**The ABC Approach to Preventing the Sexual Transmission of HIV** Edward Crocker Green, Allison Herling, 2006-01-01

Essentials of Global Health Richard Skolnik, 2008-07-03 From the Publisher Essentials of Global Health is just one offering in Jones and Bartlett's new Essential Public Health series The book is a clear concise and user friendly introduction to the most critical issues in global health It illustrates key themes with an extensive set of case studies examples and the latest evidence While the book offers a global perspective particular attention is given to the health development link to developing countries and to the health needs of poor and disadvantaged people This introductory level textbook is perfect for undergraduate students and others new to the field of public health or global health It is based on and designed for a one semester global health course

*Fighting AIDS in Uganda* United States. Congress. Senate. Committee on Foreign Relations. Subcommittee on African Affairs, 2003

*Providing HIV Care: Lessons from the Field for Nurses and Healthcare Practitioners* Michelle Croston, Ian Hodgson, 2021-05-05 This very first book helps nurses and healthcare practitioners working in the field of HIV care across Europe to have practical examples of how they could improve adapt their services to improve outcomes for people living with HIV It provides the reader with both knowledge on a variety of different HIV related topic areas and also helps them to translate this learning into a clinical setting The main focus of the book is to share best practice in HIV nursing with the aim of providing a practical guide from multiple countries to improve outcomes for people living with HIV The book also acts as a resource to healthcare practitioners who are interested in working in many places in the world or carrying out research in HIV care

ABC of AIDS Peter Beverley, 1987

*An Evangelical on the Left* Anna Waldherr, 2007 An Evangelical on the Left examines the place of faith in the public forum focusing on the alliance between President George W Bush and the political movement known as the Christian Right Author Anna Waldherr is sharply critical of Bush Administration policies and ethics making the case that Christian religious beliefs and Neo Conservative political policy are fundamentally at odds While biblical in outlook An Evangelical on the Left addresses a variety of controversial topics with a fresh eye These include abortion poverty homosexuality racism and the war in Iraq Waldherr draws on historical references legal precedents economic analysis and social commentary to make sense of the complex times in which we live Seeking to bridge the divide between Left and Right An Evangelical on the Left calls for tolerance and brotherhood The book is uncompromising in relaying the Gospel message of love and forgiveness

**ABCs of Rotary, Fifth edition, 2012** Clifford L. Dochterman, 2012-12-31 A compilation of short easy to read informative articles about Rotary history and programs Originated as a series of articles written by 1992-93 RI President Cliff Dochterman for his Rotary club's weekly bulletin

**SPIN**, 1996-03 From the concert stage to the dressing room from the recording studio to the digital realm SPIN surveys the modern musical landscape and the culture around it with authoritative reporting provocative interviews and a discerning critical ear With dynamic photography bold graphic design and informed irreverence

the pages of SPIN pulsate with the energy of today's most innovative sounds Whether covering what's new or what's next SPIN is your monthly VIP pass to all that rocks

**Development and Faith** Katherine Marshall, Marisa Bronwyn Van Saanen, 2007 Publisher's description The faith and development nexus is both a promising new focus for secular development agencies and a historic reality for centuries world faiths and individuals inspired by their faith have played many roles in social change and social welfare Secular development agencies have largely operated in parallel to the world of faith motivated development The World Bank began in the late 1990s to explore ways in which faith and development are connected The issue was not and is not about religion but about the recognition that some of the best experts on development are faith leaders living and working in poor communities where strong ties and moral authority give them unique experience and insight The World Bank's goal is to act as a catalyst and convenor bringing together development practitioners to find common ground understand one another's efforts and explore differences Development and Faith explores and highlights promising partnerships in the world between secular and faith development entities It recounts the evolving history of relationships between faith and secular development institutions It focuses on the Millennium Development Goals as a common framework for action and an opportunity for new forms of collaboration and partnership

**Morbidity and Mortality Weekly Report**, 2002 *Global Ideologies Surrounding Children's Rights and Social Justice* Tshabangu, Icarbord, 2017-06-19 Social rights are a pivotal concern for all of society including today's population of children The study of the rights or lack thereof that children have must be undertaken to ensure that future generations are thriving members of their communities Global Ideologies Surrounding Children's Rights and Social Justice highlights the trials and tribulations that children have often had to overcome to be considered true citizens of their communities Featuring comprehensive coverage on a wide range of applicable topics such as child abuse socio economic rights social injustice and welfare issues this is a critical reference source for educators academicians students and researchers interested in studying new approaches for the social advancement of children

**Encyclopedia of Adolescence** Roger J.R. Levesque, 2011-09-05 The Encyclopedia of Adolescence breaks new ground as an important central resource for the study of adolescence Comprehensive in breadth and textbook in depth the Encyclopedia of Adolescence with entries presented in easy to access A to Z format serves as a reference repository of knowledge in the field as well as a frequently updated conduit of new knowledge long before such information trickles down from research to standard textbooks By making full use of Springer's print and online flexibility the Encyclopedia is at the forefront of efforts to advance the field by pushing and creating new boundaries and areas of study that further our understanding of adolescents and their place in society Substantively the Encyclopedia draws from four major areas of research relating to adolescence The first broad area includes research relating to Self Identity and Development in Adolescence This area covers research relating to identity from early adolescence through emerging adulthood basic aspects of development e.g biological cognitive social and foundational developmental

theories In addition this area focuses on various types of identity gender sexual civic moral political racial spiritual religious and so forth The second broad area centers on Adolescents Social and Personal Relationships This area of research examines the nature and influence of a variety of important relationships including family peer friends sexual and romantic as well as significant nonparental adults The third area examines Adolescents in Social Institutions This area of research centers on the influence and nature of important institutions that serve as the socializing contexts for adolescents These major institutions include schools religious groups justice systems medical fields cultural contexts media legal systems economic structures and youth organizations Adolescent Mental Health constitutes the last major area of research This broad area of research focuses on the wide variety of human thoughts actions and behaviors relating to mental health from psychopathology to thriving Major topic examples include deviance violence crime pathology DSM normalcy risk victimization disabilities flow and positive youth development
