Finney can't imagine why anyone would want to come to Mariposa Island. He just graduated from high school and dreams about going to California to find his father and escape his mother's manipulation. *The Liars of Mariposa Island* follows siblings Elena and Joaquin with flashbacks to their mother's experience as a teenage refugee fleeing the Cuban revolution. Jennifer Mathieu's multilayered novel explores the nature of secrets, lies, and fierce destructive love. *The Bluest Sky* Christina Diaz Gonzalez, 2022-09-06 A boy and his family must decide whether to remain in Cuba under a repressive government or risk everything for the chance of a new beginning in this gripping story from the award-winning author of *The Red Umbrella*. There are two versions of Hector: the public and the private. It's the only way to survive in communist Cuba, especially when your father was exiled to the U.S. and labeled an enemy of the people. Hector must always be seen as a fierce supporter of the regime, even if that means loudly rejecting the father he still loves. But in the summer of 1980, those two versions are hard to keep separate. No longer able to suppress a public uprising, the Cuban government says it will open the port of Mariel to all who wish to leave the country if they can find a boat. But choosing to leave comes with a price. Those who want to flee are denounced as traitors by family and friends. There are violent acts of repudiation, and no one knows if they will truly be allowed to leave the country or not. So when Hector's mother announces that she wants the family to risk everything to go to the United States, he is torn. He misses his father, but Cuba is the only home he has ever known. All his dreams and plans require him to stay. Can he leave everything behind for an unknown future? In a summer of heat and upheaval, danger and deadly consequences, Hector's two worlds are on a collision course. Will the impact destroy him and everything he loves? Christina Diaz Gonzalez's great grandmother, great uncle, and extended family came to the U.S. through the Mariel boatlift. She vividly remembers meeting them all for the first time in the summer of 1980 and is proud to share this part of her family's history. Concealed Christina Diaz Gonzalez, 2021-10-19 The 2022 Edgar Award Winner for Best Juvenile Mystery. What if you had no name, no past, and no home? Ivette Joanna. And now Katrina. Whatever her name is, it won't last long. Katrina doesn't know any of the details about her past, but she does know that she and her parents are part of the Witness Protection Program. Whenever her parents say they have to move on and start over, she takes on a new identity: A new name, a new hair color, a new story. Until their location leaks and her parents disappear. Forced to embark on a dangerous rescue mission, Katrina and her new friend Parker set out to save her parents and find out the truth about her secret past and the people that want her family dead. But every new discovery reveals that Katrina's entire life has been built around secrets covered up with lies, and that her parents were actually the ones keeping the biggest secret of all. Katrina must now decide if learning the whole truth is worth the price of losing everything she has ever believed about herself and her family. **A Study Guide for Minnie Bruce Pratt's "The Great Migration"** Gale, Cengage Learning, A Study Guide for Minnie Bruce Pratt's *The Great Migration* excerpted from Gale's acclaimed *Poetry for Students*.
