Questions and Answers for Parents, Guardians and Children

Why should I consider getting a Big Brother or Big Sister for a child?

We specialize in finding, sponsoring and carefully matching caring adult volunteers "Bigs" who want to make a positive difference in the lives of children who can benefit from having another trusted friend they can count on and rely on. Our members' friendships develop naturally based on the interests of the Big and Little, with the support of our professional staff who works on regularly to see how the match is going and when and where to answer questions and give the children. Typically, a child will spend time with a Big enjoying "fun and on our own" activities such as playing board games, sports, enjoying food trucks or dinner, watching a car, going hiking, eating or just hanging out and laughing out loud. Together they decide what kinds of activities they want to do. Our staff provides suggestions, and they consider the parent or guardian if there are any questions or concerns, such as allergies or physical considerations, that the Big needs to be made aware of to ensure the safety of the Little during outings.

Are you work with other Big Brothers Big Sisters agencies?

Yes. In some locations we may refer you to other Big Sister Association of Greater Boston or to Jewish Big Brothers Big Sisters of Greater Boston. This is determined by the zip code entered in the inquiry or application process. The guidelines and answers in this document apply to the programs run directly by Big Brothers Big Sisters of Massachusetts Bay, including our operations in Arlington, Fall River and in Cape Cod and The Islands.

How old does a child have to be to be enrolled as a Little?

Children who are at least 7 years old and have not yet passed their 13th birthday can be enrolled based on our history of match relationships, our findings indicate that youth enrolled within this age range are most likely to be successfully matched and benefit from our programs once matched, we continue to support matches for Little's up to 18 years of age or when they graduate High School. Eligible youth must complete the enrollment process prior to being considered for a match with a Big. Because it may take some time between the time you refer a child to the
