

JOHN BARTH

*Author of THE FLOATING OPERA and THE END OF THE ROAD*

THE  
SOT-WEED  
FACTOR

# The Sot Weed Factor By John Barth

**Judith B. Warren**

## **The Sot Weed Factor By John Barth:**

**Sot-Weed Factor** John Barth, 2023-10-10 This is Barth's most distinguished masterpiece. This modern classic is a hilarious tribute to all the most insidious human vices with a hero who is one of the most diverting to roam the world since *Candide*. A feast of dense, funny, endlessly inventive and OK, yes, long-winded satire of the eighteenth-century picaresque novel, think Fielding's *Tom Jones* or Sterne's *Tristram Shandy*. It is also an earnest picture of the pitfalls awaiting innocence as it makes its unsteady way in the world. It's the late seventeenth century and Ebenezer Cooke is a poet, dutiful son, and determined virgin who travels from England to Maryland to take possession of his father's tobacco or sot-weed plantation. He is also eventually given to believe that he has been commissioned by the third Lord Baltimore to write an epic poem, *The Marylandiad*. But things are not always what they seem. Actually, things are almost never what they seem. Not since *Candide* has a steadfast soul witnessed so many strange scenes or faced so many perils. Pirates, Indians, shrewd prostitutes, armed insurrectionists. Cooke endures them all, plus assaults on his virginity from both women and men. Barth's language is impossibly rich, a wickedly funny take on old English rhetoric and American self-appraisals. For good measure, he throws in stories within stories, including the funniest retelling of the Pocahontas tale revealed to us in the secret journals of Capt. John Smith that anyone has ever dared to tell. Time

Some Aspects of John Barth's *The Sot-Weed Factor* Ann Thayer Holmquist, 1969

**John Barth's *The Sot-weed Factor* as Farce** Darr Kartychak, 1975

The sot-weed factor John Barth, 1972

Reality in John Barth's *The Sot-weed Factor* and the End of the Road Judith B. Warren, 1978

John Barth's *The Sot-weed Factor* as Literature of Exhaustion Margot A. Haberhern, 1972

*History, Imitation, and Satire* James Nicholas Lukin, 1971

**John Barth's "Sot-weed Factor" Revisited** Heide Ziegler, 1980

**John Barth's "The Sot-weed Factor"** Lahsen Benaziza, 2010

**John Barth and Postmodernism** Berndt Clavier, 2007

John Barth's eminence as a postmodernist is indisputable. However, much of the criticism dealing with his work is prompted by his own theories of exhaustion and subsequent replenishment, leaving his writing relatively untouched by theories of postmodernism in general. This book changes that by focusing on the relationship between Barth's aesthetic and the ideology critique of the historical avant-gardes, which were the first to mobilize art against itself and its institutional practices and demands. Examining Barth's metafictional parodies in the light of theories of space and subjectivity, Clavier engages the question of ideology critique in postmodernism by offering the montage as a possible model for understanding Barth's fiction. In such a light, postmodernism may well be perceived as a mimesis of reality, particularly a recognition of the collective nature of self and the world.

**The Fabric of Contradictions: John Barth's *Sot-weed Factor*** Beth Barnes, 1968

**John Barth** David Morrell, 2015-12-16

In 1969, while David Morrell was writing *First Blood*, the novel in which Rambo was created, he also wrote his doctoral dissertation about acclaimed author John Barth. In it, Morrell analyses Barth's early fiction using interviews with Barth, his agent, and his editors, as well as several of Barth's unpublished essays and letters to tell what Morrell calls the story behind

the stories a biography of Barth's fiction Over the years scholars have found John Barth An Introduction invaluable for its lengthy biographical sections which Barth himself approved Fans of Morrell's fiction will find this book enlightening in terms of what Barth taught him about writing CRITICAL REACTION David Morrell's not just a fine writer he's also a great and generous teacher New York Times bestselling author Lawrence Sanders Morrell has written an interesting and informative book which reads occasionally like a biography His prose is eminently clear and straightforward His book has something for everyone There is no doubt that it will become a necessity for serious students of Barth and that coincidentally it is a genuinely interesting book Journal of Modern Literature Morrell's study tells the story of Barth's storytelling how he got his ideas and then how the publishers and reviewers dealt with them He includes detailed biographical information and writes with great economy and clarity Modern Fiction Studies Morrell gives the reader the benefit of his familiarity with Barth and his manuscripts to plot the career of each work from plans and in some cases research through revision publisher agent reactions sales and post publication revisions The whole enterprise is carried off with appealing confidence and informality that add up to an eminently readable book World Literature Today John Barth (Routledge Revivals) Heide Ziegler, 2014-10-10 John Barth represents most completely what has been termed postmodernism not because his work comprises more postmodernist features than other contemporary writers but because for Barth life and art are two sides of the same coin In this brief study first published in 1987 Heide Ziegler examines all Barth's novels She argues that each pair of novels first exhausts and then replenishes those literary genres that hinge on a particular world view the existentialist novel the Bildungsroman the Kunsterroman or the realistic novel Through the division of labour between character and author Barth manages to develop a new mode of literary parody which projects itself beyond the mocked literary model and even self parody into the realm of future fiction This book is ideal for students of literature and postmodern studies

*Sympathy for Priapus* Frank M. Parisi, 1971 **History and Postmodernity in John Barth's *The Sot-weed Factor* and T.C. Boyle's *World's End*** Heike Gerhold, 2005 **The American Writer and the University** Ben Siegel, 1989

John Barth and the Anxiety of Continuance Patricia Tobin, 2016-11-11 During the sixties and seventies the fictional reinventions of John Barth along with his misread and influential essay *The Literature of Exhaustion* established the comic novelist as a leading practitioner and theorist of what was then coming to be called postmodern literature In more recent years however Barth's reputation has been called into question within the ongoing critical debate over the criterion of originality and the status of literary repetition imitation and parody In her spirited defense of Barth Patricia Tobin employs Harold Bloom's theory of belatedness to confront and explode this issue For Bloom the later the artist the greater the burden of the past against which he must rebel and the more hopeless his task However Tobin argues Barth revels in his belatedness and celebrates the opportunity to survey a rich literary past and to bring back to life its dead forms genres and styles by completing fulfilling and exhausting them Not a retrospective and negative anxiety of influence then but a wholly prospective

and positive anxiety of continuance has propelled Barth through a distinguished career Throughout Tobin elaborates the conjunctions and disjunctions between Bloom and Barth with surprising results Most notable perhaps is her examination of how Bloom's model of a map of misreading helps to elucidate and even predict the ways in which Barth sets each new novel in antithetical relation to the one before Along the way much is said about modernism and postmodernism repetition and difference and what it means poetically and willfully to intend a career John Barth and the Anxiety of Continuance will be of interest to scholars of American fiction and critical theory

**John Barth's The Sot-weed Factor: a Satire on the Eighteenth Century Picaresque** Nancy Elghanayan,1970      'Closing the Gap' Hans Bertens,2023-11-20 Postmodern Studies deals with any aspect of postmodernism or of postmodernity and the postmodern in relation to literature Publications in this series can be either of a theoretical or a more practical analytic nature They may refer to any one or to several literary works genres or literatures They may also refer to the other arts provided the main focus remain literary In evaluating contributions the editors of Postmodern Studies will follow no particular methodological or ideological bias All manuscripts accepted in the series first undergo a process of peer review Due to rapid developments in literary studies we close the series for new publications      **A GROATSWORTH OF WIT : PARALLELS IN JOHN BARTH'S THE SOT-WEED FACTOR AND THOMAS PYNCHON'S** V John Caldwell Calhoun,1979
