A Young Mans Journey Floyd Godfrey:

Can You Be Gay and Christian? Michael L. Brown, 2014-05-06 The question of how the church deals with homosexuality has become the great moral and spiritual issue of this generation How do we respond to gay people who tell us how much they love the Lord and experience God s power How do we answer them when they say that the greatest law is the law of love and that love requires us to embrace them as they are What do we do with the argument that the Old Testament laws such as the prohibition against homosexuality and the dietary laws no longer apply Gay and Christian will provide solid biblical answers clearly written and based on sound scholarship in a compassionate way that causes the reader to wrestle with the issues and discover the biblical truth The book also provides practical guidelines for ministry and shows readers how they can resist the gay agenda while reaching out to their gay friends and family **¿Gay y Cristiano?** Michael

Gibbons, Daniel Garner, Arthur Goldberg, 2012-10-01 As a young man Floyd struggled with unwanted attractions to other boys He worked furiously to keep God s commandments and pray but the feelings wouldn t go away He was tormented by temptations on a daily basis and started to consider that perhaps he was born gay Ultimately he met a man who had changed his own homosexual attractions Floyd attended a conference organized and taught by others who had changed their

orientation The stories at the conference were life changing Although he had spent a couple of years with a counselor it was the first time he heard information that actually made sense Floyd began to realize the attractions were symptoms of emotional needs and wounds As he focused himself on the emotional issues his attractions to other boys diminished This workbook is written for young men who want to understand the emotional needs and wounds which generate homosexual feelings It provides insight and understanding in a simple format It can be used for parents clergy and counselors as a format for supporting young men who want to change Goals and healing activities can be established from concepts in each chapter Thousands have experienced change Born that way is a myth **BACK COVER** **RKO Radio Pictures** Richard B.
