The Misunderstood God The Lies Religion Tells About God By Darin Hufford:

Misunderstood God Darin Hufford,2025-05-01 The Misunderstood God tells the truth about who the Creator is This book analyzes what religion says about God s heart and personality and measures it up to what God calls Himself Love It simplifies a generation s tangled perceptions of God by taking a journey through the sixteen aspects of love described in one of the most well known Bible passages in the world 1 Corinthians 13 also known as the love chapter So many Christians have been bombarded with confusing teachings and doctrines that their understanding of God resembles a tightly tangled ball of Christmas tree lights This book takes that twisted mess and replaces it with one soft warm light of truth that anyone can embrace God is love

Is the Bible Infallible? Carmel Paul Attard,2019-09-26 Christians believe the Bible is God s revelation infallibly inspired by the Holy Spirit Is the Bible Infallible evaluates evidence for a divine or human origin such as Irreconcilable textual contradictions and myth based accounts Biblical cosmology s compatibility with modern science of the universe and solar system Agreement of Earth s shape and age with geological facts and radiometric dating Creation accounts confirmation through fossil records and man s appearance or evolution Transpiration of prophecies historical accuracy and miraculous accounts The book discusses The Bible s concepts of afterlife heaven hell salvation resurrection and the soul The meaning of Gospel and Kingdom of God Heaven It also debates whether Jesus is really the Christ the Messiah first promised to King David The Messiah Christ was supposed to suffer to redeem us from our sins Jesus is God the Son of Man and the Servant of the Lord God is both a loving father and a violent judge

Faith and Reason Carmel Paul Attard,2020-12-28 As a Christian you might have asked yourself questions like How could a benevolent God our Father punish anyone in fire eternally How could billions of non members of my church all be going to hell How can there be three Gods in one God How can Jesus be both human and divine Why is the kingdom of God in heaven but we pray for it to come on earth Why is the Bible infallible when it s littered with textual contradictions The talking serpent clearly relegates Adam and Eve s story to the realm of tales Since they never existed how could they have committed original sin So how could we inherit it And what did Jesus need to redeem us from It s been almost two thousand years will Jesus ever come back to earth How can Jesus be inside the Eucharist Faith and Reason shows why and how we ve come to believe such oddities The truth will set you free John 8 32 NIV

The Misrepresented God: Exposing the Lies of Religion, Beholding the True Nature and Character of God Revealed in Christ Great Igwe,2021-02-08 Throughout history the knowledge of God His nature character and actions has been misunderstood and misrepresented by those who are considered leaders in Christendom This is why the average person whether Christian or non Christian is quick to attribute any major bad events occurrences or actions as the will or deeds of God If there is an earthquake a global pandemic a terrorist attack or a mass shooting people s first instinct is to believe that God is somehow judging the world or punishing the world for its atrocities or maybe God is angry at the rise of the LGBTQ in the world It s so despairing to think that a child who is so loved adored and valued by his

father would have such a misinformed perception and mentality that he would believe that all the evil happening around him or to him is the work of his beloved Father Every parent s greatest fear is for his children to have a wrong impression about him her Despite the good works the parent do for the child as long as that child s mindset knowledge or perception towards his father is skewed every good thing will be seen as undercover evil and bad events in that child s life will be blamed on the parent The Misrepresented God tells the truth about who the Creator is This book analyzes what religion says about God s heart and personality and measures it up to what God revealed about Himself through his beloved Son Jesus Christ So many Christians have been bombarded with confusing teachings and doctrines that their understanding and knowledge of God describes Satan rather than God This book takes that twisted mess and replaces it with one soft warm light of truth that anyone can embrace God is love Nothing punctures the heart of every loving father like seeing that his children don t even know him or that they have a misguided view of him to the point they believe that he is the cause of their sickness and pain They believe they have to pay Him or do one or two things for Him to bless protect or love them That is so disheartening Now I don t claim to be a psychic reader or some prophet but I make bold to say that if there is anything that hurts the heart of our Sovereign Father it is the false knowledge or misrepresentation of His nature and character to His children Religion has told so many lies about the nature and character of God that it has destroyed many lives pushed people away from the Church or even turned them to atheism which is on the rise worldwide The Pew Research Center reckons that atheism and its shadowy second cousin agnosticism have grown rapidly around the world in the last five years

