Marriage from the Heart Donald R. Downing, 2010-04 Marriage is God s idea He has no bad ideas He brought Eve to Adam married them and they lived as husband and wife for over 900 years Genesis 2 21 25 and 5 5 By this we can conclude that divorce was not God s idea but Satan s idea to destroy God s ideas plans and purpose of marriage between a man and a woman We seek to find the right person when the greater picture is to be the right person Man sets the time for the wedding but God sets the time for the marriage There is a great difference between a wedding and a marriage Many walk down the aisle to be wedded for all the wrong reasons Saying I do and placing wedding rings upon fingers does not always mean they are married within their hearts This book reveals that a man and a woman may marry and yet not be a true husband and wife It stresses the importance of friendship courtship engagement and being married from the heart Introducing a revolutionary approach to the covenant of marriage this book addresses commitment romance love keeping a right heart a sound mind and a pure relationship Dr Donald R Downing is a heart physician and specialist from God to the body of Christ He has written over 12 books and considers Marriage from the Heart to be one of his most important writings He believes the only way to defeat the high rate of divorce and separation is to restore romance to the relationship and to be truly married from the heart

shocked and surprised you'd feel coming face to face with one of your spirit guides who is going to help you to not only be set free from your rocky confines but free from the things in your life that have traumatised you and others for years too Kate Roberts was a disliked woman by many who crossed her path She was riddled with all sorts of phobias hang ups and was an emotional wreck most days but in her mind from her viewpoint she was fine Just fine Deeply in denial and always distracting herself in life to avoid confronting her problems was something that she was so accustomed to she had absolutely no idea just how damaged she really was Always keeping strangers at arms length it was virtually impossible for her to ever allow anyone to get past her brick wall and close to her It was a wonder that she had any friends at all but she did three to be precise They were her closer than close friends more like family Her three friends loved her unconditionally They all had a bond so close and tight that nothing in life and nobody either could ever come between their lifelong friendship But things were about to drastically change for Kate If she wouldn't listen to them and alter her negative thinking about some past situations in her life in order for her to finally move on there was someone else who she was about to meet who she'd have to listen to for she was about to be confronted not just by all of her problems but by herself too at last What she never expected was to also be faced with a very special person who had been watching her all of her life since childhood someone who had a love for her so deep that not even time space or even death could ever erase This the heart breaking but also very positive very moving powerful and inspirational story of a woman who learns the hard way that in order to change her life for the better she first had to experience many things in her forty two years of life in order to understand who she is and what her purpose here on Earth is What she never expected was to come face to face with someone who knows her better than herself and who loves her unconditionally despite her faults and imperfections How does Kate react to this wonderful encounter And how does she view the person who has been trying to help her to transform her life into a much more caring and selfless one We each have free will and can do whatever we choose to in life but what does Kate decide to do with hers When suddenly confronted with the biggest event that not will not only make her face up to herself and how badly she'd been treating herself and others it would also make her realise that ultimately people have two choices in life to choose to be happy and to love not only themselves but others too or to choose to go the other way wallowing in pessimism negativity and mistreatment of others to their own detriment This is the deeply moving and inspirational story of how one woman could transform her entire life in the blink of an eye if she wanted to just by seeing that the most important thing in life is love Giving love and living a life bound by a loving heart Here is Kate's story
