Dostoevsky is one of Russia's greatest novelists and a major influence in modern debates about religion both in Russia and the West This collection brings together Western and Russian perspectives on the issues raised by the religious element in his work The aim of this collection is not to abstract Dostoevsky's religious teaching from his literary works but to explore the interaction between his Christian faith and his writing The essays cover such topics as temptation grace and law Dostoevsky's use of the gospels and hagiography Trinitarianism and the Russian tradition of the veneration of icons as well as reading aloud and dialogism In addition to an exploration of the impact of the Christian tradition on Dostoevsky's major novels *Crime and Punishment* *The Idiot* and *The Brothers Karamazov* there are also discussions of lesser known works such as *The Landlady* and *A Little Boy at Christ's Christmas Tree*

**Dostoevsky's Diary of a Writer** Gary Saul Morson, 1986  
*Dostoevsky's Unfinished Journey* Robin Feuer Miller, Professor Robin Feuer Miller, 2007-01-01 How does Dostoevsky's fiction illuminate questions that are important to us today What does the author have to say about memory and invention the nature of evidence and why we read How did his readings of such writers as Rousseau Maturin and Dickens filter into his own novelistic consciousness And what happens to a novel like *Crime and Punishment* when it is the subject of a classroom discussion or a conversation In this original and wide ranging book Dostoevsky scholar Robin Feuer Miller approaches the author's major works from a variety of angles and offers a new set of keys to understanding Dostoevsky's world Taking Dostoevsky's own conversion as her point of departure Miller explores themes of conversion and healing in his fiction where spiritual and artistic transfigurations abound She also addresses questions of literary influence intertextuality and the potency of what the author termed ideas in the air For readers new to Dostoevsky's writings as well as those deeply familiar with them Miller offers lucid insights into his works and into their continuing power to engage readers in our own times

Dostoevsky Sober Hope Finding Faith in the Bleak  
Midwinter As winter descends to end the year 2023 it is a time for contemplation a time to revel in the joys and find balm for the woes of the past year a time to find the courage to hold on and the hope to thrive in the new year

Fyodor Dostoevsky 1821-1881 faced his own bleak and Russian winters from childhood play amongst the impoverished at his father's medical clinic to a last minute reprieve from the Tsar's firing squad for discussing banned books followed by ten years of prison camp and military service in exile. While his novels such as Crime and Punishment and The Brothers Karamazov demonstrate human depravity they also give glimmers of grace love and beauty which have made him one of the most beloved novelists of all time. It is our hope that as you find time to relax during the holiday season making it a habit for the new year that you will find these discussions deeply meaningful.

Awaiting for you within are discussions of his characters from novels and short stories alike. Dostoevsky inspired poems and reviews of films books and even contemporary music which reflect the light and warmth he dared to find in his own bleak winter.