The Misrepresented God Great Igwe,2021-02 Throughout history the knowledge of God His nature character and actions has been misunderstood and misrepresented by those who are considered leaders in Christendom This is why the average person whether Christian or non Christian is quick to attribute any major bad events occurrences or actions as the will or deeds of God If there is an earthquake a global pandemic a terrorist attack or a mass shooting people s first instinct is to believe that God is somehow judging the world or punishing the world for its atrocities or maybe God is angry at the rise of the LGBTQ in the world It s so despairing to think that a child who is so loved adored and valued by his father would have such a misinformed perception and mentality that he would believe that all the evil happening around him or to him is the work of his beloved Father Every parent s greatest fear is for his children to have a wrong impression about him her Despite the good works the parent do for the child as long as that child s mindset knowledge or perception towards his father is skewed every good thing will be seen as undercover evil and bad events in that child s life will be blamed on the parent The Misrepresented God tells the truth about who the Creator is This book analyzes what religion says about God s heart and personality and measures it up to what God revealed about Himself through his beloved Son Jesus Christ So many Christians have been bombarded with confusing teachings and doctrines that their understanding and knowledge of God describes Satan rather than God This book takes that twisted mess and replaces it with one soft warm light of truth that anyone can embrace God is love Nothing punctures the

heart of every loving father like seeing that his children don't even know him or that they have a misguided view of him to the point they believe that he is the cause of their sickness and pain The God Myth and Other Lies Heather Thompson Day, 2014-04-20 These days agnostics are considered open minded atheists are considered scientific Buddhists are philosophical and Christians well they're just considered fools With so many myths and lies about God and Christianity out there it's easy for young adults to start questioning the relevance and certainty of their beliefs If you feel as if a skeptical world is assaulting your faith you are not left defenseless In The God Myth and Other Lies Heather Thompson Day provides clear well documented responses to the most common falsehoods Your own faith will be strengthened as you get solid answers about an array of hot topics including Creation Sabbath Jesus sex death and homosexuality Don't let other people's doubt steal your faith Instead let their questions inspire you to study what you believe As you do God will turn any shaky faith into holy confidence **Misunderstood** Andrea Moede, 2017-07-14 Can you imagine any greater pain than being deeply misunderstood particularly by those for whom you care most deeply If we choose to admit it this has happened to all of us at one time or another Whatever the situations were in your own life I am sure you felt incredibly wounded in those moments Whether justification ever comes is in some ways a moot point You just want people to believe the best about you and it hurts tremendously when they don't Imagine now if instead of just a handful of individuals misunderstanding you it's actually in the millions or possibly even billions I know I can't comprehend the scale of this but it is what I believe God has constantly faced ever since He created mankind in the Garden of Eden and the enemy began his assault on us through an assault on what we believe about God Make no mistake that we do have an enemy aka Satan or the devil He is the one deliberately creating shades of gray and making us doubt and misunderstand our creator God who is actually defined by love and goodness In fact while the name Satan means adversary or accuser the word devil is defined as slanderer or one who maliciously tells lies about others That should be a very revealing truth in regard to his primary battle strategy as he consistently lies to us about the character of our three part God our Heavenly Father our Savior Jesus and our Helper Holy Spirit The Bible is our guidebook and the only place we can go to counter the slander of God coming at us from every direction This ancient text reveals that God has feelings and emotions just as we do so it is a bit naive to think He is completely above this pain of being misunderstood So why would He not clear His name and set the record straight especially considering the countless accusations leveled against Him every day The reason for His restraint lies deep at the root of why He created mankind in the first place He wanted a family to lavish His love upon that would choose to love and pursue Him in return not a robotic people that would simply do as they were told If the God of the universe in all His glory was consistently breaking in on us and defending Himself overtly that wouldn't leave much room for our choice in the relationship now would it As a result God remains somewhat hidden for now peeking out on occasion beckoning us in to get to know Him to come to believe the best about Him regardless of what we experience in this broken world Yet very few choose to do so most remaining back in the

familiar spaces of religion Regardless of your history with God I hope that this book through the power of Holy Spirit awakens something in you to begin on this path He is ever ready and willing to reveal Himself and correct all of our misunderstandings In fact there is nothing He would enjoy more If you ve ever found yourself speculating about His character based on what you ve heard in religion or experienced in life here is your invitation to embark on a personal journey of significant discovery The God of the universe actually longs to be understood by YOU why wait any longer So what comes to your mind when you think about God How does that end up coloring your world for better or worse Pick up Misunderstood this summer for a refreshing read that will boost your image of God yourself and the world around you

