Acknowledged Legislator Edward J. Carvalho, 2014-04-17 Acknowledged Legislator Critical Essays on the Poetry of Mart n Espada stands as the first ever collection of essays on poet and activist Mart n Espada It is also to date the only published book length single author study of Espada currently in existence Relying on innovative highly original contributions from thirteen Espada scholars its principal aim is to argue for a long overdue critical awareness of and cultural appreciation for Espada and his body of writing Acknowledged Legislator accomplishes this task in three fundamental ways by providing readers with background information on the poet s life and work offering an examination into the subject matter and dominant themes that are frequently contained in his writing and finally by advocating in a variety of ways for why we should be reading discussing and teaching the Espada canon Divided into four distinct sections that modulate through several theoretical frames from Espada s attention to resistance poetics and concerns for historical memory to his oppositional critique of neoliberalism and support for a class consciousness grounded in labor rights Acknowledged Legislator offers a cohesive forward thinking interpretive statement of the poet s vision and proposes a critical re assessment for how we read Espada now and in the future

Visible Dissent Teresa Longo, 2018-05-15 Highlighting the importance of reading and re reading the Latin American canon in the United States Longo finds that literature can be an instrument of progressive social change and argues that small literary presses City Lights Curbstone and Seven Stories have made that dissent visible in the United States Locating the work of artists and writers alongside that of scholars and legal

advocates Visible Dissent not only unveils the staying power of committed writing it honors the cross currents and the on the ground implications of humane political engagement Page 4 of cover **Green Mountains Review** ,2010 **Belonging** Niloufar Talebi,2008-08-05 Recent political developments including the shadow of a new war have obscured the fact that Iran has a long and splendid artistic tradition ranging from the visual arts to literature Western readers may have some awareness of the Iranian novel thanks to a few breakout successes like Reading Lolita in Tehran and My Uncle Napoleon but the country s strong poetic tradition remains little known This anthology remedies that situation with a rich selection of recent poetry by Iranians living all around the world including Amir Hossein Afrasiabi Although the path tracks my footsteps I don t travel it for the path travels me Varying dramatically in style tone and theme these expertly translated works include erotic divertissements by Ziba Karbassi rigorously formal poetry by Yadollah Royaii experimental poems by Naanaam powerful polemics by Maryam Huleh and the personal epic work of Shahrouz Rashid Eclectic and accessible these vibrant poems deepen the often limited awareness of Iranian identity today by not only introducing readers to contemporary Iranian poetry but also expanding the canon of significant writing in the Persian language Belonging offers a glimpse at a complex culture through some of its finest literary talents **Chronicle of the Pulitzer Prizes for Poetry** Heinz-D.

Fischer,2010-01-13 Joseph Pulitzer had not originally intended to award a prize for poetry An initiative by the Poetry Society of America provided the initial impetus to establish the prize first awarded in 1922 The supplement volume chronicles the whole history of how the awards for this category developed giving an account based mainly on confidential jury protocols from the Pulitzer Prizes office at New York s Columbia University This volume completes the series The Pulitzer Prize Archive

Broken Souths Michael Dowdy, 2013-11-21 Broken Souths offers the first in depth study of the diverse field of contemporary Latina o poetry Its innovative angle of approach puts Latina o and Latin American poets into sustained conversation in original and rewarding ways In addition author Michael Dowdy presents ecocritical readings that foreground the environmental dimensions of current Latina o poetics Dowdy argues that a transnational Latina o imaginary has emerged in response to neoliberalism the free market philosophy that underpins what many in the northern hemisphere refer to as globalization His work examines how poets represent the places that have been broken by globalization's political economic and environmental upheavals Broken Souths locates the roots of the new imaginary in 1968 when the Mexican student movement crested and the Chicano and Nuyorican movements emerged in the United States It theorizes that Latina o poetics negotiates tensions between the late 1960s oppositional collective identities and the present day's radical individualisms and discourses of assimilation including the post colonial post national and post revolutionary Dowdy is particularly interested in how Latina o poetics reframes debates in cultural studies and critical geography on the relation between place space and nature Broken Souths features discussions of Latina o writers such as Victor Hernandez Cruz Mart n Espada Juan Felipe Herrera Guillermo Verdecchia Marcos McPeck Villatoro Maurice Kilwein Guevara Judith Ortiz Cofer Jack Ag eros Marjorie Agos n Valerie Martinez and Ariel Dorfman alongside discussions of influential Latin American writers including Roberto Bola o Ernesto Cardenal David Huerta Jos Emilio Pacheco and Ra l Zurita
