A Wicked Way To Burn:

A Wicked Way to Burn Margaret Miles, 1998 Witchcraft or murder 1763 With the end of the French and Indian War and a new king on England's throne it seems the colonies have entered a peaceful and prosperous new era And though the fashionable ladies of Boston might find Bracebridge altogether too peaceful to be stimulating young widow Charlotte Willett likes it just as it is But the calm of the little village is about to be shattered by a wealthy stranger who bursts into flame by the side of the road and then disappears The townspeople begin muttering about witchcraft and the devil's hand casting suspicious glances at a local Frenchman But Charlotte who has a keen interest in human nature and her neighbor Richard Longfellow gentleman farmer and scientist have more earthly speculations about the merchant's disappearance Was it murder or an elaborate scheme And with two mysterious deaths to follow and a tavern full of superstitious rabble will Charlotte and Longfellow uncover the answers before it's too late

The Gospel of the Canaan Journey Herbert W.

Byrne, 2003 From the Preface In commenting on the journey of the children of Israel from Egypt to Canaan the Apostle Paul said in I Cor 10 11 All these things happened unto them by way of example and are written for our admonition Here Paul teaches us that we can learn from this account of the history of Israel in two basic ways 1 by looking at the example they set and 2 by examining the fundamental principles and admonitions derived from their experiences In these studies we hope to accomplish two things see their example and discover the Gospel of the Canaan journey It has often been said that there is no gospel in the Old Testament The writer does not agree with this position and believes that there is just as much gospel in the Old Testament as in the New It is there in type and symbol in object lessons The people looked forward to the cross in Old Testament times but today people look back to the cross The Old Testament is the New Testament concealed the New Testament is the Old Testament revealed Beautifully pictured in the Pentateuch is the Gospel of the Canaan Journey These lessons have been prepared to make available practical material suitable for the pulpit devotionals Sunday school lessons and prayer meeting discussions The method of chronological development reveals the way the gospel is seen today By making application the reader is enabled to apply gospel truth and the saving power of Jesus Christ to his own soul and to those to whom he might minister Herbert W Byrne
