The Painter From Shanghai By Jennifer Cody Epstein:

The Painter of Shanghai Jennifer Cody Epstein, 2008-04-03 Reminiscent of Memoirs of a Geisha this novel is a re imagining of the life of Pan Yuliang and her transformation from prostitute to post Impressionist The Painter from Shanghai: A Novel Jennifer Cody Epstein, 2008-03-17 Reminiscent of Memoirs of a Geisha a re imagining of the life of Pan Yuliang and her transformation from prostitute to post Impressionist Down the muddy waters of the Yangtze River and into the seedy backrooms of The Hall of Eternal Splendor through the raucous glamour of prewar Shanghai and the bohemian splendor of 1920s Paris and back to a China ripped apart by civil war and teetering on the brink of revolution this novel tells the story of Pan Yuliang one of the most talented and provocative Chinese artists of the twentieth century Jennifer Cody Epstein s epic brings to life the woman behind the lush Cezannesque nude self portraits capturing with lavish detail her life in the brothel and then as a concubine to a Republican official who would ultimately help her find her way as an artist Moving with the tide of historical events The Painter from Shanghai celebrates a singularly daring painting style one that led to fame notoriety and ultimately a devastating choice between Pan's art and the one great love of her life Art of Transposition Angie Chau, 2023-12-11 A brief stay in France was for many Chinese workers and Chinese Communist Party leaders a vital stepping stone for their careers during the cultural and political push to modernize China after World War I For the Chinese students who went abroad specifically to study Western art and literature these trips meant something else entirely Set against the backdrop of interwar Paris Paris and the Art of Transposition uncovers previously marginalized archives to reveal the artistic strategies employed by Chinese artists and writers in the early twentieth century transnational imaginary and to explain why Paris played such a central role in the global reception of modern Chinese literature and art While previous studies of Chinese modernism have focused on how Western modernist aesthetics were adapted or translated to the Chinese context Angie Chau does the opposite by turning to Paris in the Chinese imaginary and discussing the literary and visual artwork of five artists who moved between France and China the painter Chang Yu the poet Li Jinfa the art critic Fu Lei the painter Pan Yuliang and the writer Xu Xu Chau draws the idea of transposition from music theory where it refers to shifting music from one key or clef to another or to adapting a song originally composed for one instrument to be played by another Transposing transposition to the study of art and literature Chau uses the term to describe a fluid and strategic art practice that depends on the tension between foreign and familiar new and old celebrating both novelty and recognition a process that occurs when a text gets placed into a fresh context Free as Gods Charles A. The Shanghai Alleyway House Gregory Byrne Bracken, 2013 As a nineteenth century commercial development the alleyway house was a hybrid of the traditional Chinese courtyard house and the Western terraced one Unique to Shanghai the alleyway house was a space where the blurring of the boundaries of public and private life created a vibrant social community In recent years however the city s rapid redevelopment has meant that the alleyway house is being

destroyed and this book seeks to understand it in terms of the lifestyle it engendered for those who called it home whilst also looking to the future of the alleyway house Based on groundwork research this book examines the Shanghai alleyway house in light of the complex history of the city especially during the colonial era It also explores the history of urban form and governance in China in order to question how the Eastern and Western traditions combined in Shanghai to produce a unique and dynamic housing typology Construction techniques and different alleyway house sub genres are also examined as is the way of life they engendered including some of the side effects of alleyway house life such as the literature it inspired both foreign and local as well as the portrayal of life in the laneways as seen in films set in the city. The book ends by posing the question what next for the alleyway house Does it even have a future and if so what lies ahead for this rapidly vanishing typology This interdisciplinary book will be welcomed by students and scholars of Chinese studies architecture and urban development as well as history and literature **The Courtesan** Alexandra Curry, 2016-09-06 A timeless novel inspired by the legendary real life Chinese courtesan Sai Jinhua an extraordinary woman who bridged two worlds in the twilight decades of the Qing dynasty a tumultuous era of East meets West The year is 1881 Seven year old Jinhua is left an orphan alone and unprotected after her mandarin father's summary execution for the crime of speaking the truth For seven silver coins she is sold to a brothel keeper and subjected to the worst of human nature When an elegant but troubled scholar takes Jinhua as his concubine she enters the close world of his jealous first wife Yet it is Jinhua who accompanies him as emissary to the foreign devil nations of Prussia Austria Hungary and Russia on an exotic journey to Vienna As he struggles to play his part in China s early blundering diplomatic engagement with the Western world Jinhua's eyes and heart are opened to the irresistible possibilities of a place that is mesmerizing and strange where she will struggle against the constraints of tradition and her husband's authority and seek to find Great Love Sai Jinhua is an altered woman when she returns to a changed and changing China where a dangerous clash of cultures pits East against West As the Boxer Rebellion brews and finally breaks Jinhua s Western sympathies will threaten not only her own survival but the survival of those who are most dear to her An authentic and beautifully written portrait of China's relationship with the West the story of the incredible Sai Jinhua told the way it might have been is not to be forgotten Glamour, 2008 The Lobster Kings Alexi Zentner, 2025-04-25 A mythical family saga steeped in the legends of the sea The Lobster Kings is a powerhouse of a novel Ben Fountain The Kings family has lived on Loosewood Island for three hundred years Now Woody Kings the leader of the island's lobster fishing community and the family patriarch teeters on the throne and Cordelia the oldest of Woody's three daughters stands to inherit the crown To do so however she must defend her island from meth dealers from the mainland while navigating sibling rivalry and the vulnerable nature of her own heart when she falls in love with her sternman Contemporary Chinese Novels in Translation since 1978 Yun Wu, 2024-10-14 This book aims to complement the traditional focus of translation studies which has primarily centered on translating English into other languages It presents a comprehensive analysis of the reverse translation

trajectory exploring the movement of Chinese literature into the core English literary domain The book aims to explore the ideological and sociological dynamics that underlie the translation of contemporary Chinese novels This is achieved through an examination of the translation selection process translation paratexts and the roles of translation agents Case studies are employed to illustrate specific linguistic literary and cultural challenges within translation It dissects the cultural and literary implications of translating genres such as women s writing science fiction and Internet literature The argument presented is that the translation of peripheral literature is indispensable in shaping global literature Beyond its literary implications the book identifies the political significance inherent in such reverse translation endeavors It suggests that the translation of Chinese literature holds notable political interest for the Chinese government which aims to reshape China s image and bolster the nation s soft power through literary translation This work will be an essential read to students and scholars of translation studies comparative literature and Chinese studies
