Wicked Sexy Liar Christina Lauren, 2016-02-02 London Hughes is very content to surf daily, tend bar, hang out with her group of friends and slowly orient herself in the years after college. When a wave knocks her for a loop one morning, then Luke Sutter's flirtatious smile knocks her for another that evening, she veers slightly off course and into his path. Why not? It's only one night. As much as she enjoys her fling with Luke, when London learns about his past more specifically who's in it, everything becomes the brand of complicated she strives to avoid. Can Luke manage things so he's not something she'll outright avoid as well?

**The True Love Experiment** Christina Lauren, 2023-05-16 Felicity Fizzy Chen is lost. Sure, she's got an incredible career as a beloved romance novelist with a slew of bestsellers under her belt, but when she's asked to give a commencement address, it hits her: she hasn't been practicing what she's preached. Fizzy hasn't ever really been in love. Lust. Definitely. But that swoon-worthy can't stop thinking about him, all encompassing feeling. Nope. Nothing. What happens when the optimism she's spent her career encouraging in readers starts to feel like a lie? Connor Prince, documentary filmmaker and single father, loves his work in large part because it allows him to live near his daughter. But when his profit-minded boss orders him to create a reality TV show putting his job on the line, Connor is out of his element. Desperate to find his romantic lead, a chance run-in with an exasperated Fizzy offers Connor the perfect solution. What if he could show the queen of romance herself falling head over heels for all the world to see? Fizzy gives him a hard pass unless he agrees to her list of demands. When he says yes, and production on *The True Love Experiment* begins, Connor wonders if that perfect match will ever be in the cue cards for him too.

*The Paradise Problem* Christina Lauren, 2024-05-14 Due to an antiquated clause in his grandfather's will, Liam won't see a penny until he's been happily married for five years. Just when Liam thinks he's in the home stretch, pressure mounts from his family to see this mysterious spouse, and he has no choice but to turn to the one person he's afraid to introduce to his one-percenters: parents. His unpolished, not-so-ex-wife.

*Green Forest Stories* Thornton W. Burgess, 2023-06-12 American naturalist and conservationist Thornton W. Burgess was the author of more than one hundred books for children; the best remembered of these is *Old Mother West Wind*, which was originally written for his young son. Burgess also wrote dozens of books about the creatures of the northern North American forest, four of which are collected here as the *Green Forest Stories*. This *Green Forest Stories* compilation focuses on Lightfoot the Deer, Blacky the Crow, Whitefoot the Wood Mouse, and twin bear cubs Woof Woof and Boxer. Readers may have encountered these characters in other of Burgess's stories about the little people of the Massachusetts forest. Burgess's earliest ventures into animal fantasy are roughly contemporary with Rudyard Kipling's *Just So Stories* and Beatrix Potter's tales of various animals, and represent the most lasting American entry into this genre. Animal fantasy is a subgenre of children's literature in which animals are anthropomorphized into human-like characters and use language like humans. It is often criticized by those who want readers to experience more realistic representations of animals and the natural world, but animal fantasies engage a

millennia old tradition in the Western canon reaching back at least as far as Aesop's Fables animal characters feature in teaching stories for children and adults in cultures around the world Burgess's stories are intended for children in the early elementary grades The challenges and triumphs of the little people in his stories will feel identifiable to many young readers and the snippets of moralizing and authorial commentary interleaved with the actions of the plot reflect a teaching device with a long history In these stories as in the Green Meadow Stories collection we observe features that signal Burgess's experience as a writer for periodicals and as an early radio broadcaster Each chapter begins with reminders about the previous chapter and chapters end with either a strong propulsive conclusion or a traditional cliff hanger The chapters are generally quite short a comfortable size to read as a bedtime story and just long enough to hold a new reader's attention without demanding too much of that reader's energy The strong narrative voice sounds distinctly like oral storytelling One can almost imagine a small group of young people seated in a circle at the storyteller's feet That image captures the essence of these animal tales They are light bright peeks into a complex and beautiful world a world any girl or boy may want to pursue through study or personal explorations As humanity faces the daily loss of animal species stories that delight readers and listeners that encourage them to learn about and respect the creatures of the non human world deserve our renewed attention and respect
