A Wilderness Of Mirrors Trusting Again In A Cynical World:

A Wilderness of Mirrors Mark Meynell, 2015 In a society increasingly marked by failed leadership and abuses of power at every level author Mark Meynell in *A Wilderness of Mirrors* charts not just the sources and harm of this cultural malaise but also the Gospel antidote to it [A Wilderness of Mirrors](#) Mark Meynell, 2015-05-19 Despite our material and technological advances Western society is experiencing a deep malaise caused by a breakdown of trust We've been misled by authorities and institutions by businesses and politicians and even by those who were supposed to care for us The very cohesion of society seems tenuous at times The church is not immune from these trends Historically it has a dubious record when it has wielded power personally many of its members are as afflicted by our culture's breakdown as anyone In *A Wilderness of Mirrors* author Mark Meynell explores the roots of the discord and alienation that mark our society but he also outlines a gospel based reason for hope An astute social observer with a pastor's spiritual sensitivity Meynell grounds his antidote on four bedrocks of the Christian faith human nature Jesus the church and the story of God's action in the world Ultimately hopeful *A Wilderness of Mirrors* calls Christians to rediscover the radical implications of Jesus's life and message for a disillusioned world a world more than ever in need of his trustworthy goodness [Preaching with Cultural Intelligence](#) Matthew D. Kim, 2017-10-17 To preach effectively in today's world preachers need cultural intelligence They must build bridges between listeners who come from various denominations ethnicities genders locations religious backgrounds and more Experienced preacher and teacher Matthew Kim provides a step by step template for cross cultural hermeneutics and homiletics equipping preachers to reach their varied listeners in the church and beyond Each chapter includes questions for individual thought or group discussion The book also includes helpful diagrams and images a sample sermon and appendixes for exegesis listeners and for exploring cultural differences **U2 and the Religious Impulse** Scott Calhoun, 2019-08-22 *U2 and the Religious Impulse* examines indications in U2's music and performances that the band work at conscious and subconscious levels as artists who focus on matters of the spirit religious traditions and a life guided by both belief and doubt U2 is known for a career of stirring songs landmark performances and for its interest in connecting with fans to reach a higher power to accomplish greater purposes Its success as a rock band is unparalleled in the history of rock n roll's greatest acts In addition to all the thrills one would expect from entertainers at this level U2 surprises many listeners who examine its lyrics and concert themes by having a depth of interest in matters of human existence more typically found in literature philosophy and theology The multi disciplinary perspectives presented here account for the durability of U2's art and offer informed explanations as to why many fans of popular music who seek a connection with a higher power find U2 to be a kindred spirit This study will be of interest to scholars and students of religious studies and musicology interested in religion and popular music as well as religion and popular culture more broadly **Not So with You** Mark Stirling, Mark Meynell, 2023-06-26 The spate of recent scandals of power abuse by leaders within the evangelical world suggests something

Powerful Leaders? Marcus Honeysett, 2022-02-17. As understanding and awareness of abuse has grown, many revelations of church leaders abusing their power have come to light. How did the church get here? Is there a way we can address both individual and institutional failings to counter the misuse of power and more importantly prevent it in the first place? *Powerful Leaders* exposes and explores how leaders are tempted away from a biblical model of leadership into illegitimate and in the worst cases abusive use of authority and power. Director of Living Leadership, a charity that focuses on healthy leadership and church culture, Marcus Honeysett traces how leaders move along a spectrum of healthy to unhealthy uses of power and position and offers practical wisdom for countering and preventing harmful leadership. Drawing on his years of experience in the local church and working with leaders and congregations, Honeysett unpacks how to spot danger signs of abuse in the church and provides advice on what to do if you see or are under unhealthy leadership. He also explores why people don't blow the whistle and encourages critical self-examination in existing leaders to ensure they maintain a healthy use of power and offers guidance to help leaders improve their skills and move back towards healthy, biblically based leadership. For anyone concerned about improving safeguarding in the church, *Powerful Leaders* will prove a valuable resource. It challenges and equips both those in leadership and those in a position to hold leaders accountable and will empower them to take the necessary steps forward to create healthier church cultures in which everyone can thrive.