Understanding God's Love Ronald Greib,1997 Ronald Grieb has undertaken a study of how God is misunderstood and misrepresented showing how false ideas of God neutralize His power and authority and lead people into the worship of false deities of their own manufacture

Two Big Lies Julio Carrancho,2022-01-27 By two fundamental lies religion does command submission from the inattentive victims First major lie God says Second major lie God told me to tell you These are the two venomous lies applied to implant fanaticism in the innocent heart The material used in this book was collected from my debates with more than a hundred members of religious groups I participated in on Google Plus and Facebook over a period of several years

The Lies about God B. C,2018-07-06 There are many lies about who GOD is and what GOD does There are also many who proclaim to be Christians but live like everyone else There are questions and due to this politically correct world many are afraid to answer them I am not one of those This is not a self help book to make you feel excited and take on the world I speak it how I see it and I am not afraid to reveal The Lies About GOD

The Lies We Believe about God Chris Thurman,2017-07-01 Without even realizing it many people believe lies about God such as God s love must be earned God has lost control of everything God gives us everything we want in life In The Lies We Believe about God psychologist Chris Thurman explores the influences that affect everyone s view of God the cost of not knowing God for who He really is and how knowing God more intimately can bring greater meaning and joy to life This engaging biblically rooted book calls readers to see the truth of who God is truth that can set them free to enjoy a deeper relationship with Him

Ten Lies About God Erwin Lutzer,2002-02-08 The clearer we see God the clearer we shall see ourselves With this conviction firmly in mind Dr Erwin Lutzer examines ten lies about our Maker that have crept into spiritual thought in postmodern times And he notes that these deceptions are prominent not only in non Christian minds but in the professing church as well On the surface each of these lies may appear at least partially true or even harmless But as Dr Lutzer reveals each harbors a distinct danger It isn t biblical so it puts our faith at risk In Ten Lies About God he challenges the accuracy of these beliefs Lie 1 God is whatever we want him to be Lie 2 Many paths lead into God s presence Lie 3 God is more tolerant than He used to be Lie 4 God has personally never suffered Lie 5 God is obligated to save followers of other religions Lie 6 God takes no responsibility for natural disasters Lie 7 God does not know our decisions before we make them Lie 8 The Fall ruined God s plan Lie 9 We

must choose between God's pleasures and our own. Lie 10 God helps those who help themselves. The goal of Dr Lutzer's study is not only purity of spiritual belief but an enhanced worship of God.

Understanding The Truth About God Theodore Yocum, 2022-01-10 I am not religious as such this book is not about religion I am not a Jew Christian or Muslim This book is the result of what God has shown me concerning what man has misunderstood about God The only source for this book is God and His Three Words Old Testament New Testament and the Qur'an If it is the Truth that you seek concerning affairs of God it is explained in this book Agnostics and atheists will find Freedom here the religious will most likely find conflict The Truth about God is NOT what man has taught you it IS what God is teaching you God Created Man Man created religion I embrace God yet I rebel against religion Love it or hate it your beliefs cannot change the Truth This book only puts forth the Truth

The Misunderstood Ekpo Bassey, 2022-04-06 From the Garden of Eden where blaming games originated and through that our God has been misunderstood This is the main theme of this book that we see how God is viewed as the originator of our problems In reality He is there to protect and save us from all unrighteousness The problem we have is that we do not exercise the patience to wait on God's timing on whatever circumstances that we are challenged with Therefore we then apply human reasoning to our circumstances instead of viewing things in God's perspective To borrow my spiritual father Charles Stanley's saying we should obey God and leave all consequences to Him If we learn to trust God and obey Him even if it doesn't seem favorable to our human reasoning we are positioned to be successful I have a strong confidence in the Lord that this book will open the eyes of people to see that God is a loving Father to all

The Contradiction of God Danny Clark, Zachary Clark, 2014-08-03 God doesn't think like you That's your first big problem And you don't think like God That's your second big problem And to hear God tell it the difference is not even close And that's your biggest problem of all For my thoughts are not your thoughts neither are your ways my ways saith the Lord For as the heavens are higher than the earth so are my ways higher than your ways and my thoughts higher than your thoughts Isaiah 55:8-9 In an object lesson so big that only a measurement of all existing matter and space could provide an adequate point of comparison God juxtaposes the way He thinks with the way you think and formally announces His astonishing conclusion My thoughts are not your thoughts But then again that's just the way God tells it You of course may disagree Apparently most people do This book is available for free download on TheContradictionOfGod.org
