The Fashion Orphans Randy Susan Meyers, M.J. Rose, 2022-02-01 Two estranged sisters find that forgiveness never goes out of style when they inherit their mother's vintage jackets purses and pearls of wisdom Estranged half sisters Gabrielle Winslow and Lulu Quattro have only two things in common mounds of debt and coils of unresolved enmity toward Bette Bradford their controlling and imperious recently deceased mother Gabrielle the firstborn was raised in

relative luxury on Manhattan's rarefied Upper East Side. Now at fifty-five, her life as a Broadway costume designer married to a heralded Broadway producer has exploded in divorce. Lulu, who spent half her childhood under the tutelage of her working-class Brooklyn grandparents, is a grieving widow at forty-eight. With her two sons grown, her life feels reduced to her work at the Ditmas Park bakery owned by her late husband's family. The two sisters arrive for the reading of their mother's will, expecting to divide a sizable inheritance, pay off their debts, and then again turn their backs on each other. But to their shock, what they have been left is their mother's secret walk-in closet jammed with high-end current and vintage designer clothes and accessories, most from Chanel. Contemplating the scale of their mother's self-indulgence, the sisters can't help but wonder if Lauren Weisberger had it wrong because it seems in fact that the devil wore Chanel. But as they begin to explore their mother's collection, meet and fall in love with her group of warm, wonderful friends, and magically find inspiring messages tucked away in her treasures, it seems as though their mother is advising Lulu and Gabrielle from the beyond, helping them rediscover themselves and restore their relationship with each other.

Waisted Randy Susan Meyers, 2020-08-11

In this big-hearted triumph of a novel, Carolyn Parkhurst, New York Times bestselling author for fans of Jennifer Weiner, tells the story of seven women enrolled in an extreme weight-loss documentary, discover self-love and sisterhood as they enact a daring revenge against the exploitative filmmakers. Alice and Daphne, both successful and accomplished working mothers, harbor the same secret obsession: with their weight overshadows concerns about their children, husbands' work, and everything else of importance in their lives. Daphne, plump in a family of model-thin women, discovered early that only slimness earns admiration. Alice breaks up with her husband, risking losing her marriage if she keeps gaining weight. The two women meet at *Waisted*. Located in a remote Vermont mansion, the program promises fast, dramatic weight loss, and Alice, Daphne, and five other women are desperate enough to leave behind their families for this once-in-a-lifetime opportunity. The catch? They must agree to always be on camera; afterward, the world will see *Waisted: The Documentary*. But the women soon discover that the filmmakers have trapped them in a cruel experiment. With each pound lost, they edge deeper into obsession and instability until they decide to take matters into their own hands. Randy Susan Meyers spins a compelling tale. Kirkus Reviews and delivers a timely examination of body image, family, friendship, and what it means to be a woman in modern society. Culturally inclusive and societally on point, this is a must-read. Library Journal

The Comfort of Lies Randy Susan Meyers, 2014-01-28

Five years ago, Tia fell into obsessive love with a man she could never have married, and the father of two boys, Nathan, was unavailable in every way. When she became pregnant, he disappeared, and she gave up her baby for adoption. Five years ago, Caroline, a dedicated pathologist, reluctantly adopted a baby to please her husband. She prayed her misgivings would disappear; instead, she's questioning whether she's cut out for the role of wife and mother. Five years ago, Juliette considered her life ideal: she had a solid marriage, two beautiful young sons, and a thriving business. Then she discovered Nathan's affair. He promised he'd never stray again, and she trusted him.
