My Travels with Wagner Chris McQuaid, 2020-10-20 Want a true balm for the soul My Travels with Wagner tells the story of how author Chris McQuaid's journey took him from young Irish soldier suffering from PTSD to the finest opera houses in Europe and a passion for the music of Richard Wagner The 19th century composer produced dramatic operas and musical works that greatly influenced the course of Western music I was a lover of Wagner's music long before I came to Ireland and listened for hours on the floor of my brother's flat in Putney in the early 1950s Soon afterwards I went to Bayreuth and went on going When I came to Ireland I joined the Wagner Society and met Ireland's supreme Wagnerian Chris McQuaid I left the society when he did in deep sympathy and sharing his unparalleled love and knowledge It is reflected over again in this book rich in passionate concern for Richard Wagner and his unique place in Music Bruce Arnold author and journalist

Contemporary Dance Choreography and Spectatorship Lucía Piquero Álvarez, 2023-12-02 This book offers an approach which unites choreographic and spectatorial perspectives and argues for dance itself its materials its structures as a medium of emotional communication Contemporary dance often seems to contend with issues of understanding regularly being read in languages which alienate it Even if emotion seems a significant part of people's engagement with dance its workings are often surrounded by an air of mysticism Engaging with these issues this study investigates the experience of emotion in Euro American contemporary dance theatre It questions its dependence on the artist's personal emotions and the assumption that it is mediated by representational meaning Instead this book proposes that the emotional import of dance emerges from an interplay between perceptual properties and symbolic elements in an embodied affective cognitive experience This experience includes the background of the spectator as well as the context of work choreographer performer's and other creative agents
