical advice and an extensive resource list it is an essential guide for any family touched by autism
